

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

This compilation has been made from the session laws from 1861 to 1899, inclusive. Former compilations have been used only to prove the accuracy of this work.

The object of a compilation of the laws of a state is to bring the enactments of the various sessions of the Legislature together under appropriate heads, so that the present law may be readily found and readily understood. The compiler has no authority to change a law as passed by the Legislature. Each Act must be preserved intact. The various sections must follow consecutively except as they may have been repealed, superseded, declared void by the Supreme Court, or have become obsolete. This makes the arrangement of the Acts under general heads or in chapters difficult, as the various sections of an Act may relate to different subjects, and the Act could, on that account, be placed under two or more different heads. This difficulty can only be obviated by a carefully arranged index.

The subjects, or chapters, are arranged in the same order as in the compilation of 1885, for the reason that the bar and judiciary have become familiar with the arrangement of that book, and there is no particular reason for a different order. No chapter numbers, nor contents of chapters, have been given, as the sections are numbered consecutively from the first to the last page of the book, and the index refers to sections, so that to number the chapters would only serve to confuse.

A number of Acts which are still in force have been purposely omitted, as they are of so little interest that their republication would only incumber the work; but every live law not printed herein is noted with reference to where it and its amendments may be found in the session laws, and reference is made thereto in the index. The omission of these Acts has been ordered by the Justices of the Supreme Court who have approved this work.

The laws prescribing fees for county and township officers are in a deplorable state, the application of all of them being determined either by the number of votes cast in a county or by a special reference to certain counties. An effort has been made to overcome this mixed condition of affairs by making copious notes all through the chapter showing the application of each section, but there still remains much uncertainty, which can be remedied only by the Legislature passing a general fee bill of uniform application. The Fee Acts relating to certain counties by name are not printed, but only referred to, as they are not general laws. Their constitutionality is also very doubtful.

The references to the Nevada Reports have been carefully selected with the desire that they should not only be apt and applicable to the sections under which they are noted, but that they should be complete. With what success this

object has been attained is for the profession to determine. As neither the 24th nor 25th Nevada are yet in print, pages could not be given, and cases cited in them must be found by reference to the "Table of Cases Reported," when those volumes are printed.

The use of head notes instead of marginal notes for each section was suggested by many attorneys, by our Supreme Court, and by the later compilations and codes of other states.

The appendix contains references to local and special Acts and others which were not thought worthy of reprinting, all of which, however, are referred to in the index, and the pages on which they are to be found in the session laws are given.

No separate index is given for the State Constitution nor the United States Statutes printed in the front of the book, but everything is included in the general index, as it was thought desirable that a party, when looking up a legal point, should have not only the statute law but the fundamental law thereon as well.

H. C. CUTTING,
Compiler.

25. 4. We, the people of the State of Nevada, grateful to Almighty God for our freedom, in order to secure its blessings, insure domestic tranquility, and form a more perfect government, do establish this

CONSTITUTION.

ARTICLE I.

DECLARATION OF RIGHTS.

Inalienable Rights.

26. SECTION 1. All men are, by nature, free and equal, and have certain inalienable rights, among which are those of enjoying and defending life and liberty; acquiring, possessing and protecting property, and pursuing and obtaining safety and happiness.

Paramount Allegiance—Powers of Federal Government.

27. SEC. 2. All political power is inherent in the people. Government is instituted for the protection, security, and benefit of the people; and they have the right to alter or reform the same whenever the public good may require it. But the paramount allegiance of every citizen is due to the Federal Government, in the exercise of all its constitutional powers, as the same have been, or may be, defined by the supreme court of the United States, and no power exists in the people of this or any other state of the Federal Union to dissolve their connection therewith, or perform any act tending to impair, subvert, or resist the supreme authority of the government of the United States. The constitution of the United States confers full power on the Federal Government to maintain and perpetuate its existence, and whensoever any portion of the states, or people thereof, attempt to secede from the Federal Union, or forcibly resist the execution of its laws, the Federal Government may, by warrant of the constitution, employ armed force in compelling obedience to its authority.

Right of Trial by Jury.

28. SEC. 3. The right of trial by jury shall be secured to all, and remain inviolate forever; but a jury trial may be waived by the parties in all civil cases, in the manner to be prescribed by law; and in civil cases, if three-fourths of the jurors agree upon a verdict, it shall stand and have the same force and effect as a verdict by the whole jury; *provided*, the legislature, by a law passed by a two-thirds vote of all the members elected to each branch thereof may require a unanimous verdict, notwithstanding this provision.

State v. McClear, 11 Nev. 38.

Religious Worship.

29. SEC. 4. The free exercise and enjoyment of religious profession and worship, without discrimination or preference, shall forever be allowed in this state; and no person shall be rendered incompetent to be a witness on account of his opinions on matters of his religious belief; but the liberty of conscience hereby secured shall not be so construed as to excuse acts of licentiousness, or justify practices inconsistent with the peace or safety of this state.

Habeas Corpus.

30. SEC. 5. The privilege of the writ of habeas corpus shall not be suspended, unless when, in cases of rebellion or invasion, the public safety may require its suspension.

Bail.

31. SEC. 6. Excessive bail shall not be required, nor excessive fines imposed; nor shall cruel or unusual punishments be inflicted; nor shall witnesses be unreasonably detained.

When Bailable.

32. SEC. 7. All persons shall be bailable by sufficient sureties; unless, for capital offenses, when the proof is evident or the presumption great.

Capital or Infamous Crimes, How Tried—Taking of Property.

33. SEC. 8. No person shall be tried for a capital or other infamous crime (except in cases of impeachment, and in cases of the militia when in actual service, and the land and naval forces in time of war, or which this state may keep, with the consent of Congress, in time of peace, and in cases of petit larceny, under the regulation of the legislature), except on presentment or indictment of a grand jury, and in any trial, in any court whatever, the party accused shall be allowed to appear and defend in person, and with counsel, as in civil actions. COMPILED LAWS OF NEVADA.

COMPILED LAWS OF NEVADA.

MINES AND MINING.

An Act relating to the location, relocation, manner of recording lode and placer claims, mill sites, tunnel rights, amount of work necessary to hold possession of mining claims and the right of coowners therein.

Approved March 16, 1897, 103.

How to Locate.

208. SECTION 1. Any person, a citizen of the United States, or one who has declared his intention to become such, who discovers a vein or lode may locate a claim upon such vein or lode by defining the boundaries of the claim in the manner hereinafter described, and by posting a notice of such location at the point of discovery, which notice must contain: First—The name of the lode or claim. Second—The name of the locator or locators. Third—The date of the location. Fourth—The number of linear feet claimed in length along the course of the vein, each way from the point of discovery, with the width on each side of the center of the vein, and the general course of the vein or lode as near as may be.

*amdt
p 418
St-1907*

1. NOTICE OF LOCATION OF MINING CLAIM, WHERE TO BE POSTED. In order to hold a mining ledge, it is not necessary that the notice of location should be placed on the ore or any part of the vein or lode; it is sufficient if it be placed in such reasonable proximity and relation to the ledge as, in connection with the work done under it, to give notice to all comers what ledge is intended. *Phillpotts v. Blasdel*, 8 Nev. 61.

NAME, HOW IMPOSED UPON LODE. Placing a notice of location headed with a certain name upon a lode of ore is to christen it with such name. *Id.*

RELOCATION OF MINING CLAIM UNDER ANOTHER NAME. There is no law to prevent a person from relocating his own mining claim by a different name; and if he does so and then conveys it by the latter name, there is no reason why the existence of the former location should invalidate the deed. *Id.*

2. ALIENS CANNOT LOCATE NOR HOLD MINING CLAIMS. An alien who has never declared his intention to become a citizen, is not a qualified locator of mining ground, and he cannot hold a mining claim either by actual possession or by location against one who connects himself with the government title by compliance with the mining law. *Golden Fleece G. & S. M. Co. v. Cable Con. G. & S. M. Co.*, 12 Nev. 312.

LOCAL MINING DISTRICTS AND RULES. The mining laws of the United States recognize and sanction the custom of the miners among organized mining districts to adopt local laws or rules governing the location, recording and working of claim not in conflict with state or federal legislation. *Id.*

Work to Be Performed Within One Hundred and Twenty Days After Posting Notice—Monuments—Boundaries, How Defined.

209. SEC. 2. Before the expiration of one hundred and twenty days from the posting of the notice of location, the locator shall sink a discovery shaft upon the claim to a depth of at least ten feet from the lowest part of the rim of such

shaft at the surface, or deeper if necessary, to show by such work a lode or deposit of mineral in place. A cut or crosscut, or tunnel, which cuts the lode at a depth of ten feet or more, or an open cut of at least ten feet in length along the lode from the point where the lode may be in any manner discovered, shall be equivalent to a discovery shaft. At the location point, and at each corner and angle of the claim, he shall distinctly mark a tree or rock in place, or shall set a stone, which shall be at least six inches wide and eighteen inches long, firmly in a mound or in the earth, so that at least six inches in height of said stone shall be plainly visible from all sides, or shall substantially build a monument which shall rise at least three feet above the surface, or shall erect a post at least four inches square or four inches in diameter, which must be firmly set in the ground, or in a mound of earth or rock, and must rise at least three feet above the surface. The tree, rock, stone, post or monument at each corner shall be so marked by letters, figures or otherwise, as to indicate its purpose. The posting of location notice and descriptive memoranda of corners (if that method of marking be used) shall be by conspicuously displaying the same, where practicable, and in other cases by such posting as is in accord with the usage and custom of miners. Where it is impracticable or dangerous to life or limb to mark a tree or rock, or set a stone or erect a post or monument precisely upon a corner or angle, then the marking of that corner or angle by means of tree, or rock, or stone, or post, or monument, may be done at the nearest practicable point, in such manner as to indicate the right place. *As amended, Stats. 1899, 93.*

1. THE MINING LAWS OF THE LOCALITY GOVERN THE LOCATION and manner of developing the mines, and when they directly point out how such mining claims must be located, and how the possession once acquired is to be maintained, that course must be strictly pursued. *Mallett v. Uncle Sam G. & S. M. Co.*, 1 Nev. 188. *Affirmed, Gleeson v. Martin White Mining Co.*, 13 Nev. 442.
2. ABOVE SECTION CONSTRUED. *Sissons v. Sommers*, 24 Nev.
3. ASSAYS OF ROCK TAKEN AFTER LOCATION OF CLAIM—COMPETENT EVIDENCE TO PROVE EXISTENCE OF MINERAL VEIN. Assays of rock which was taken from a mining claim, long after the date of its location, are competent evidence, as tending to show that the locators had discovered a vein at the time of the location. *Southern Cross v. Europia M. Co.*, 15 Nev. 385.
4. NO VALID LOCATION of a mining claim can be made until a vein, or deposit, of gold, silver, or metalliferous ore, or rock in place has been discovered. *Overman S. M. Co. v. Corcoran*, 15 Nev. 147.
5. NOTICE OF LOCATION AND RECORD—It is the record of a mining claim, and not the notice of location, that must contain such reference to a natural object or permanent monument as will identify the claim, and only then when the local laws require a record to be made. *Brady v. Husby*, 21 Nev. 453; *Poujade v. Ryan*, 21 Nev. 449.

IDENTIFYING CLAIM—Where the record of a mining claim contains such reference to a natural object or permanent monument as might under any circumstances identify the claim, the record is admissible in evidence, and it becomes a question of fact as to whether such reference is sufficient. *Id.*

PRESUMPTION IN ABSENCE OF EVIDENCE. In the absence of all evidence upon the point it will be presumed that the reference is sufficient for identification. *Id.*

6. JUDICIAL NOTICE—LOCAL MINING RULE. Court cannot take. *Poujade v. Ryan*, 21 Nev. 499.
7. EXTENT OF OWNERSHIP—BURDEN OF PROOF. The presumption, in the first instance, is that the owner of the mine owns all the veins found within his boundary lines, but when there is evidence tending to prove that the vein in controversy apexes outside those lines, this, if sufficient, will rebut that presumption; and as the burden of proving ownership is, when denied, always upon the party alleging it, he must also meet and overcome this evidence, or he will fail in establishing his title. *Jones v. Prospect T. Co.*, 21 Nev. 339.

ROCK IN PLACE—By "rock in place," as used in the mining statutes, is meant rock that is enclosed and embraced in the general mass of the mountain, as distinguished from the float, soil and debris of the surface; and it is not material where the rock or mineral was originally formed or deposited, or that the vein matter is loose, or broken, or disintegrated. *Id.*

8. *Van Valkenburg v. Huff*, 1 Nev. 147; *Overman S. M. Co. v. American M. Co.*, 7 Nev. 312; *Wiell v. Lucerne M. Co.*, 11 Nev. 200.

9. *PATENT WHEN VOID*. *Rose v. Richmond M. Co.*, 17 Nev. 25.

10. *PATENT TO MINING CLAIM*. Right to all the surface. *Abbott v. Primeaux*, 16 Nev. 361.

Recording.

210. SEC. 3. Within ninety days of the date of posting the location notice upon the claim the locator shall record his claim with the Mining District Recorder and the County Recorder of the mining district or county in which such claim is situated by a location certificate which must contain: 1st, the name of the lode or vein; 2d, the name of the locator or locators; 3d, the date of the location and such description of the location of said claim, with reference to some natural object or permanent monument, as will identify the claim; 4th, the number of linear feet claimed in length along the course of the vein each way from the point of discovery, with a width on each side of the center of the vein, and the general course of the lode or vein as near as may be; 5th, the dimensions and location of the discovery shaft, or its equivalent, sunk upon the claim; 6th, the location and description of each corner, with the markings thereon. Any record of the location of a lode mining claim which shall not contain all the requirements named in this section shall be void. All records of lode or placer mining claims, mill sites or tunnel rights heretofore made by any Recorder of any mining district or any County Recorder are hereby declared to be valid and to have the same force and effect as records made in pursuance of the provisions of this Act. And any such record, or a copy thereof, duly verified by a Mining Recorder or duly certified by a County Recorder shall be *prima facie* evidence of the facts therein stated.

MINING RECORDS. See Secs. 232, 237, 249, inc.; *Golden Fleece G. & S. M. Co. v. Cable Con. G. & S. M. Co.*, 12 Nev. 312; *Brady v. Husby*, 21 Nev. 453 (ante).

Location Includes.

211. SEC. 4. The location or record of any vein or lode claim shall be construed to include all surface ground within the surface lines thereof, and all lodes and ledges throughout their entire depth, the top or apex of which lies inside of such lines extended downward, vertically with all parts of such lodes or veins as continue to dip beyond the side lines of the claim, but shall not include any portion of such lodes, veins, or ledges beyond the end lines of the claim, or the end lines continued, whether by dip or otherwise, or beyond the side lines in any other manner than by the dip of the lode.

Van Valkenburg v. Huff, 1 Nev. 142.

End Lines.

212. SEC. 5. If the top or apex of the lode in its longitudinal course extends beyond the exterior lines of the claim at any point on the surface, or as extended vertically downward, such lode may not be followed in its longitudinal course where it is intersected by the exterior lines.

Jones v. Prospect Tunnel Co., 21 Nev. 339.

Defective Certificate—Relocation.

213. SEC. 6. If at any time the locator of any mining claim heretofore or hereafter located, or his assigns, shall apprehend that his original certificate was defective, erroneous, or that the requirements of the law had not been complied with before filing; or shall be desirous of changing his surface boundaries or of taking in any part of an overlapping claim which has been abandoned; or in case the original certificate was made prior to the passage of this law, and he shall be desirous of securing the benefits of this Act, such locator or his assigns may file an additional certificate, subject to the provisions of this Act; *provided*, that such relocation does not interfere with the existing rights of others at the time of such relocation, and no such relocation or the record thereof shall preclude

amdt

the claimant or claimants from proving any such titles as he or they may have held under previous location.

Relocation—Work to Be Done.

214. SEC. 7. The relocation of abandoned lode claims shall be by sinking a new discovery shaft and fixing new boundaries in the same manner as if it were the location of a new claim; or the relocater may sink the original discovery shaft ten feet deeper than it was at the time of abandonment, in which case the record must give the depth and dimensions of the original discovery shaft at the date of such relocation, and erect new or adopt the old boundaries, renewing the posts or monuments if removed or destroyed. In either case a new location stake shall be erected. In any case, whether the whole or part of an abandoned claim is taken the record may state that the whole or any part of the new location is located as abandoned property. If it is not known to the relocater that his location is on an abandoned claim, then the provisions of this section do not apply.

1. SECOND LOCATION OF MINING GROUND, WHEN NOT AN ABANDONMENT OF THE FIRST—Where one or more of the parties first locating mining ground afterwards make a second location upon the same lode, with the names of other parties added to the notice of location, it appearing that at the time of the second location the ground was undeveloped, and it was not known that both notices were upon the same lode, and it further appearing that the second notice was posted for the express purpose of protecting the original location: *Held*, that the second location did not of itself constitute an abandonment of the first location. *Weill v. Lucerne M. Co.*, 11 Nev. 200.
1. *IDEM.*—The question of abandonment is one of intention. Whether it was the intention of the locators in the first notice to abandon their interest in the ground derived from said first notice of location, was a question of fact for the jury to determine from all the facts and circumstances of the case. *Id.*
2. ABANDONMENT IS A MIXED QUESTION OF LAW AND FACT. *Oreamuno v. Uncle Sam G. & S. M. Co.*, 1 Nev. 179.
3. RELOCATION OF MINING CLAIM—WHEN CANNOT BE MADE. A party cannot locate a valid claim to a lode already located and legally possessed by others. Mining claims are not open to relocation until the rights of a former locator have been abandoned, forfeited or otherwise come to an end. *Rose v. Richmond M. Co.*, 17 Nev. 28.
4. RELOCATION OF MINING GROUND. Where the first claimant who takes up the claim is not a citizen, or has forfeited his right by non-compliance with the mining laws, or abandoned his claim, the mining ground staked off by him, is open to location by any citizen of the United States. *Golden Fleece M. Co. v. Cable Consolidated Co.*, 12 Nev. 312.
5. *Mallett v. Uncle Sam G. & S. M. Co.*, 1 Nev. 188; *Sever v. Gregovich*, 16 Nev. 325; *South End M. Co. v. Tinney*, 22 Nev. 19.

Survey and Certificate of Surveyor Becomes Part of Record.

215. SEC. 8. Where a locator, or his assigns, has the boundaries and corners of his claim established by a United States deputy mineral surveyor, or a licensed surveyor of this state, and his claim connected with a corner of the public or minor surveys of an established initial point, and incorporates into the record of the claim the field notes of such survey, and attaches to and files with such location certificate a certificate of the surveyor, setting forth: First, that said survey was actually made by him, giving the date thereof; second, the name of the claim surveyed and the location thereof; third, that the description incorporated in the declaratory statement is sufficient to identify. Such survey and certificate becomes a part of the record, and such record is *prima facie* evidence of the facts therein contained.

Assessment Work.

216. SEC. 9. The amount of work done or improvements made during each year to hold possession of a mining claim shall be that prescribed by the laws of the United States, to wit: One hundred dollars annually. In estimating the worth of labor required to be performed upon any mining claim, to hold the same

under the laws of the United States, the value of a day's labor is hereby fixed at the sum of four dollars; *provided, however*, that in the sense of this statute eight hours of labor actually performed upon the mining claim shall constitute a day's labor.

1. **EJECTMENT—WHEN FORFEITURE NEED NOT BE PLEADED.** In an action of ejectment, to recover the possession of a mining claim, where the defendant relies upon a forfeiture by plaintiff, for failure to do the necessary work required by the Act of Congress (Rev. Stat. 2326) such forfeiture need not be specially pleaded. *Steel v. Gold Lead M. Co.*, 18 Nev. 80.
2. **LOCATOR'S RIGHT—ASSESSMENT WORK.** After the purchase price is paid, and the receiver's receipt taken, the locator's right to a patent is vested, and he is not required to do assessment work. *Deno v. Griffin*, 20 Nev. 249.

Affidavit of Work Performed.

217. SEC. 10. Within sixty days after the performance of labor or making of improvements, required by law to be annually performed or made upon any mining claim, the person in whose behalf such labor was performed, or improvements made, or someone in his behalf, shall make and have recorded by the Mining District Recorder or the County Recorder in books kept for that purpose in the mining district or county in which such mining claim is situated, an affidavit setting forth the amount of money expended, or value of labor or improvements made, or both, the character of expenditures or labor or improvements, a description of the claim or part of the claim affected by such expenditures, or labor or improvements, for what year, and the name of the owner or claimant of said claim at whose expense the same was made or performed. Such affidavit, or a copy thereof, duly certified by the County Recorder, shall be *prima facie* evidence of the performance of such labor or the making of such improvements, or both. [See Sec. 231.]

Notice to a Delinquent Coöwner—Penalty.

218. SEC. 11. Whenever a coöwner or coöwners shall give to a delinquent coöwner or coöwners the notice in writing or notice by publication provided for in section 2324, Revised Statutes of the United States, an affidavit of the person giving such notice, stating the time, place, manner of service, and by whom and upon whom such service was made, shall be attached to a true copy of such notice, and such notice and affidavit must be recorded by the Mining District Recorder or the County Recorder, in books kept for that purpose, in the mining district or county in which the mining claim is situated; within ninety days after the giving of such notice, or if such notice is given by publication in a newspaper, there shall be attached to a printed copy of such notice an affidavit of the printer or his foreman or principal clerk of such paper, stating the date of the first, last and each insertion of such notice therein, and when and where the newspaper was published during that time, and the name of such newspaper. Such affidavit and notice shall be recorded as aforesaid within one hundred and eight days after the first publication thereof. The original of such notice and affidavits, or a duly certified copy of the record thereof, shall be evidence that the delinquent mentioned in section 2324 has failed or refused to contribute his proportion of the expenditure required by that section and of the service or publication of said notice; *provided*, the writing or affidavit hereinafter provided for is not of record. If such delinquent shall, within the ninety days required by section 2324 aforesaid, contribute to his coöwner or coöwners his proportion of such expenditures, such coöwner or coöwners shall sign and deliver to the delinquent or delinquents a writing, stating that the delinquent or delinquents by name, has within the time required by section 2324 of the Revised Statutes of the United States contributed his share for the year ----, upon the ----- mine, and further stating therein the district, county and state where the same is situate and the book and page where the location notice is recorded; such writing shall be recorded in the office of the County Recorder of said county. If such coöwner or coöwners shall

fail to sign and deliver such writing to the delinquent or delinquents within twenty days after such contribution, the coöwner or coöwners so failing as aforesaid shall be liable to a penalty of one hundred dollars, to be recovered by any person for the use of the delinquent or delinquents in any court of competent jurisdiction. If such coöwner or coöwners fail to deliver such writing within said twenty days, then the delinquent with two disinterested persons having personal knowledge of such contribution, may make affidavit setting forth in what manner, the amounts of, to whom and upon what mine, such contribution was made. Such affidavit, or a record thereof in the office of the County Recorder of the county in which said mine is situate, shall be *prima facie* evidence of such contribution.

This section supersedes Act of March 5, 1887, 136.

219. SEC. 12. No notice of location of a lode claim shall claim more than one location, whether the location be made by one or several persons. And if such notice purport to claim more than one location it shall be absolutely void, except as to the first location therein described. And if they are described together, or so that it cannot be told which location is first described, the notice of location shall be void as to all.

Non-Mineral Affidavit—Duties Land Register and State Controller—Duties of State Treasurer—Unselectable Lands—Completion of Purchase.

306. SEC. 5. Upon the application of any citizen of the United States or any person who has legally declared his intention to become such, to purchase lands not previously selected by the state, such applicant shall deposit with the State Land Register an affidavit, in due form, by the applicant or some other competent person, made before an officer having an official seal and legally authorized to administer oaths, that the lands described in the application are non-mineral in character, and such affidavit shall not refer to any lands not included in such application. The Land Register shall indorse upon each application the exact time of its receipt in his office, and shall certify to the State Controller that such person is entitled to apply for the lands, describing the same as in the application, which shall accompany the certificate, and said certificate shall state the amount necessary to purchase such lands. The Controller shall thereupon issue his order directing the State Treasurer to receive from such applicant such amount, placing the same in the proper fund, and upon such payment being made, the Treasurer shall issue his receipt in duplicate, describing the lands applied for, and he shall at the same time enter in his abstract of applications the name of the person so applying, description of land, number and date of receipt, and amount paid by the applicant. Upon return of the application with the Treasurer's receipt to the land office, the Register shall file the same, and take prompt measures at the United States land office of the district in which such lands are situated to select, for the state, the lands described in such application. If, during a period of sixty days after the filing of any application, the State Land Register shall remain unable so to select any of the lands therein described, on account of conflicting entries or reservations in the United States land office, he shall cancel such application, so far as it concerns the unselectable lands therein described, and at once certify to the Controller and Treasurer each, that such applicant is entitled to the amount paid by him or her, on said unselectable lands, and the Controller shall draw his warrant upon the proper fund for the amount due such applicant, and the same shall be paid by the Treasurer. The State Land Register shall, at the same time, notify the applicant of such cancellation, and that the amount deposited thereon is subject to withdrawal as provided by law, and no subsequent application for lands embraced in such cancelled application shall be certified by the State Land Register until due official notice shall have been received from the intending applicant, that the lands in question are subject to selection. Whenever purchase can be completed, in whole, or in part, upon lands applied for, as in this section provided, the Land Register shall certify the same to the Controller and Treasurer each, and shall at once proceed to complete such sale. Should the Controller, upon the receipt of such certificate, find that any payment had been wrongfully apportioned, he shall issue his order

directing the Treasurer to transfer such amount to its proper fund. If, by reason of the non-approval of the lands to the state, or other cause, the contemplated sale cannot be completed, in whole or in part, then, upon the demand of the applicant or his or her legal agent or assignee, the Land Register shall certify to the Controller and Treasurer each, that such applicant is entitled to the amount paid by him or her, and the Controller shall draw his warrant upon the proper fund for the amount due such applicant, and the same shall be paid by the Treasurer. The term citizen, as used in this Act, is held to mean and include females of lawful age. *As amended, Stats. 1889, 124; 1891, 100.*

Upon the application of any person as defined in section five of this Act, for the purchase of land after the state has obtained title thereto, should such person be entitled to purchase, the Land Register shall certify the same to the Controller. Said certificate shall be accompanied by such application, as provided in section five of this Act, whereupon the Controller shall issue his order directing the Treasurer to receive the amount necessary to purchase such land, placing the same in the fund specified in the order. Upon payment being made by the applicant, the Treasurer shall issue his receipts in duplicate for the same, and on return of said application, with the receipt, to the state land office, the Register shall thereupon file the same and complete such sale. *As amended, Stats. 1889, 126.*

The applicant in every instance shall also bear the actual expense of all non-mineral affidavits required by law, or the regulations of the United States general land office. *As amended, Stats. 1889, 126; 1897, 71.*

All such contracts shall be entered into in writing with the person so purchasing, in which the conditions shall be distinctly expressed that upon the failure to pay the annual interest or principal, when due as stipulated, the land shall immediately thereafter be subject to sale in the same manner and under

the same conditions as though no such prior contract of sale had been made; *provided*, that the State Land Register is hereby authorized to accept an overdue interest payment on any contract during the period of one year from the date required for such interest payment; and also to accept overdue interest payments on any contract heretofore made, where the land has not been reapplied for, *provided* such overdue interest payments be made within one year from the date of approval of this Act; but when application is made for any portion of the land described in any contract on which the annual interest payment is overdue, it shall be the duty of the State Land Register to immediately declare such contract forfeited and to accept and certify such application, and the remainder of the land embraced in such forfeited contract shall unconditionally revert to the state. It shall be the duty of the Register to certify each sale and the terms thereof to the Treasurer. The Register shall certify to the Comptroller each payment, and the Comptroller, upon receipt of each of such certificates, shall issue his order to the Treasurer, apportioning the interest to the fund to which it may belong, as in section five of this Act, and upon payment being made by the applicant of the amount specified in the order, the Treasurer shall issue his receipts in duplicate, and when full payment shall have been made, patent shall issue to the purchaser as provided in section sixteen of this Act. No timber land shall be sold unless the whole purchase price shall be paid at the time of application. *As amended, Stats. 1889, 126; 1899, 124.*

310. SEC. 9. All contracts in existence at the time of the passage of this Act, may remain under the same conditions as stipulated in said contracts, or the unpaid principal may be made the subject of a new contract, under the provisions of the foregoing section, at the option of the holder of such contract.

Register to Cause Notices to Be Given.

311. SEC. 10. The State Land Register shall, with reasonable dispatch, cause proper notices to be prepared, requiring the applicant, or his or her agent or attorney, to make full payment, or enter into contract, in the applicant's name, with the State Land Register, as provided in Section 8 of this Act, for the purchase of the land applied for by said applicant, and shall inclose with such notice duly prepared contracts, in duplicate, for the applicant to sign, and shall address the same to such applicant, or his or her agent or attorney, by mail in registered letter, and the Register shall file the postoffice receipts in his office. If, at the expiration of ninety days from the date of mailing of such notices and contracts in duplicate, the person so notified, or his or her legal representative, shall fail to make the required full payment, or to sign and return to the Register such contracts, he or she shall forfeit his or her right to complete the purchase of such land, and the title of the state to such land shall rest as fully in the state as though it had never been applied for, and shall be subject to sale to any person, including the person so forfeiting such land on previous application. Any and all sums of money deposited as partial payments on lands so forfeited shall immediately and unconditionally become the property of the state. *As amended, Stats. 1889, 127.*

Unlocated Land Warrants.

312. SEC. 11. The holder of any unlocated land warrant of this state, heretofore issued, shall have the right to use the same in payment for lands which he or she may desire to purchase from the state, and any person holding any of said warrants for one hundred and sixty acres or less, at the rate of two and one-half dollars per acre, shall be allowed to surrender the same to the State Treasurer in full payment for double the number of acres expressed therein, of land valued at one and one-fourth dollars per acre. And upon the surrender of such land warrant to the Controller by the Treasurer, properly indorsed, the Controller

All purchases to be completed, on amounts to be refunded, upon special deposit receipts issued by E. Rhoades, with his certificate of the completion of such sale, and the Controller shall receive and file the same in his office as vouchers. The Register shall at the same time also certify such sale to the Treasurer. Whenever, by reason of non-approval of lands to the state, or other cause, the contemplated sale cannot be completed, the Land Register shall certify to the Controller that such applicant is entitled to the amount paid, and the Controller shall file such certificate in his office as a voucher, drawing his warrant upon the proper fund for said amount, and the Treasurer shall pay the same. When Two or More Persons Apply for the Same Lands, Proceedings—Artesian Well to Give Preferred Right—Rights of First Applicant—Board to Decide Rights of Contesting Claimants—Contests to Be Certified to District Court, When—Practice in Hearing Contested Cases—Cost of Contest.

314. SEC. 13. After the filing in the state land office of a formal application for lands, not previously approved to the state, should one or more persons, each claiming a preferred right by reason of occupancy or possession severally apply to purchase the same lands, the Register shall require each of such claimants to make and deposit with his or her application an affidavit affirming occupancy or possession thereof, dating prior to the filing of the first existing application for the lands so claimed. An occupant or party in possession as named in this Act and section, shall be deemed and considered to include any person, as defined in section five of this Act, who, after the approval of this Act, shall commence, and prosecute with due diligence, the sinking of an artesian well upon any unoccupied public lands, subject to selection by the State of Nevada, according to the requirements of an Act to encourage the sinking of artesian wells, approved March 5, 1887, and Acts amendatory thereof and supplementary thereto, and every such person shall be entitled to all the rights and privileges of an occupant or party in possession, as to a preferred right to purchase when he or she shall have complied with the provisions of said Act, concerning said well and the requirements herein written, as to diligence in the prosecution of said work, and upon proof being made before the proper court, as hereinafter provided, that said person has complied therewith, his or her preferred right shall date from the commencement of the sinking of said well. When two or more persons severally apply to purchase the same lands, the first applicant, although not claiming a preferred right to purchase, shall be entitled to appear and contest the right of an applicant to purchase

under the claim of a preferred right. When two or more persons severally apply to purchase the same lands, neither claiming a preferred right, the first applicant shall be allowed to purchase. It shall be the duty of the State Land Register to notify the first existing applicant or his or her attorney or other legal representative, immediately upon the filing of a subsequent application for any portion of the lands embraced in his or her application. Such notice shall be given by registered letter through the United States mails. When two or more persons simultaneously apply to purchase the same lands, neither claiming a preferred right, the determination of the right to purchase shall be submitted to a board consisting of the State Controller, State Treasurer, and State Land Register. The said board shall designate a time to receive bids from the several applicants who have simultaneously applied to purchase the lands in question, and shall proceed to determine and award the right to purchase to the highest bidder. The board shall direct the State Land Register to proceed toward the completion of such highest bidder's application. The money derived from such bids shall be added to the original deposit on each successful application. All cases of contest arising under the provisions of this Act from other causes than simultaneous applications shall be certified, together with all the facts in his possession relating thereto, by the State Land Register, to the district court in and for the county in which the lands in dispute are situated, and the Land Register shall, at the same time, notify the contestants, by registered mail, of the certification of their cause to the proper court. When a cause shall have been certified by the State Land Register to the district court for trial, it shall be the duty of the Clerk of the court in which the action is pending forthwith to notify the respective parties, and, within forty days after proof of service of notice of such certification, the party making the contest shall file and serve upon the adverse party a complaint setting forth the facts upon which he or she claims to be entitled to purchase the lands. The adverse party shall, within twenty days after the service of the complaint, file an answer setting forth the facts relied upon. In case of default, the court shall proceed to hear and determine the controversy as upon default in other cases. The notice, complaint and answer shall be served in the manner now provided by law for service of process in other cases. In case the party making the contest should neglect to file a complaint, as herein provided, the first applicant shall be entitled to a judgment of the court upon the papers certified by the State Land Register, decreeing him or her to be entitled to purchase said lands. In case of the rendition of judgment under the provisions of this section, the Clerk of the court shall immediately transmit to the State Land Register, certified, a copy of said judgment, together with a certified statement of all accrued costs of said contest in said court. All costs in contested cases shall be paid by the parties litigant, as the court or Judge may determine. Upon receiving the certificate of the Clerk of the court, or order of the board, as herein provided, the State Land Register shall proceed with the successful applicant, as if he or she alone had applied, and immediately cancel all other applications for the lands in question. It shall be the duty of the State Land Register to notify each unsuccessful applicant that his or her application has been canceled, and that the amount deposited thereon may be withdrawn from the state treasury, as provided in section five of this Act; *provided*, that the State Land Register may withhold from the amount so deposited by said unsuccessful applicant a sum sufficient to pay and satisfy the costs of the contest in the district court as herein provided, and the State Land Register is hereby directed to transmit to the Clerk of said court, taking his receipt therefor, the amount so withheld, and directing that the same shall be applied by said Clerk to the satisfaction of the costs adjudged against said unsuccessful applicant; *provided, further*, that if said unsuccessful applicant shall fail, for a period of thirty days after the rendition of the judgment by the district court, to make application for the withdrawal of the amount so deposited by him under the provisions of this Act, it shall be the duty of the State Land Register to make application for withdrawal

of the same, and out of said sum so withdrawn shall pay the costs, as herein provided, and remit any balance to said unsuccessful applicant. *As amended, Stats. 1887, 118; 1889, 120; 1891, 101; 1893, 59.*

UNDER THE DOCTRINE CONTROLLING WATER RIGHTS PRIOR TO THE ADOPTION OF THE ABOVE . STATUTE REFERENCE IS MADE TO THE FOLLOWING DECISIONS:

1. WATER RIGHTS, PRIOR APPROPRIATION. Right to running water on public lands of U.S. for purposes of irrigation can be acquired by prior appropriation as against parties not having the government title. *Barnes v. Sabron*, 10 Nev. 217.

REASONABLE USE OF WATER. The first appropriator is only entitled to as much water as is necessary to irrigate his land, and is bound, under the law, to make a reasonable use of it. What is a reasonable use depends upon the circumstances of each case. *Id.*

WATER COURSE, WHAT CONSTITUTES. *Id.*

PATENTS, WHEN SUBJECT TO WATER RIGHTS PREVIOUSLY ACQUIRED. *Id.*

CAPACITY OF DITCHES—APPROPRIATION FOR PARTICULAR PERIOD OF TIME. *Id.*

2. PRIORITY OF APPROPRIATION GIVES SUPERIOR RIGHT. When right not based on ownership of soil. *Lobdell v. Simpson*, 2 Nev. 274; *Ophir M. Co. v. Carpenter*, 4 Nev. 534.

3. RIGHT TO USE OF WATER AS DISTINCT FROM LAND. Running water, as long as it continues to flow in its natural channel, cannot be made the subject of private ownership except as a right incident to property in land; but a right may be acquired to its use by appropriation, which will be regarded and protected as property. *Dalton v. Bowker*, 8 Nev. 190.

4. AMOUNT OF WATER USED.—The amount of water to which the first appropriator is entitled must be limited to the amount actually applied to the purpose of irrigation. *Simpson v. Williams*, 18 Nev. 432.

5. DIVERSION OF WATER ON PUBLIC LAND CONFERS NO RIGHT AGAINST GOVERNMENT—RIGHT TO NATURAL FLOW OF WATER NOT AFFECTED BY QUESTION OF USE—RIGHTS OF RIPARIAN PROPRIETORS. *Vansickle v. Haines*, 7 Nev. 249.

6. MERE POSSESSOR OF PUBLIC LAND HAS NO RIPARIAN RIGHTS. *Lake v. Tolles*, 8 Nev. 236.

7. PERCOLATING WATER A PART OF THE SOIL—RIGHT OF OWNER OF LAND TO DIG FOR WATER IN IT. *Mosier v. Caldwell*, 7 Nev. 336.

8. ACTION FOR DIVERSION OF WATER—VINDICATION AND PRESERVATION OF A RIGHT. *Brown v. Ashley*, 16 Nev. 311.

9. PRIOR APPROPRIATION OF WATER gives the better right to running water upon the public lands to the extent of the appropriation. *Strait v. Brown*, 16 Nev. 317.

DISTINCTION BETWEEN RUNNING WATER AND WATER PERCOLATING THROUGH THE SOIL. *Id.*

10. PRESCRIPTION—DEFENSE OF—PROOF. In order to establish a right by prescription to the use of water, the claimant's use and enjoyment thereof, must have been uninterrupted, adverse, under claim of right and with the knowledge of the owner. *Authors v. Bryant*, 22 Nev. 242.

WATER—IRRIGATION—DECREE CONCERNING. No subject is perhaps so prolific of controversies as the right to the use of water for irrigation purposes by different claimants, and a decree concerning it should be as certain as the use of language can make it. *Id.*

11. EFFECT OF ACT OF CONGRESS OF JULY 26, 1866—COMMON LAW NOT APPLICABLE—PRIOR APPROPRIATION—REASONABLE USE OF WATER. (Vansickle v. Haines, 7 Nev. 249, overruled). Jones v. Adams, 19 Nev. 78; Reno S. Works v. Stevenson, 20 Nev. 269.
12. COMPLETION OF APPROPRIATION—LAW GIVES REASONABLE TIME FOR. Ophir M. Co. v. Carpenter, 4 Nev. 534; Simpson v. Williams, 18 Nev. 432; Irwin v. Strait, 18 Nev. 436.
13. FLOW OF WATER—RIGHTS OF UPPER AND LOWER LAND OWNERS—EASEMENT, SERVITUDE. Damage caused by natural flow is *damnum absque injuria*, not so when flow is caused by man. Boynton v. Longley, 19 Nev. 69.
14. FLOW OF SURFACE WATER. Easement not acquired. Blaisdell v. Stephens, 14 Nev. 17.
15. NOTICE OF AMOUNT OF WATER NEEDED. Estoppel. Brown v. Evans, 18 Nev. 141.
16. APPROPRIATION OF WATER BY TRESPASSER. Water does not pass with land. Smith v. Logan, 18 Nev. 149.
17. SUIT FOR DAMAGES AND INJUNCTION FOR DIVERSION OF WATER. Unnecessary to allege riparian ownership; prior appropriation sufficient. Jerrett v. Mahan, 20 Nev. 89.
18. WATER SUIT—DECREE ENJOINING WRONGFUL DIVERSION. Where the title to water has been obtained by prior appropriation, a decree enjoining one from wrongfully diverting it is not erroneous merely because the party so enjoined owns the land through which the water naturally flows. Ronnow v. Delmuc, 23 Nev. 30.
19. RIGHTS OF APPROPRIATORS, FIRST AND SUBSEQUENT—WASTEFUL USE OF WATER—POWER OF COURT TO REGULATE FUTURE USE. Roeder v. Stein, 23 Nev. 92.
20. RIGHTS OF SUBSEQUENT APPROPRIATORS AS AGAINST SUBSEQUENT APPROPRIATIONS OF FIRST APPROPRIATOR. Lobdell v. Simpson, 2 Nev. 274; Proctor v. Jennings, 6 Nev. 83.
21. APPROPRIATION CONVERSION AT DIFFERENT POINTS. Hobart v. Wicks, 15 Nev. 418.
22. MEASUREMENT OF WATER APPROPRIATED. To be made at point where least water is carried. Ophir S. M. Co. v. Carpenter, 6 Nev. 393.
23. ABANDONMENT OF WATER. Schulz v. Sweeney, 19 Nev. 359.

An Act to provide for the organization and government of irrigation and water storage districts, and to provide for the acquisition of water and other property, and for the distribution of water thereby for irrigation purposes.

Approved March 23, 1891, 106.

Irrigation District May Be Organized.

374. SECTION 1. Whenever a majority of the taxpayers, as shown by the last assessment roll, owning lands susceptible of irrigation from a common source, and by the same system of works, desire to provide for the irrigation of the same, they may propose the organization of an irrigation district under the provisions of this Act, and when so organized such district shall have the power conferred, or that may hereafter be conferred, by law upon such irrigation district.

Irrigation and Water Storage Districts—Petition to County Commissioners—Election to Be Held in Such Proposed District—Qualified Electors Only Entitled to Vote.

375. SEC. 2. A petition shall first be presented to the Board of County Commissioners of the county in which the lands, or the greater portion thereof, are situated, signed by the required number of freeholders of such proposed district, which petition shall set forth and particularly describe the proposed boundaries of such district, and shall pray that the same may be organized under the provisions of this Act. The petitioners must accompany the petition with a good and sufficient bond, to be approved by the said Board of County Commissioners, in double the amount of the probable cost of organizing such district, conditioned that the bondsmen will pay all said costs in case said organization shall not be effected. Such petition shall be presented at a regular meeting of said board, and shall be published for at least two weeks before the time at which the same is to be presented, in some newspaper printed and published in the county where said petition is presented, in case a newspaper is published in said county, which shall be designated by said board as the paper most likely to impart notice of the

hearing of said petition, and, in case no newspaper is published in said county, then by posting notices of such application in at least three public places within said proposed district, of the date of the hearing of said petition, which said notice shall state the time of the meeting of said board, when said petition will be heard and describe the territory to be embraced in such proposed district. When such petition is presented, the said Board of County Commissioners shall hear the same, and may adjourn such hearing from time to time, not exceeding four weeks in all; and on the final hearing may make such changes in the proposed boundaries as they find to be proper, and shall establish and define such boundaries; *provided*, that said board shall not modify said boundaries so as to except from the operation of this Act any territory within the boundaries of the district proposed by said petitioners which is susceptible of irrigation by the same system of works applicable to the other lands in such proposed district, nor shall any lands which will not, in the judgment of said board, be benefited by irrigation by said system be included within such district; *provided*, that any person whose lands are susceptible of irrigation from the same source shall, upon application of the owner to said board, be entitled to have such lands included in said district. Said board shall also make an order dividing said district into three divisions as nearly equal in size as may be practicable, which shall be numbered first, second and third, and one director shall be elected from each district. Said Board of County Commissioners shall then give notice of an election to be held in such proposed district, for the purpose of determining whether or not the same shall be organized under the provisions of this Act. Such notice shall describe the boundaries so established and shall designate the name of such proposed district, and said notice shall be published or posted, as hereinbefore prescribed, at least three weeks prior to such election, and if any portion of such proposed district lie within another county or counties, then said notice shall be published or posted within each of said counties in the manner hereinbefore prescribed. Such notice shall require the electors to cast ballots which shall contain the words: "Irrigation District—Yes," or "Irrigation District—No," or words equivalent thereto, and also the names of persons to be voted for to be members of the Board of Directors. No person shall be entitled to vote at any election to be held under the provisions of this Act unless he shall possess all the qualifications required of electors under the general election laws of this state, and whose name shall have been enrolled upon the registration books within said district at the last general election preceding such election, or whose name shall have been registered upon the books of registration within said district for the general election then next ensuing. *As amended, Stats. 1899, 51.*

Election, How Conducted—Duties County Commissioners—Powers and Duties of Board of Directors.

376. SEC. 3. Such election shall be conducted in accordance with the general election laws of the state; *provided*, that no particular form of ballot shall be required. The said Board of County Commissioners shall meet on the second Monday next succeeding such election, and proceed to canvass the votes cast thereat, and if, upon such canvass, it appear that at least two-thirds of all the votes cast are "Irrigation District—Yes," the said board shall, by an order entered on their minutes, declare such territory duly organized as an irrigation district, under the name and style theretofore designated, and shall declare the persons receiving, respectively, the highest number of votes for such several offices, to be duly elected to such offices. Said board shall cause a copy of such order, duly certified, to be immediately filed for record in the office of the County Recorder, of each county in which any portion of such lands are situated, and must also immediately forward a copy thereof to the Clerk of the Board of County Commissioners of each of the counties in which any portion of the district may lie; and no Board of County Commissioners of any county including any portions of such district shall, after the date of the organization of such

district, allow another district to be formed including any of the lands in such district, without the consent of the Board of Directors thereof; and from and after the date of such filing, the organization of such district shall be complete, and the officers thereof shall be entitled to enter immediately upon the duties of their respective offices, upon qualifying according to law, and shall hold such offices, respectively, until their successors are elected and qualified. For the purposes of the election above provided for, the said Board of County Commissioners must establish a convenient number of election precincts in said proposed district, and define the boundaries thereof, which said precincts may thereafter be changed by the Board of Directors of such district.

377. SEC. 4. An election shall be held in such district on the first Tuesday in April next succeeding its formation, and on the first Tuesday in April in each second year thereafter, at which three members of the Board of Directors for the district shall be elected. The three persons receiving the highest number of votes at such election shall be declared elected. Within ten days after receiving their certificates of election, hereinafter provided for, said officers shall take and subscribe the official oath and file the same in the office of the Board of Directors, and a copy thereof with the County Recorder of the county wherein the district is situated. Each member of the Board of Directors shall execute an official bond in the sum of twenty-five thousand dollars, which said bond shall be approved by the Judge of the district court for the county wherein said organization was effected, and shall be recorded in the office of the County Recorder of said county. Said bond shall be in the form prescribed by law for the official bonds of county officers. The County Treasurer of the county wherein said organization is effected shall be ex officio Treasurer of the district, and the County Assessor of said county shall be the ex officio Assessor of the district. The ex officio officers herein mentioned shall, in addition to their duties as county officers, perform all the duties which may devolve upon them as ex officio officers of the water districts which may be organized in their respective counties; *provided*, that where a district shall be so situate as to comprise portions of two or more counties, the Assessors of said counties shall make their district assessments as ex officio Assessors of the portions of the said district so situated, and shall turn their district assessment rolls over to the Treasurer of one of these said counties, who shall be designated and selected by a majority of the Board of Directors to act as ex officio Treasurer of said district. *As amended, Stats. 1899, 53.*

The counting of votes shall be continued without adjournment until all have been counted.

381. SEC. 8. As soon as all the votes are read off and counted a certificate shall be drawn up on each of the papers containing the poll list and tallies, or attached thereto, stating the number of votes each one voted for has received, and designating the office to fill which he was voted for, which number shall be written in figures and words at full length; each certificate shall be signed by the Clerk, the Judge, and the Inspector. One of said certificates, with the poll list and the tally paper to which it is attached, shall be retained by the Inspector and preserved by him at least six months. The ballots shall be strung upon a cord or thread by the Inspector, during the counting thereof, in the order in which they are entered on the tally list by the Clerks; and said ballots, together with the other of said certificates, with the poll list and tally paper to which it is attached, shall be sealed by the Inspector in the presence of the Judges and Clerks, and indorsed "Election returns of (naming the precinct) precinct," and be directed to the Secretary of the Board of Directors, and shall be immediately delivered by the Inspector, or by some other safe and responsible carrier designated by said Inspector, to said Secretary, and the ballots shall be kept unopened for at least six months, and if any person be of the opinion that the vote of any precinct has not been correctly counted, he may appear on the day appointed for the Board of Directors to open and canvass the returns, and demand a recount of the vote of the precinct that is so claimed to have been incorrectly counted.

Returns, How and When Canvassed.

382. SEC. 9. No list, tally paper or certificate returned from any election shall be set aside or rejected for want of form, if it can be satisfactorily understood. The Board of Directors must meet at its usual place of meeting, on the first Monday after each election, to canvass the returns. If, at the time of meeting, the returns from each precinct in the district in which the polls were opened have been received, the Board of Directors must then and there proceed to can-

In case of purchase the bonds of the district hereinafter provided for may be used at their par value in payment, and in case of condemnation the board shall proceed in the name of the district, under the provisions of an Act of the Legislature of the State of Nevada entitled "An Act to allow any person or persons to divert the water of any river or stream and run the same through any ditch or flume, and to provide for the right of way through the lands of others," approved March 3, 1866, and all Acts amendatory thereof or supplementary thereto. Said board may also construct the necessary dams, reservoirs and works for the collection of water for said district, and do any and every lawful act necessary to be done that sufficient water may be furnished to each land owner in said district for irrigation or other beneficial purposes. The use of all water required for the irrigation of the lands of any district formed under the provisions of this Act, together with the rights of way for canals and ditches, sites for reservoirs and all other property required in fully carrying out the provisions of this Act is hereby declared to be a public use, subject to the regulation and control of the state in the manner prescribed by law. *As amended, Stats. 1899, 54.*

be issued in the amount so determined. Notice of such election must be given by posting notices in three public places in each election precinct in said district for at least twenty days, and also by publication of such notice in some newspaper published in the county, if any newspaper be published therein, where the office of the Board of Directors of such district is kept, once a week for at least three successive weeks. At such election the ballots shall contain the words "Bonds,—Yes," or "Bonds—No," or words equivalent thereto. If a two-thirds majority votes "Bonds—Yes," the Board of Directors shall immediately cause bonds in said amount to be issued. Before making any sale the board shall, at a meeting, by resolution, declare its intention to sell a specified amount of the bonds, and the day and hour and place of such sale, and shall cause such resolution to be entered in the minutes, and notice of the sale to be given, by publication thereof, at least twenty days, in a daily newspaper published in each of the cities of San Francisco and Salt Lake, and in at least three daily newspapers published in the State of Nevada, to be designated by said board, and in any other newspaper which the said board, in its discretion, may deem advisable. At the time appointed the board shall open the proposals and award the purchase of the bonds to the highest bidder, and may reject all bids; but said board shall, in no event, sell any of the said bonds for less than ninety per cent of the face value thereof. The proceeds of such sales shall constitute a construction fund, for the purpose of carrying out the provisions of this Act.

The board shall fix the compensation and the length of time he shall serve, which shall be paid out of the treasury of the district. The compensation shall not exceed four dollars per day for each deputy for the time actually engaged, nor must any allowance be made but for work done between the first Monday in March and the first Monday in August in each year.

The time fixed for the meeting shall not be less than twenty nor more than thirty days from the first publication of the notice, and in the meantime the assessment book must remain in the office of the Secretary for the inspection of all persons interested.

Directors as a Board of Equalization.

394. SEC. 21. Upon the day specified in the notice required by the preceding section for the meeting, the Board of Directors, which is hereby constituted a

Board of Equalization for that purpose, shall meet and continue in session from day to day as long as may be necessary, not to exceed ten days, exclusive of Sundays, to hear and determine such objections to the valuation and assessment as may come before them, and the board may change the valuation as may be just. The Secretary of the Board shall be present during the sessions and note all changes made in the valuation of property, and in the names of the persons whose property is assessed, and within ten days after the close of the session, he shall have the total values, as finally equalized by the board, entered into columns and added.

Bonds, How Provided For—Duty of County Commissioners.

395. SEC. 22. The Board of Directors shall then levy an assessment sufficient to raise the annual interest on the outstanding bonds, and at the expiration of ten years after the issuing of bonds by the board, must increase said assessment for the ensuing ten years in the following percentage of the principal of the whole amount of bonds then outstanding, to wit: For the eleventh year, five per cent; for the twelfth year, six per cent; for the thirteenth year, seven per cent; for the fourteenth year, eight per cent; for the fifteenth year, nine per cent; for the sixteenth year, ten per cent; for the seventeenth year, eleven per cent; for the eighteenth year, thirteen per cent; for the nineteenth year, fifteen per cent; and for the twentieth year, a percentage sufficient to pay off such [said] bonds. The Secretary of the Board must compute and enter in a separate column of the assessment book the respective sums, in dollars and cents, to be paid as an assessment upon the property therein enumerated. When collected, the assessment shall be paid into the district treasury, and shall constitute a special fund, to be called the "Bond Fund of _____ Irrigation District." In case of the neglect or refusal of the Board of Directors to cause such assessment and levy to be made as in this Act provided, then the assessment of property made by the County Assessor and County Board of Equalization shall be adopted, and shall be the basis of assessment for the district, and the Board of County Commissioners of the county in which the office of the Board of Directors is situated shall cause an assessment roll for said district to be prepared, and shall make the levy required by this Act, in the same manner and with like effect as if the same had been made by said Board of Directors, and all expenses incident thereto shall be borne by such district. In case of the neglect or refusal of the Collector or Treasurer of the district to perform the duties imposed by law, then the Tax Collector and Treasurer of the county in which the office of the Board of Directors is situated must, respectively, perform such duties, and shall be accountable therefor upon their official bonds as in other cases.

Assessment a Lien on Real Property.

396. SEC. 23. The assessment upon real property is a lien against the property assessed, from and after the first Monday in March, for any year, and such lien is not removed until the assessments are paid or the property sold for the payment thereof.

Duties of Secretary and Collector.

397. SEC. 24. On or before the first day of November the Secretary must deliver the assessment book to the Collector of the district who shall, within twenty days publish a notice in a newspaper published in each of the counties comprising the district, if there be lands situated in more than one county in such district (if there be any newspaper published therein, and if not, then by posting notices as hereinbefore provided), that said assessments are due and payable and will become delinquent at six o'clock p. m. on the last Monday of December next thereafter; and that unless paid prior thereto ten per cent will be added to the amount thereof, and also the time and place at which payments of assessments may be made. The notice shall also specify a time and place within each election precinct of the district, when and where the Collector will attend to

receive payment of assessments, and shall be published or posted as hereinbefore provided, for at least fifteen days prior to such date in each precinct in said district. The Collector must attend at the time and place specified in the notice to receive assessments, which must be paid in lawful money of the United States. He must mark the date of payment of any assessment in the assessment book opposite the name of the person paying, and give a receipt to such person, specifying the amount of the assessment and the amount paid, with a description of the property assessed. On the last Monday of December, at six o'clock p. m. of said day, all unpaid assessments are delinquent, and thereafter the Collector must collect thereon, for the use of the district, an addition of ten per cent.

Delinquent List to Be Published.

398. SEC. 25. On or before the first day of February, the Collector must publish the delinquent list, which must contain the names of the persons and description of the property delinquent, and the amount of the assessments and costs due opposite each name and description. He must append to and publish with the delinquent list a notice that unless the assessments delinquent, together with the costs and percentage, are paid, the real property, upon which such assessments are a lien, will be sold at public auction. The publication must be made once a week for three successive weeks, in a newspaper published in each of the counties comprised in the district (if any newspaper be published therein, if not, by posting notices in three public places in each election precinct where property is to be sold, one of which notices shall be upon the property which is offered for sale). The publication or posting must designate the time and place of sale. The time of sale must not be less than twenty-one nor more than twenty-eight days from the first publication or posting of the notices, and the place must be at some point designated by the Collector.

Duties of Collector.

399. SEC. 26. The Collector must collect, in addition to the assessments due on the delinquent list and ten per cent added, fifty cents on each lot, piece or tract of land separately assessed, one half of which must go to the district and the other to the Collector for preparing the list. On the day fixed for the sale, or some subsequent day to which he may have postponed it, of which he must give notice, the Collector, between the hours of 10 o'clock a. m. and 3 o'clock p. m., must commence the sale of the property advertised, commencing at the head of the list and continuing alphabetically, or in the numerical order of the lots, or blocks, until completed. He may postpone the day of commencing the sales, or the sale, from day to day, but the sale must be completed within three weeks from the day first fixed.

Property Sold, How and When—Conveyances Made—Price Fixed.

400. SEC. 27. The owner or person in possession of any real estate offered for sale for assessments due thereon may designate, in writing, to the Collector, prior to the sale, what portion of the property he wishes sold, if less than the whole; but if the owner or possessor does not, then the Collector may designate it, and the person who will take the least quantity of land, or in case an undivided interest is assessed, then the smallest portion of the interest, and pay the assessment and costs due, including one dollar for the publication of each name and two dollars to the Collector for the duplicate certificate of sale, is the purchaser. If the purchaser does not pay the assessments and costs before ten o'clock a. m. the following day, the property, on the next sale day, must be resold for the assessments and costs. But in case there is no purchaser, in good faith, for the same on the first day that the property is offered for sale, then, when the property is offered thereafter for sale, and there is no purchaser, in good faith for the same, the whole amount of the property assessed shall be struck off to the irrigation district within which such lands are situated as the purchaser, and the duplicate certificate delivered to the Treasurer of the district and filed by him in

his office. No charge shall be made for the duplicate certificate where the district is the purchaser, and, in such case, the Collector shall make an entry, "Sold to the district," and he shall be credited with the amount thereof in his settlement. An irrigation district, as a purchaser at such sale, shall be entitled to the same rights as a private purchaser, and the title so acquired by the district, subject to the right of redemption herein provided, may be conveyed by deed, executed and acknowledged by the President and Secretary of said board; *provided*, that authority to so convey must be conferred by resolution of the board, entered on its minutes, fixing the price at which such sale may be made, and such conveyance shall not be made for a less sum than the reasonable market value of such property. After receiving the amount of assessments and costs, the Collector must make out in duplicate a certificate, dated on the day of sale, stating (when known) the names of the persons assessed, a description of the lands sold, the amount paid therefor, that it was sold for assessments, giving the amount and year of the assessment, and specifying the time when the purchaser will be entitled to a deed. The certificate must be signed by the Collector, and one copy delivered to the purchaser and the other filed in the office of the County Recorder of the county in which the land is situated.

Assessment Lien.

401. SEC. 28. The Collector, before delivering any certificate, must in a book enter a description of the land sold, corresponding with the description in the certificate, the date of the sale, purchasers' names, and amounts paid, regularly number [numbered], the description on the margin of the book, and put a corresponding number on each certificate. Such book must be open to public inspection, without fee, during office hours when not in actual use. On filing the certificate with such County Recorder, the lien of the assessments vests in the purchaser, and is only divested by the payment to him, or to the Collector for his use, of the purchase money, and two per cent per month from the day of the sale until redemption.

Redemption, How and When Made.

402. SEC. 29. Redemption of the property sold may be made by the owner, or party in interest, within six months from the day of the purchase. Redemption must be made in lawful money of the United States, and when made to the Collector he must credit the amount paid to the person named in the certificate, and pay it on demand to the person or his assignees. In each report the Collector makes to the Board of Directors he must name the person entitled to redemption money, and the amount due to each. On receiving the certificate of sale the County Recorder must file it and make an entry in a book similar to that required of the Collector. On the presentation of the receipt of the person named in the certificate, or of the Collector for his use, of the total amount of the redemption money, the Recorder must mark the word "Redeemed," the date, and by whom redeemed on the certificate and on the margin of the book where the entry of the certificate is made. If the property is not redeemed within six months from the date of the sale, the Collector, or his successor in office, must make to the purchaser, or his assignee, a deed of the property, reciting in the deed substantially the matters contained in the certificate, and that no person redeemed the property during the time allowed by the law for its redemption. The Collector shall receive from the purchaser two dollars for making such deed and pay the same into the treasury for the use of the district.

Deed Shows What—Deed Conveys What.

403. SEC. 30. The matter recited in the certificate of sale must be recited in the deed, and such deed duly acknowledged or proved is *prima facie* evidence that:

First—The property was assessed as required by law.

Second—That the property was equalized as required by law.

Third—That the assessments were levied in accordance with law.

Fourth—The assessments were not paid.

Fifth—At a proper time and place the property was sold as prescribed by law, and by the proper officer.

Sixth—The property was not redeemed.

Seventh—The person who executed the deed was the proper officer. Such deed, duly acknowledged or proved, is (except as against actual fraud) conclusive evidence of the regularity of all the proceedings from the assessment by the Assessor, inclusive, up to the execution of the deed. The deed conveys to the grantee the absolute title to the lands described therein free of all incumbrances, except when the land is owned by the United States or this state, in which case it is *prima facie* evidence of the right of possession.

Delinquent List Prima Facie Evidence.

404. SEC. 31. The assessment book, or delinquent list, or a copy thereof, certified by the Collector, showing unpaid assessments against any person or property, is *prima facie* evidence of the assessment, the property assessed, the delinquency, the amount of assessment due and unpaid, and that all the forms of law in relation to the assessment and levy of such assessments have been complied with.

Mistake Not to Affect.

405. SEC. 32. When land is sold for assessments, correctly imposed, as the property of a particular person, no misnomer of the owner, or supposed owner, or other mistake relating to the ownership thereof, affects the sale or renders it void or voidable.

Collector to Settle.

406. SEC. 33. On the first Monday in each month the Collector must settle with the Secretary of the Board for all moneys collected for assessments, and pay the same over to the Treasurer, and within six days thereafter he must deliver to and file in the office of the Secretary a statement, under oath, showing:

First—An account of all his transactions and receipts since his last settlement.

Second—That all money collected by him, as Collector, has been paid.

The Collector shall file in the office of the Secretary, on said first Monday in each month, the receipt of the Treasurer for the money so paid. The money so collected, together with surplus moneys collected for rents, tolls and from other sources as provided for in section thirty-seven of this Act, shall constitute a bond fund to be used for the payment of the bonds and the interest thereon.

Coupons, How Paid—Bonds, How Paid.

407. SEC. 34. Upon the presentation of the coupons due, to the Treasurer, he shall pay the same from said bond fund. Whenever, after ten years from the issuance of said bonds, said fund shall amount to the sum of ten thousand dollars, the Board of Directors may direct the Treasurer to pay such an amount of said bonds not due as the money in said fund will redeem, at the lowest value at which they may be offered for liquidation, after advertising for at least four weeks in some daily newspaper in each of the cities hereinbefore named, and in any other newspaper which said board may deem advisable, for sealed proposals for the redemption of said bonds. Said proposals shall be opened by the board in open meeting, at a time to be named in the notice, and the lowest bid for said bonds must be accepted; *provided*, that no bond shall be redeemed at a rate above par. In case the bids are equal, the lowest numbered bond shall have the preference. In case none of the holders of said bonds shall desire to have the same redeemed, as herein provided for, said money shall be invested by the Treasurer, under the direction of the board, in United States gold-bearing bonds or the bonds of the state, which shall be kept in said "Bond Fund," and may be used to redeem said district bonds whenever the holders thereof may desire.

Advertising for Work—Contracts Awarded.

408. SEC. 35. After adopting a plan of said canal or canals, storage reservoirs and works, the Board of Directors shall give notice, by publication thereof, not less than twenty days in one newspaper published in each of the counties composing the district, provided a newspaper is published therein, and in such other newspapers as they may deem advisable, calling for bids for the construction of said work, or of any portion thereof. If less than the whole work is advertised, then the portion so advertised must be particularly described in such notice. Said notice shall set forth that plans and specifications can be seen at the office of the board, and that the board will receive sealed proposals therefor, and that the contract will be let to the lowest responsible bidder, stating the time and place for opening said proposals, which at the time and place appointed shall be opened in public, and as soon as convenient thereafter the board shall let said work, either in portions or as a whole, to the lowest responsible bidder, or they may reject any or all bids and readvertise for proposals, or may proceed to construct the work, under their own superintendence, with the labor of the residents of the districts. Contracts for the purchase of material shall be awarded to the lowest responsible bidder. Any person or persons to whom a contract may be awarded shall enter into a bond, with good and sufficient sureties, to be approved by the board, payable to said district for its use, for double the amount of the contract price, conditioned for the faithful performance of said contract. The work shall be done under the direction and to the satisfaction of the engineer, and be approved by the board.

Claims, How Allowed and Paid—Duties of District Officers.

409. SEC. 36. No claim shall be paid by the Treasurer until allowed by the board, and only upon a warrant signed by the President and countersigned by the Secretary; *provided*, that the board may draw from time to time from the construction fund and deposit in the county treasury of the county where the office of the board is situated, any sum in excess of the sum of twenty-five thousand dollars. The County Treasurer of said county is hereby authorized and required to receive and receipt for the same, and place the same to the credit of the said district, and he shall be responsible upon his official bond for the safe keeping and disbursement of the same, as in this Act provided. He shall pay out the same, or any portion thereof, to the Treasurer of the district only, and only upon the order of the board, signed by the President and attested by the Secretary. The County Treasurer shall report in writing on the second Monday in each month the amount of money in the county treasury, the amount of receipts for the month preceding, and the amount or amounts paid out; said report shall be verified and filed with the Secretary of the Board of Directors. The District Treasurer shall also report to the board in writing on the first Monday in each month the amount of money in the district treasury, the amount of receipts for the month preceding, and the amount and items of expenditures, and said report shall be verified and filed with the Secretary of the Board.

Expenses, How Paid—How to Raise Funds—Disposition of Surplus.

410. SEC. 37. The costs and expenses of purchasing and acquiring property and constructing the works and improvements herein provided for shall be wholly paid out of the construction fund. For the purpose of defraying the expenses of the organization of the district, and of the care, operation, management, repair and improvement of such portions of canals, flumes, reservoirs and works as are completed and in use, including salaries of officers and employees, the board may either fix rates of tolls and charges, and collect the same from all persons using water from said canals and works for irrigation and other purposes, or they may provide for the payment of said expenditures by a levy of assessments therefor or by both said tolls and assessments; if by the latter method, such levy shall be made on the completion and equalization of the assessment roll, and the board shall have the same powers and functions for the

purposes of said levy as are now possessed by the Boards of County Commissioners in this state. The procedure for the collection of assessments by such levy shall in all respects conform to the provisions of this Act relating to the payment of the principal and interest of the bonds herein provided for, and any surplus remaining from the sources as provided for in this section, shall be placed in the bond fund at such times as the Board of Directors may determine.

Works Constructed, Where and How—Right of Way.

411. SEC. 38. The Board of Directors shall have the power to construct the said works across any stream of water, water course, street, avenue, highway, railway, canal, ditch or flume, which the route of said canal or canals, ditches or flumes may intersect or cross, in such manner as to afford security for life and property, but said board shall restore the same, when so crossed or intersected, to its former state, as near as may be, or in a sufficient manner not to have impaired, unnecessarily, its usefulness; and every company whose railroad shall be intersected or crossed by said works shall unite with said board in forming said intersections and crossings, and grant the privileges aforesaid, and if such railroad company and said board, and the owners and controllers of the said property, thing, or franchise so to be crossed, cannot agree upon the amount to be paid therefor, or the points or the manner of said crossings or intersections, the same shall be ascertained and determined in all respects, as is herein provided, in respect to taking of lands. The right of way is hereby given, dedicated and set apart to locate, construct and maintain said works over and through any of the said lands which are now, or may be, the property of this state; and also there is given, dedicated and set apart, for the uses and purposes aforesaid, all the waters and water rights belonging to this state within the district.

Pay of Board—Board to Fix Compensation of Other Officers—Claims, How Made—Question of Salaries to Be Submitted to Electors.

412. SEC. 39. The Board of Directors shall receive three dollars per day each for the time actually and necessarily spent in attending meetings of the board, and actual and necessary expenses paid out while engaged in official business under the order of the board. The board shall fix the compensation to be paid to other officers and employees whose compensation is not herein fixed, which shall be paid out of the district treasury; but no claim for services shall be paid to any officer, employee or other person, under the provisions of this Act, until the same shall be properly and minutely itemized and verified by the oath of the claimant that the services have been by him performed, giving the date of such performance, the time actually spent, and, if other than a member of the Board of Directors, that the service were performed by the order of the Board of Directors, giving the date of such order, and that such claim has not been theretofore presented, and that no portion thereof has been paid. Said claim shall be filed with the Secretary of the Board, and shall be audited and allowed upon the first Monday in each month. In case of the rejection, by the board, of the said claim, either in whole or in part, the same shall not be again presented, but the party feeling aggrieved thereby may pursue such a course as he might pursue under like circumstances if the claim were held against the county. If, at any time, freeholders to the number of fifty or a majority in any district, shall petition said board to submit a schedule of salaries for the officers to be paid under this Act, fixing the amount of said salaries, it shall be the duty of such Board of Directors, at the next election, to submit to the voters of the district such schedule, to be voted for by them in the same manner as other questions are submitted under the provisions hereof. If it shall appear, from the said election returns, that the majority of the electors in said district cast his [their] ballots in favor of such schedule, the same shall be thereafter established as the rate of compensation for the officers in said district.

No Officer to Be Interested in Contract.

413. SEC. 40. No Director or any other officer named in this Act shall in any

manner be interested, directly or indirectly, in any contract awarded or to be awarded by the board, or in the profits to be derived therefrom, and for any violation of this provision, such officer shall be deemed guilty of a misdemeanor, and upon conviction thereof, he shall forfeit his office, and he shall be punished by a fine not exceeding five hundred dollars, or by imprisonment in the county jail not exceeding six months, or by both such fine and imprisonment.

Special Election to Levy Assessments—Rate of Assessment, How Ascertained and Collected.

414. SEC. 41. The Board of Directors may, at any time when in their judgment it may be advisable, call a special election, and submit to the qualified electors of the district the question, whether or not a special assessment shall be levied for the purpose of raising money to be applied to any of the purposes provided in this Act. The notice must specify the amount of money proposed to be raised, and the purpose for which it is intended to be used. At such election the ballots shall contain the words: "Assessment—Yes," or "Assessment—No." If two-thirds or more of the votes cast are "Assessment—Yes," the board shall, at the time of the annual levy hereunder, levy an assessment sufficient to raise the amount voted. The rate of assessment shall be ascertained by deducting fifteen per cent for anticipated delinquencies from the aggregate assessed value of the property in the district as it appears in the assessment roll for the current year, and then dividing the sum voted by the remainder of such aggregate assessed value. The assessments so levied shall be computed and entered on the assessment roll by the Secretary of the Board, and collected at the same time and in the same manner as other assessments provided for herein, and when collected shall be paid into the district treasury for the purposes specified in the notice of such special election.

No Debt to Be Incurred.

415. SEC. 42. The Board of Directors, or other officers of the district, shall have no power to incur any debt or liability whatever, either by issuing bonds or otherwise, in excess of the express provisions of this Act, and any debt or liability incurred in excess of such express provisions shall be and remain absolutely void.

How Water May Be Distributed.

416. SEC. 43. In case the volume of water in any stream or river shall not be sufficient to supply the continual wants of the entire country through which it passes and susceptible of irrigation therefrom, then it shall be the duty of the Water Commissioners, as hereinafter provided, to apportion in just and equitable proportion a certain amount of said water, upon certain or alternate weekly days, to different localities as they may in their judgment think best for the interest of all parties concerned, and with due regard to the legal and equitable rights of all, or in lieu of the division of water by time, may, if they shall deem such a course for the best interests of water claimants, divide the volume of water between different localities in such a manner as in their judgment would best subserve the best interests of the people of the locality or district. Said Water Commissioners shall consist of the Chairman of the Board of Directors of each of the districts affected.

Special Proceeding in Court.

417. SEC. 44. The Board of Directors of an irrigation district organized under the provisions of this Act may commence a special proceeding, in and by which the proceedings of said board and of said district providing for and authorizing the issue and sale of bonds of said district, whether said bond, or any of them, have or have not then been sold, may be judicially examined, approved, and confirmed.

Board of Directors May Institute Proceedings.

418. SEC. 45. The Board of Directors of the irrigation district shall file in the district court of the county in which the lands of the district, or some

portion thereof, are situated, a petition praying, in effect, that the proceedings aforesaid may be examined, approved, and confirmed by the court. The petition shall state the facts showing the proceedings had for the issue and sale of such bonds, and shall state generally that the irrigation district was duly organized, and that the first Board of Directors was duly elected; but the petition need not state the facts showing such organization of the district or the election of such first Board of Directors.

Duties of Clerk of Court—Interested Parties May Answer, How.

419. SEC. 46. The court shall fix the time for the hearing of said petition, and shall order the Clerk of the court to give and publish a notice of the filing of said petition. The notice shall be given and published in the same manner and for the same length of time that the notice of a special election, provided for by this Act, to determine whether the bonds of said district shall be issued, is required to be given and published. The notice shall state the time and place fixed for hearing of the petition and the prayer of the petition, and that any person interested in the organization of said district, or in the proceedings for the issue or sale of said bonds, may, on or before the day fixed for the hearing of said petition, demur to or answer said petition. The petition may be referred to and described in said notice as the petition of the Board of Directors of ----- Irrigation District (giving its name), praying that the proceedings for the issue and sale of the bonds of said district may be examined, approved and confirmed by said court.

Civil Practice Act Applicable—Motion for New Trial.

420. SEC. 47. Any person interested in said district, or in the issue or sale of said bonds, may demur to or answer said petition. The provisions of the Civil Practice Act of this state respecting the demurrer and the answer to a verified complaint shall be applicable to a demurrer and answer to said petition. The persons so demurring to or answering said petition shall be the defendants to said special proceeding and the Board of Directors shall be the plaintiff. Every material statement of the petition not specifically controverted by the answer must, for [the] purpose of said special proceeding, be taken as true, and each person failing to answer the petition shall be deemed to admit as true all the material statements contained therein. The rules of pleading and practice provided by the Civil Practice Act which are not inconsistent with the provisions of this Act are applicable to the special proceeding herein provided for. A motion for a new trial must be made upon the minutes of the court. The order granting a new trial must specify the issue to be reexamined on such new trial, and the findings of the court upon the other issues shall not be affected by such order granting a new trial.

Powers of the Court—Costs, How Taxed.

421. SEC. 48. Upon the hearing of such special proceedings, the court shall have power and jurisdiction to examine and determine the legality and validity of, and approve and confirm, each and all of the proceedings for the organization of said district under the provisions of this Act, from and including the petition for the organization of the district, and all other proceedings which may affect the legality or validity of said bond, and the order for the sale and the sale thereof. The court, in inquiry [inquiring] into the regularity, legality or correctness of said proceedings, must disregard any error, irregularity or omission which does not affect the substantial rights of the parties to said special proceedings, and it may approve and confirm such proceedings in part, and disprove [disapprove] and declare illegal or invalid other and subsequent parts of the proceedings. The courts shall find and determine whether the notice of the filing of said petition has been duly given and published for the time and in the manner in this Act prescribed. The costs of the special proceedings may be allowed and apportioned between all of the parties, in the discretion of the court.

Appeal, When Taken.

422. SEC. 49. An appeal from an order granting or refusing a new trial, or from the judgment, must be taken by the party aggrieved within ten days after the entry of said order or said judgment.

Not to Repeal Acts or Modify Rights.

423. SEC. 50. None of the provisions of this Act shall be construed as repealing or in anywise modifying the provisions of any other Act relating to the subject of irrigation or Water Commissioners. Nothing herein contained shall be deemed to authorize any person or persons to divert the waters of any river, creek, stream, canal or ditch from its channel to the detriment of any person or persons having any interest in such river, creek, stream, canal or ditch, or the waters therein, except that the surplus flood waters of any stream or streams may be stored and used under the provisions of this Act.

Approved March 9, 1899, 64.

Water Stored for Irrigation May Be Reclaimed.

424. SECTION 1. Any water stored for irrigation or other beneficial purposes may be turned into the channel of any natural stream or water course, and mingled with its waters, and then be reclaimed, but, in reclaiming it, water already appropriated by others shall not be diminished in quantity.

Such certificate shall be accompanied with a plat of the proposed ditch or flume, and shall be recorded in the office of the County Recorder of the county or counties within or through which such ditch or flume is proposed to be located; and the record of such certificate and plat shall give constructive notice to all persons of the matters therein contained. The work of constructing such ditch or flume shall be commenced within thirty days of the time of making the certificate above mentioned, and shall be continued with all reasonable dispatch until completed.

Right Conferred to Enter and Appropriate Private Lands—Compensation, How Made—Duty of Appraisers—Appeal.

426. SEC. 2. Any person or persons proposing to construct a ditch or flume, under the provisions of this Act, shall have the right to enter upon private lands for the purpose of examining and surveying the same; and where such lands cannot be obtained by the consent of the owner or owners thereof, so much of the same as may be necessary for the construction of said ditch or flume, may be appropriated by said person or persons, after making compensation therefor, as follows: Said person or persons shall select one appraiser, and said owner or

owners shall select one, and the two so selected shall select a third. In case the owner or owners shall from any cause fail, for the period of five days, to select an appraiser, as hereinbefore provided, then it shall be the duty of the appraiser selected by the person or persons proposing to construct said ditch or flume to select a second appraiser, and the two so selected shall select a third; and in either case the three selected shall, within five days after their selection, meet and appraise the lands sought to be appropriated, after having been first duly sworn by some officer entitled to administer oaths, to make a true appraisal thereof, according to the best of their knowledge and ability. For condemnation of land, see Secs. 3918-3930.

SECTION CONSTRUED. *Barnes v. Sabron*, 10 Nev. 217.

513. SEC. 4. When the wife is a resident of this state, the filing for record of the inventory of her separate property in the office of the Recorder of the county in which she resides is notice of her title to the same, except as to any real estate situate in another county; and as to such real estate, the filing for record of the inventory thereof, in the office of the Recorder of the county wherein the same is situate, is notice of her title thereto. When the wife is not a resident of this state, the filing for record of the inventory of her separate property in the office of the Recorder of the county wherein any portion of such property, real or personal, included in the inventory is situate, located, or used, is notice of her title as to all such property situate, located, or used in such county.

Failure to File, Effect Of.

514. SEC. 5. When the wife is a resident of this state, the failure to file for record an inventory of her separate property in the office of the Recorder of the county in which she resides, or the omission from the inventory, filed for record in such office, of any part of such property, except as to real estate situate in another county, is prima facie evidence, as between the wife and purchasers in good faith and for a valuable consideration from the husband, that the property of which no inventory has been so filed, or which has been omitted from the inventory, is not the separate property of the wife; and as to any real estate situate in another county, the failure to file for record an inventory thereof in the office of the Recorder of the county wherein the same is situate, or the omission from the inventory filed for record in such office, of any part of such real estate, is prima facie evidence, as between the wife and such purchasers as aforesaid, that such real estate of which no inventory has been so filed, or which has been omitted from the inventory, is not her separate property. When

the wife is not a resident of this state, the failure to file for record an inventory of her separate property in the office of the Recorder of the county wherein any portion of such property is situate, located, or used, or the omission from the inventory filed in such office, of any part of such property, is, as to all such property situate, located, or used in that county, of which no inventory has been so filed, or which has been omitted from the inventory, *prima facie* evidence, as between the wife and such purchasers as aforesaid, that the same is not her separate property.

CONVEYANCE BY ABANDONED WIFE, HUSBAND MUST JOIN. The right of married women to alienate land in this state, whether their separate estate or community property, does not depend upon the common law, but upon our statutes; so that a wife's deed or mortgage, without her husband's joining in it, though he has abandoned her for years, is inoperative and void. *Id.*

519. SEC. 10. Upon the death of the wife the entire community property belongs, without administration, to the surviving husband, except that in case the husband shall have abandoned his wife and lived separate and apart from her without such cause as would have entitled him to a divorce, the half of the community property subject to the payment of its equal share of the debts chargeable to the estate owned in community by the husband and wife, is at her testamentary disposition in the same manner as her separate property, and in the absence of such disposition goes to her descendants equally, if such descendants are in the same degree of kindred to the decedent; otherwise, according to the right of representation; and in the absence of both such disposition and such descendants, goes to her other heirs at law, exclusive of her husband.

In case of the dissolution of the community by the death of the husband, the entire community property is equally subject to his debts, the family allowance and charges and expense of administration; *provided*, however, that if in the absence of said testamentary disposition the surviving wife and children, and in the absence of such children the wife shall pay or cause to be paid all indebtedness legally due from said estate, or secure the payment of the same to the satisfaction of the creditors of said estate, then and in such case the said community property shall not be subject to administration. *As amended, Stats. 1881, 103; 1883, 16.*

Division of Property in Case of Divorce.

521. SEC. 12. In case of the dissolution of the marriage by decree of any court of competent jurisdiction, the community property must be equally divided between the parties, and the court granting the decree must make such order for the division of the community property, or the sale and equal distribution of the proceeds thereof, as the nature of the case may require; *provided*, that when the decree of divorce is rendered on the ground of adultery or extreme cruelty, the party found guilty thereof is only entitled to such portion of the community property as the court granting the decree may, in its discretion, from the facts in the case, deem just and allow; and such allowance shall be subject to revision on appeal in all respects, including the exercise of discretion, by the court below.

An Act to authorize married women to transact business in their own names as sole traders.

Approved February 6, 1867, 49.

Right to Transact Business.

545. SECTION 1. Married women shall have the right to carry on and transact business under their own name, and on their own account, by complying with the regulations prescribed in this Act.

Applicants to Give Notice—Hearing of Application—Order.

546. SEC. 2. Any married woman residing within this state, desirous to avail herself of the benefit of this Act, shall give notice thereof, by advertising in some public newspaper published in the county in which she has resided, for four successive weeks preceding such application; *provided*, if no newspaper be published in said county, said publication shall be made by posting advertisements in three of the most public places in said county, four weeks prior to the day of application. Such notice shall set forth that it is her intention to make application to the district court of said county, on the day therein named, for an order of said court permitting her to carry on business in her own name and on her own account; and it shall specially set forth the nature of the business to be carried on. On the day named in the notice, or at such future time as the court may appoint, on filing proof of publication, the court shall proceed to examine the applicant, on oath, as to the reasons which induce her to make the application; and if it appear to the court that a proper case exists, it shall make an order, which shall be entered on the minutes, that the applicant be authorized

and empowered to carry on, in her own name and on her own account, the business, trade, profession, or art named in the notice; but the insolvency of the husband, apart from other causes tending to prevent his supporting his family, shall not be deemed to be sufficient cause for granting this application. Any creditor of the husband may oppose such application, and may show that it is made for the purpose of defrauding such creditor, and preventing him from collecting his debt, or will occasion such result; and if it shall so appear to the court, the application shall be denied. On the hearing, witness may be examined on behalf of either party. Before making the order, the court or Judge shall administer to the applicant the following oath:

So help me God."

A certified copy of such order, with the said oath indorsed thereon, shall be recorded in the office of the Recorder of the county where the business is to be carried on, in a book to be kept for such purpose.

But nothing contained in this Act shall be deemed to authorize a married woman to carry on business in her own name when the same is managed or superintended by her husband.

Appraisalment When Value Exceeds Five Thousand Dollars—Excess to Be Sold—Entire Premises to Be Sold, When.

552. **SEC. 3.** Whenever execution has been issued against the property of a party claiming said property as a homestead, and the creditor in such judgment shall make oath before the Judge of the district court of the county in which such premises are situated, that the cash value of such premises exceeds, to the best of the creditor's information and belief, the sum of five thousand dollars, it shall be the duty of such Judge, upon notice to the debtor, to appoint three disinterested and competent persons as appraisers to estimate and report as to the value of such premises, and if the same exceeds said sum, whether they can be divided so as to leave the premises amounting to the homestead exemption without material injury. If it appear, upon such report, to the satisfaction of the Judge, that the premises can be thus divided, he shall order the excess to be sold under execution. If it appear that the premises cannot be thus divided, and the value thereof exceeds the exemption allowed by this Act, he shall order the entire premises to be sold, and out of the proceeds the sum of five thousand dollars to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution; *provided*, that no bid shall be received by the officer making the sale under five thousand dollars; and *provided, further*, that when

the execution is against the husband, whose wife is living, the Judge may, in his direction, direct the five thousand dollars to be deposited in court, to be paid out only upon the joint receipt of the husband and wife, and it shall possess all the protection against legal process and voluntary disposition of the husband as were the original homestead premises.

1. HOMESTEAD LAW CONSTRUED—JOINT TENANCY. In construing the homestead law of this state: *Held*, that when a declaration of homestead is filed, the property is held by the husband and wife as joint tenants, and that upon the death of either the homestead property vests absolutely in the survivor. *Smith v. WHEN NO DECLARATION IS FILED. Guardians.

559. SECTION 1. When necessary or convenient, guardians of the person and estate or either, of minors, who are inhabitants of, or reside in the county wherein application may be made; or minors who being now residents of the state, have any estate in such county, may be appointed as herein provided.

Petition to Be Filed in Relation to a Minor.

560. SEC. 2. To secure the appointment of a guardian, any relative of or any person interested in or befriending a minor, may file in the Clerk's office of the district court of the proper county a petition setting forth the necessary facts, and praying for the appointment of some designated person or persons as guardian or guardians. Upon such petition being filed, the Clerk shall give notice of the hearing thereof by posting in three public places in the county, one of which shall be at the front door of the court house thereof, a notice containing the name or names of the minor or minors, the party petitioning, the object, and the time and place for the hearing, which shall not be later than ten days after such posting. The party petitioning shall also cause notice to be served upon any person in whose custody or care such minor or minors may be; *provided*, if any person shall be nominated guardian by will, the court may, on the probate of such will, or at any time thereafter, appoint such person or persons guardian without any petition or notice.

1. **APPOINTMENT OF GUARDIAN—INTEREST OF MINOR.** In the appointment of a guardian the interest of the minor is the paramount consideration. The parental request is entitled to great weight and ought to prevail unless good reason to the contrary be shown. *Badenhoof v. Johnson*, 11 Nev. 87.

How Made. The District Judge has no authority to appoint any person guardian of the person or estate of a minor except upon a written petition in his behalf and after notice of his application. *Id.*

If a minor is above the age of fourteen years, he or she may nominate his or her own guardian, who, if approved by the Judge, shall be appointed accordingly, but if the guardian so nominated by the minor should not be approved by the Judge, or if the minor shall reside out of the state or is not fourteen years of age, the Judge may nominate and appoint the guardian.

Bond Required.

565. SEC. 7. Before the order appointing any person guardian under this Act shall take effect, and before letters shall issue, the person or persons so appointed shall take and subscribe the official oath, to be endorsed on the letters, and shall give bond to the minor or minors in such sum as the court may order, with at least two sufficient sureties to be approved by the court or Judge, and conditioned that the guardian shall faithfully execute the duties of his or her trust according to law; and the following conditions shall be deemed to form a part of such bond without being expressed therein:

Conditions Prescribed.

First—To make a full and true inventory of all the estate, real and personal, of the ward, and have the same appraised by three disinterested persons, to be appointed by the court or Judge, and to return and file in the Clerk's office, within twenty days after qualifying, such inventory and appraisement under oath.

Provided, if a person is appointed in a will to be guardian without bonds, the court may direct letters to issue to such on taking and subscribing the oath of office.

GUARDIAN'S BOND—TECHNICAL DEFECTS IN TO BE IGNORED. There is wisdom in the rule, and it is of the highest importance, that a guardian's bond, though inartistically drawn or slightly defective, is to be held sufficient to bind the obligors. The law regards not the form but the substance of such an obligation. *Deegan v. Deegan*, 22 Nev. 185.

JOINT INSTEAD OF SEVERAL AS TO OBLIGES—CONVERSION OF FUNDS OF WARD BY GUARDIAN—LIABILITY OF BONDSMEN. *Id.*

Insufficiency of Bond.

566. SEC. 8. Whenever any guardian's bond shall become insufficient by reason of the death, insolvency or removal from the state of any surety or sureties, it shall be the duty of the guardian to give further security, and he may be ordered by the court to do so within a given time, whenever the court shall be satisfied the bond has become insufficient. To this end, whenever the District Judge shall be satisfied that the matter requires investigation he shall direct the Clerk to issue a citation to the guardian, requiring him or her to appear at a given time and place, to be therein specified, to show cause why he or she should not give further security. Such citation shall be served personally on the guardian by the Sheriff or any other citizen of the United States over twenty-one years of age, at least five days before the return day thereof; *provided*, if the guardian shall have absconded, or cannot be found, it may be served by leaving a copy thereof at his or her last place of abode.

District Judge to Investigate.

567. SEC. 9. At the time designated, or at such other time as the Judge may appoint, he shall proceed, on proof of service of citation, to investigate the sufficiency of the bond of such guardian, and if satisfied that the security is from any cause insufficient, he may, by order, require the guardian to give further security or file a new bond within a reasonable time.

Neglect to Comply With Order.

568. SEC. 10. If the guardian shall neglect to comply with the order within the time prescribed, the Judge shall by order revoke his or her letters, and his or her authority shall thereupon cease.

When Citation Shall Issue.

569. SEC. 11. Any person may file a petition, under oath, for the removal of a guardian by reason of incapacity, or that the guardian is mismanaging or wasting the estate, or that the best interests of the ward require it, and upon filing such petition a citation shall issue and be served as provided in section eight of this Act, and until the same can be heard and determined the court or Judge may suspend the guardian, and on the hearing enter such judgment and order as the facts may warrant.

POWER OF COURT TO REVOKE LETTERS OF GUARDIANSHIP. *Deegan v. Deegan*, 22 Nev. 185.

Education and Maintenance.

570. SEC. 12. If any minor who has a father living has property, the income of which is sufficient for his maintenance and education in a manner more expensive than the father can reasonably afford, regard being had to the situation of the father's family and to all the circumstances of the case, the expenses of the education and maintenance of such minor may be defrayed, in whole or in part, out of the income of such property as shall be judged reasonable and directed by the district court; and the charges therefor shall be allowed the guardian of such minor in the settlement of his accounts.

Interest of Minor in Any Suit Not to Be Impaired.

571. SEC. 13. Nothing contained in this Act shall affect or impair the power of the court to appoint a guardian to defend the interest of any minor, in

any suit or matter pending therein, or to appoint or allow any person as the next friend of a minor to commence and prosecute any suit in behalf of a minor; nor impair the right of the father, or in case of his decease or divorce, the mother, of any minor child, to appoint by last will and testament, a guardian or guardians of such child, whether born before or after the time of making such will.

Petition to Be Filed in Relation to an Incompetent Person.

Such Judge shall direct the Clerk to issue a citation, requiring such supposed insane or incompetent person to be and appear at a time and place to be therein specified to show cause why a guardian should not be appointed. Such citation shall be served as provided in section eight of this Act, on such person, and also on such person, with whom or in whose custody, such insane or incompetent may be, not less than five days before the return day thereof; and if able to attend, the Judge shall cause such insane or incompetent person to be produced before him on the hearing.

Management of Estate.

576. SEC. 18. Every guardian shall manage the estate of his or her ward frugally and without unreasonable waste, and apply the income and profits thereof, as far as may be necessary, for the comfortable and suitable maintenance, support and education of the ward; and if such income and profits be insufficient for such purposes, the guardian may sell the personal or real estate upon obtaining an order therefor, as provided by law for such purpose. A guardian may join in and assent to a partition of the real estate of the ward in the cases and in the manner provided by law.

Guardian to Settle All Accounts.

577. SEC. 19. Every guardian shall settle all accounts of the ward, and demand, sue for and receive all and every debt or property due the ward; or may, with the consent of the District Judge, compound for the same and give a discharge to the debtors on receiving a fair and just dividend of his or her estate and effects; and he shall appear for and represent his ward in all legal proceedings, unless when another person shall be appointed for that purpose as guardian ad litem, or next friend.

Inventory to Be Returned.

578. SEC. 20. Every guardian shall return to the district court an inventory of the estate of his or her ward within twenty days after his or her qualification, and annually, or at such other times as the court may order, present to and have settled by said court his account as guardian, and shall return to said court additional inventories whenever any further property belonging to the ward not included in any previous inventory shall come to his hands or knowledge. If there be no estate he shall return that fact. The provisions of law regulating the settlement of the estates of deceased persons regarding inventories shall apply to the inventories herein required in all respects, except as to the time of filing.

Insufficiency of Income to Maintain.

579. SEC. 21. When the income of the estate of any person under guardianship shall not be sufficient to maintain the ward and his or her family, if any, or to educate his or her family, or the ward, if a minor, the guardian may sell the personal or real estate of the ward, or such portion as may be necessary for such purpose, upon obtaining an order therefor and proceeding therein as in this Act provided.

Sale of Realty for Benefit of Ward.

580. SEC. 22. Whenever it shall be made to appear that it would be for the benefit of the ward that his or her real estate, or some portion thereof, should be sold in order that the proceeds thereof may be put out at interest, or invested in some productive security, or in the improvement or security of other real estate of the ward, or to be reinvested in other real estate, the same may be sold as in this Act provided.

Proceeds of Sale to Apply.

581. SEC. 23. If the estate shall be sold for maintenance or education, the guardian shall apply the proceeds of the sale to such purposes, so far as necessary, and shall put out the residue, if any, at interest or invest it to the best advantage, under the direction of the court, until the capital may be required for the maintenance of the ward and his or her family, or the education of the family, if any, or for the education of the ward, if a minor, in which case the capital may be used as far as necessary for such purpose.

To the Best Advantage.

582. SEC. 24. If the estate be sold for the purpose of putting out the proceeds on interest, or investing, or reinvesting the same as in this Act provided, the guardian shall, with the approval of the District Judge, so dispose of such proceeds to the best advantage possible.

Order to Specify Manner of Sale.

588. SEC. 30. If, after a full examination, it shall appear to the court either that it is necessary or would be for the benefit of the ward, for any purpose mentioned in sections twenty-one and twenty-two of this Act, that his or her real estate or some part of it should be sold, such court may grant an order therefor, specifying therein whether necessary or proper and the object for which made. The order may also direct the sale to be at public auction or private sale upon like proceedings and in the manner as prescribed by law in case of the sale of real estate by an executor or administrator, and subject to the same proceedings in relation to the report, confirmation or rejection, of the sale, or the resale thereof.

Additional Bond to Be Given.

589. SEC. 31. Every guardian authorized to sell real estate as aforesaid, shall before the sale give an additional bond to the ward, in an amount to be fixed by the court or Judge, with sufficient security, to be approved by the Judge, and conditioned to sell the property as prescribed by law and to account for and dispose of the proceeds of the sale in the manner provided by law.

Action Against Sureties to Be Commenced Within Three Years.

595. SEC. 37. No action shall be maintained against the sureties in any bond given by a guardian unless it be commenced in three years from the time when the guardian shall have been discharged; *provided*, if at the time of such discharge the person entitled to bring such action shall be under any legal disability to sue, the action may be brought at any time within three years after such disability shall be removed.

968. SECTION 1. Any company incorporated and organized under the laws of any state of the United States for the purpose of transacting business as surety on obligations of persons, or corporations, or state, county or township officers, and which has complied with all the requirements of the law regulating the admission of such companies to transact business in this state, may, upon production of evidence of solvency and credit satisfactory to the Judge, head of department or other officer or officers authorized to approve such bond, be accepted as surety upon the bond of any person, or corporation, state, county or township officer required by the laws of this state to execute a bond, and if such surety company shall furnish satisfactory evidence of its ability to provide all the security required by law, no additional security may be exacted, but other surety may, in the discretion of the official or officials authorized to approve such bond, be required, and such surety company may be released from its liability on the same terms and conditions as are by law prescribed for the release of individuals, it being the true intent and meaning of this Act to enable corporations created for that purpose, to become surety on bonds required, subject to all the rights and liabilities of private parties. No surety company not incorporated under authority of this state shall, directly or indirectly, take risks or transact busi-

Said power of attorney shall stipulate and agree on the part of the company that any lawful process against the company, which is served on said attorney, shall be of the same legal force and validity as if served on the company, and that the authority shall continue in force so long as any liability remains outstanding in this state. A certificate of such appointment shall be filed in the office of the Secretary of State, and copies certified by him shall be received in evidence in all the courts of this state. Service of process in actions and proceedings upon such attorney shall be deemed service upon the principal, but such principal shall be allowed thirty days thereafter within which to appear and plead in all such actions and proceedings. Whenever any lawful process against a surety company shall be served upon the State Controller he shall forthwith forward a copy of the process served upon him, by mail, postpaid, and directed to the Secretary of the company. For each copy of the process the Secretary of State shall collect the sum of five dollars, which shall be paid by the plaintiff at the time of such service, the same to be recovered by him as a part of the taxable costs if he prevail in the suit. *As amended, Stats. 1899, 101.*

971. SECTION 1. Any number of persons, not less than ten, either in this state or the United States, being subscribers to the stock of any contemplated railroad, may be formed into a corporation for the purpose of constructing, owning, and maintaining such railroad, by complying with the following requirements: Whenever stock to the amount of at least one thousand dollars for each and every mile of the proposed railroad shall have been so subscribed, and ten per cent in cash of the amount so required to be subscribed, shall be actually, and in good faith, paid to a Treasurer, to be named and appointed by said subscribers from among their number, then the said subscribers, either in person or by written proxy, after having received at least five days notice from said Treasurer of a meeting of said subscribers for that purpose, may adopt articles of associ-

ation, and may elect from among the subscribers to said articles, not less than five nor more than thirteen Directors.

What Articles Shall Set Forth—What Articles May Be Signed by Proxy—Affidavit of Amount of Stock.

972. SEC. 2. The said articles of association shall set forth the name of the incorporation, the number of years the same is to continue in existence, which shall not exceed fifty years, the amount of the capital stock of the company, which shall be divided into shares of not exceeding one hundred dollars each, and not less than ten dollars each, as may be fixed in the articles of association, and which shall be the actual contemplated cost of constructing the road, together with the cost of the right of way, motive power, and every other appurtenance and thing for the completion and running of said road, as nearly as can be estimated by competent engineers; the names and number of the Directors to manage the affairs of the company, who shall hold their offices until others are elected, as shall be provided by the by-laws of the company; the place from and to which the proposed road is to be constructed, and the counties into and through which it is intended to pass, and its length, as near as may be; each subscriber to such articles of association shall personally subscribe thereto his name, place of residence, and the number of shares of stock taken by him in such company; *provided*, that in case a person desirous of becoming a subscriber, but compelled to be absent from the state at the time of subscribing to such articles of association, he having duly paid the ten per cent required by law upon his subscription, may sign the same by written proxy, or power of attorney, to that effect; and there shall be endorsed or attached to said articles so subscribed, an affidavit made by three Directors therein named, setting forth in substance, that said amount of stock has been subscribed, and that ten per cent in cash thereon has actually and in good faith been paid in as aforesaid, and that the subscribers to said articles are all known by one or the other of the said three Directors to be subscribers thereto, and to be the persons so represented. Any corporation heretofore formed under the Act of which this is amendatory, desiring to divide the capital stock of the company into shares of a less denomination than one hundred dollars, according to the provisions of this section, may do so by a majority vote of the Directors of the company, at any regular or called meeting of the board, and may issue the stock of such company in accordance therewith, after having filed in the office of the Secretary of State a certificate setting forth the amount or denomination in which they propose to divide such shares, verified by the affidavit of three of such Directors. In case the shares of stock of such corporation shall have already been issued, or any portion thereof, of the denomination of one hundred dollars, the holders of the same may at their option surrender their certificates of stock, and receive in lieu thereof the equivalent of the same in certificates of shares of the smaller denominations, so fixed and established by the Board of Directors. *As amended, Stats. 1871, 52.*

A copy of any articles of association, filed in pursuance of this Act, and certified to be a copy by the Secretary of State, or his deputy, shall in all courts and places be presumptive evidence of the incorporation of such company, and of the facts stated therein; and such a copy, so certified, shall be kept in the office of the Secretary of the corporation, subject to examination during office hours by any person.

The Secretary and Treasurer, before they enter upon the discharge of their duties, shall each give a bond, with sufficient surety, for the faithful performance of their respective duties to be approved by the Board of Directors. The temporary Treasurer, required by the first section of this Act, shall pay over all moneys received by him as such Treasurer to the Treasurer elected by the Board of Directors, and every succeeding board, when deemed necessary, shall open books of subscription to the capital stock of the company, at such times, and in such places, upon such terms, and authorize such persons to receive and superintend the taking of such subscriptions, as they may direct, due notice of which shall be given; but no subscription of stock, except the original subscription, shall be binding on the company, or parties so subscribing, until the same shall have been accepted and approved by a resolution of the board. In case a greater amount of acceptable stock shall be subscribed than the whole capital required by such company, the Board of Directors shall distribute such capital stock so subscribed as equally as possible among the subscribers; but no share thereof shall be divided in making such distribution, nor shall a greater number of shares be allotted to any one subscriber than by him subscribed for.

The Directors shall hold their office for one year, and until others are elected in their places. At least a majority of the Directors shall, at the time of their election, be residents of this state.

In case the capital stock shall be ascertained to be greater or less than is necessary for completing, operating and maintaining the road, then the capital stock may be reduced or increased by a vote of the holders of a majority of the capital stock to the amount thus required; or the holders of a majority of the capital stock may, by a vote at any annual or called meeting of the stockholders, provide[d] for the return to or distribution among the stockholders, in such manner and according to such plan as they may direct, of any surplus capital or funds that may accrue to the corporation by payments on subscriptions to the capital stock, grants, donations or otherwise, over and above the amount necessary to construct, complete, maintain, and equip the road; *provided*, that no such division or distribution shall be made until the road shall be built and equipped between the extreme points named in the articles of association.

Powers and Rights of Company.

988. SEC. 17. Every railroad corporation shall have power:

First—To cause such examination and surveys for the proposed railroad to be made as may be necessary to the selection of the most advantageous route for the railroad, and for such purposes, by their officers, agents, and employees, to enter upon the lands or waters of any persons, but subject to responsibility for all damages which they shall do thereto.

Second—To receive, hold, take, and convey, by deed or otherwise, the same as a natural person might or could do, such voluntary grants and donations of real estate, and other property of every description, as shall be made to it to aid and encourage the construction, maintenance and accommodation of such railroad.

Third—To purchase, and by voluntary grants and donations receive and take, and by its officers, engineers, surveyors and agents, enter upon and take possession of, and hold and use, in any manner they may deem proper, all such lands and real estate, and other property, as the Directors may deem necessary and proper for the construction and maintenance of such railroad, and for the stations, depots, and other accommodations and purposes, deemed necessary to accomplish the object for which the corporation is created.

Fourth—To lay out its road or roads, not exceeding ten rods wide, and to construct and maintain the same, with a single or double track, with such appendages as may be deemed necessary for the convenient use of the same, and for the purposes of making embankments, excavations, ditches, drains, culverts, or otherwise, and procuring timber, stone, and gravel, or other materials, may take as much more land, whenever they may think proper, as may be necessary for the purposes aforesaid, in the manner hereinafter provided, for the proper construction and security of the road.

Fifth—To construct their road across, along, or upon any stream of water, water course, roadstead, bay, navigable stream, street, avenue, or highway, or

across any railway, canal, ditch, or flume, which the route of its road shall intersect, cross, or run along, in such manner as to afford security for life and property; but the corporation shall restore the stream or water course, road, street, avenue, highway, railroad, canal, ditch, or flume thus intersected, to its former state, as near as may be, or in a sufficient manner not to have unnecessarily impaired its usefulness or injured its franchises.

Sixth—To cross, intersect, join, and unite its railroad with any other railroad, either before or after constructed, at any point upon its route, and upon the grounds of such other railroad company, with the necessary turnouts, sidings and switches, and other conveniences, in furtherance of the objects of its connections; and every company whose railroad is, or shall be hereafter, intersected by any new railroad in forming such intersections and connection, and grant the facilities aforesaid; and if the two corporations cannot agree upon the amount of compensation to be made therefor, or the points or the manner of such crossings, intersections and connections, the same shall be ascertained and determined by commissioners, to be appointed as is provided hereinafter in respect to the taking of lands, but this section is not to affect the rights and franchises heretofore granted.

Seventh—To purchase lands, timber, stone, gravel, or other materials, to be used in the construction and maintenance of its road, or take them in the manner provided by this Act; may change the line of its road, in whole or in part, whenever a majority of the Directors shall determine, as is provided hereinafter; but no such change shall vary the general route of such road, as contemplated in the articles of association of such company.

Eighth—To receive by purchase, donation, or otherwise, any lands, or other property, of any description, and to hold and convey the same in any manner the Directors may think proper, the same as natural persons might or could do, that may be necessary for the construction and maintenance of its road, or for the erection of depots, turnouts, workshops, warehouses, or for any other purposes necessary for the conveniences of such companies, in order to transact the business usual for such railroad companies.

Ninth—To take, transport, carry, and convey persons and property on their railroad, by the force and power of steam, of animals, or any mechanical power, or by any combinations of them, and receive tolls or compensation therefor.

Tenth—To erect and maintain all necessary and convenient buildings, stations, depots, and fixtures, and machinery for the accommodation and use of their passengers, freight, and business, and to obtain and hold the lands and other property necessary therefor.

Eleventh—To regulate the time and manner in which passengers and property shall be transported, and the tolls and compensation to be paid therefor, within the limits prescribed by law.

Twelfth—To regulate the force and speed of their locomotives, cars, trains, or other machinery used and employed on their road, and to establish, execute, and enforce all needful and proper rules and regulations, fully and completely for the management of its business transactions usual and proper for railroad companies.

May Change Line of Road.

989. SEC. 18. If at any time after the location of the line of such railroad, in whole or in part, and the filing of the map thereof, as provided by this Act, it shall appear to the Directors of such company that the same may be improved, such Directors may, from time to time, alter or change the line in any manner they may think proper, and cause a new map to be filed in the office where the map showing the first location is filed, and may thereupon take possession of the land embraced in such new location, that may be required for the construction and maintenance of such road on such new line, either by agreement with the owner or owners of such lands, or by such proceedings as are authorized under the provisions of this Act, and use and enjoy the same in place of the line for which the

new is substituted; but nothing in this Act shall be so construed as to confer any powers on such companies to so change their road as to avoid any point named in their articles of association, except as provided in section seventeen, subdivision seven, of this Act.

Crossing Railroads or Highways—May Take and Use Lands, etc.

990. SEC. 19. Whenever the track of such railroad shall cross a railroad or highway, such railroad or highway may be carried under, over, or on a level with the track, as may be most expedient, and in cases where an embankment or cutting shall make a change in the line of such railroad or highway desirable, with a view to a more easy ascent or descent, the said company may take such additional lands and materials, if needed for the construction of such road or highway, on such new line, as may be deemed requisite by said Directors; unless the lands and materials so taken shall be purchased, or voluntarily given for the purpose aforesaid, compensation therefor shall be ascertained in the manner in this Act provided, as nearly as may be, and duly made by such corporation to the owners and persons interested in such lands; and the same, when so taken and compensation made, to become part of such intersecting road or highway, in such manner and by such terms as the adjacent parts of such highways may be held for highway purposes.

Right of Way Granted—Width of Right of Way—Depots, etc.—Conveyance of Lands, etc., by Cities.

991. SEC. 20. The right of way is hereby given and granted to all railroad companies that are now organized, or may be organized under the provisions of this Act, to locate, construct, and maintain their roads, or any part or parcel thereof, over and through any of the swamp or overflowed lands belonging to this state, or any other public lands which are now or may be the property of this state, at the time of constructing said railroad; and the said railroad companies are hereby authorized to survey and mark through the said lands of the state, to be held by them for the track of their respective railroads, one hundred feet in width, for the whole length the said roads may be located over the lands of the state; and in cases where deep excavations, or heavy embankments, or other cuttings or structures whatever, or ditches, drains, canals, culverts, or other structures to protect the road bed, and to facilitate the use and enjoyment of the same, is or may be required for the grade or other uses of said roads, then at such places a greater width may be taken by such company, and which is hereby given, not exceeding two hundred feet wide; and the right is hereby further given and granted to said companies, to locate, occupy, and hold all necessary sites and grounds for watering places, depots, or other buildings, for the convenient use of the same, along the line of said road or roads, so far as the places convenient for the same may fall upon the lands belonging to the state, except within the limits of any incorporated city or town, or within three miles where the same shall be taken, on paying to the state the value of the same; and, *provided*, that no one depot, watering place, machine or workshop, or other buildings for the convenient use of such roads, shall cover over two square acres each, and that said sites or places on the lands of this state shall not be nearer to each other than five miles along the lines of said roads. The right is hereby further given and granted to said companies, to take from any of the lands belonging to this state all such materials of earth, wood, stone, or other materials whatever, as may be necessary or convenient, from time to time, for the first construction or equipment of said road or roads, or any part thereof; *provided*, that the grants herein made, as well of the use of the land of this state as for the materials for the construction and equipment of said road or roads, shall cease and determine as respects such particular road, which shall not have been begun and completed within the times limited in section thirty-nine of this Act; and, *provided further*, that if any road, at any time after its location, shall be discontinued or abandoned by said company or companies, or the location of any part thereof be so changed as not to

cover the lands of the state thus previously occupied, then the lands so abandoned or left shall revert to this state; *and, provided further*, that when the location of the route of either of said railroads, or sites or places for depots, watering places, machine or workshops, or other buildings for the convenient use of the same, shall be selected, the Secretary of said company shall transmit to the Surveyor-General, and to the Controller of the state, and to the Recorder of the county in which the lands so selected are situated, to each of said officers, a correct plot of the location of said railroad, or sites or places, before such selection shall become operative.* And when any such company shall, for its purposes aforesaid, require any of the lands belonging to any of the counties, cities, or towns in this state, the county, city, and town officers respectively, having charge of such lands, may grant and convey such land to such company, for a compensation which shall be agreed upon between them, or may donate and convey the same without any compensation; and if they shall not agree upon the sale and price, the same may be taken by the company as is provided in other cases of taking lands by the provisions of this Act.

Cities May Make Grants—Proviso.

Surveys—General Rights and Powers.

993. SEC. 22. Any railroad company, organized under the provisions of this Act, or any railroad company organized under any law of this state, which shall accept the provisions of this Act, as herein provided, is authorized to enter upon any land for the purpose of surveying the line of its proposed railroad, the company being responsible for any damage occasioned by such; and such company is also authorized to acquire, purchase, and hold any real estate, or any right, title, or interest therein, which may be necessary or proper for the purpose of the construction or maintenance of the track or tracks, water stations, depots, machine or workshops, turntables, or any other building or structure necessary for such railroad; but such company shall not hold such real estate, or any right, title, or interest therein, required or used solely or mainly for the construction or maintenance of the track or tracks of said railroad, beyond the time of the legal existence of said company, nor after the location of said track or tracks has been changed therefrom, nor after said company shall have failed, or ceased, to the use of the same for the maintenance of such track for the space of five years continuously; but in each of such cases, the said real estate, and all the right, title, and interest therein, shall revert to the person or persons, and his or their assigns, from whom the same was acquired by said company.

Guardians, etc., May Convey Real Estate to Company.

994. SEC. 23. If it shall become necessary, for any of the purposes afore-

new is substituted; but nothing in this Act shall be so construed as to confer any powers on such companies to so change their road as to avoid any point named in their articles of association, except as provided in section seventeen, subdivision seven, of this Act.

The right is hereby further given and granted to said companies, to take from any of the lands belonging to this state all such materials of earth, wood, stone, or other materials whatever, as may be necessary or convenient, from time to time, for the first construction or equipment of said road or roads, or any part thereof; *provided*, that the grants herein made, as well of the use of the land of this state as for the materials for the construction and equipment of said road or roads, shall cease and determine as respects such particular road, which shall not have been begun and completed within the times limited in section thirty-nine of this Act; and, *provided further*, that if any road, at any time after its location, shall be discontinued or abandoned by said company or companies, or the location of any part thereof be so changed as not to

Cities May Make Grants—Proviso.

992. SEC. 21. Surveys—General Rights and Powers.

993. SEC. 22. Any railroad company, organized under the provisions of this Act, or any railroad company organized under any law of this state, which shall accept the provisions of this Act, as herein provided, is authorized to enter upon any land for the purpose of surveying the line of its proposed railroad, the company being responsible for any damage occasioned by such; and such company is also authorized to acquire, purchase, and hold any real estate, or any right, title, or interest therein, which may be necessary or proper for the purpose of the construction or maintenance of the track or tracks, water stations, depots, machine or workshops, turntables, or any other building or structure necessary for such railroad; but such company shall not hold such real estate, or any right, title, or interest therein, required or used solely or mainly for the construction or maintenance of the track or tracks of said railroad, beyond the time of the legal existence of said company, nor after the location of said track or tracks has been changed therefrom, nor after said company shall have failed, or ceased, to the use of the same for the maintenance of such track for the space of five years continuously; but in each of such cases, the said real estate, and all the right, title, and interest therein, shall revert to the person or persons, and his or their assigns, from whom the same was acquired by said company.

Guardians, etc., May Convey Real Estate to Company.

994. SEC. 23. If it shall become necessary, for any of the purposes afore-

said, for such company to acquire any real estate, or any right, title, or interest therein, which is the property of an infant, idiot, or insane person, the guardian, executor, or administrator (as the case may be), may sell and convey the same to said company, but neither such sale or conveyance shall be valid for any purpose, until the same shall have been approved by the Judge of the proper court; and said Judge is hereby authorized to examine such deeds and conveyances, and if he shall deem the same just and proper, he shall approve the same, and thereupon such conveyances shall have the same force and effect, for the purposes in this section mentioned, as if the same had been executed by persons competent to convey lands in their own names. *As amended, Stats. 1869, 90.*

Special Proceedings to Acquire Real Estate.

995. SEC. 24. Such company may acquire any real estate, or any right, title, interest, estate, or claim, therein or thereto, necessary for the purposes of said company, as hereinbefore provided, by means of the special proceedings prescribed in this Act. The said special proceedings shall be substantially as follows: The said company shall file in the Clerk's office of the district court, in the county in which said real estate is situated, a petition verified according to law, stating therein the name of the company, the time when it was incorporated, that it still continues in legal existence, the principal termini of the proposed road, the description by metes and bounds, or by some accurate designation of the tract or tracts of lands which said company desire to appropriate for the purposes in the foregoing section mentioned; that said tract or tracts of land are necessary for said purposes; that the line of said railroad has been surveyed, and a map thereof made (a copy of which shall be filed with the said petition); that said line has been adopted as the route of said railroad, and the names of the persons in possession of said tract or tracts of land, and of those claiming any right, title, or interest therein, as far as the same can be ascertained by reasonable diligence. *As amended, Stats. 1869, 90.*

For condemnation of property, see Secs. 3918-3930.

Rights of Defendants.

996. SEC. 25. The persons in occupation of said tract or tracts of land, and those having any right, title, or interest therein, whether named in the petition or not, shall be defendants thereto, and may appear and show cause against the same, and may appear and be heard before the commissioners herein provided for, and in proceedings subsequent thereto, in the same manner as if they had appeared and answered said petition.

Hearing of Petition.

997. SEC. 26. The said court, or the Judge thereof, either in term or vacation, shall, by order, appoint the time for the hearing said petition, and such hearing may be had, and all orders in said proceedings may be made by the said court, or the Judge thereof, either in term time or vacation.

To Notify Owners—Publication of Notice.

998. SEC. 27. The said company shall cause all the occupants and owners of said tract or tracts of land, so far as the same can be ascertained by reasonable diligence, who reside in said county, to be personally notified of the pendency of the said petition at least ten days before the hearing thereof, and if any of said occupants or owners are unknown, or do not reside in said county, and have not been personally notified of the pendency of said petition, said company shall cause a notice stating the filing of said petition, the object thereof, the tracts of land sought to be appropriated, and the time and the place of the hearing of said petition, to be published for four successive weeks previous to the time of hearing said petition, in a newspaper published in said county, or, if none is published in said county, then in a newspaper published nearest to said county.

To Appoint Commissioners—Vacancy.

999. SEC. 28. The defendants to said petition may appear and show cause against said petition, on or before the time for the hearing thereof, or such other time as the hearing may be continued to, and upon satisfactory proof being made that the defendants have been duly notified of the pendency of said petition, as herein prescribed, and upon the hearing of the allegations and proofs of the said parties, if the said court, or Judge, shall be satisfied that the said lands, or any part thereof, are necessary or proper for any of the purposes mentioned in said petition, then such court, or Judge, shall appoint three competent and disinterested persons as commissioners, one of whom shall be selected from among the persons, if any, named for that purpose by said company, and one shall be selected from among the persons, if any, named on the part of any of the defendants, to ascertain and assess the compensation to be paid to any person or persons having or holding any right, title, or interest in or to each of said tracts of land, for and in consideration of the appropriation of such land to the use of said company. If any vacancy occur among said commissioners, by reason of any one or more of them refusing or neglecting to act, or by any other means, one or more commissioners may be appointed by said court, or Judge, to fill such vacancy, upon notice being given of such vacancy, as said court, or Judge, may direct.

Meeting of Commissioners.

1000. SEC. 29. The said court or Judge shall appoint the time and place for the first meeting of said commissioners, and the time for filing of their report, and may give such further time as may be necessary for that purpose, if they shall not then have completed their duties. The said commissioners, or a majority of them, shall meet at the time and place as ordered, and, before entering on their duties, shall be duly sworn to honestly, faithfully and impartially perform the duties imposed upon them; and any one of them may issue subpoenas for witnesses for either of said parties, and may administer oaths; and said commissioners may adjourn from place to place and from time to time, as may be necessary for the proper discharge of their duties.

Compensation—To File Report—Adverse Claims.

1001. SEC. 30. The said commissioners shall proceed to view the several tracts of land as ordered by said court, or Judge, and shall hear the allegations and proofs of said parties, and shall ascertain and assess the compensation for the land sought to be appropriated, to be paid by said company to the person or persons having or holding any right, title, or interest in or to each of the several tracts of land; and in ascertaining and assessing such compensation, they shall take in consideration and make allowance for any benefit or advantages that in their opinion will accrue to such person or persons by reason of the construction of the railroad as proposed by said company; and if the said railroad company shall, in their petition filed in said special proceedings, offer or agree to make good and sufficient fences on the line of their said railroad, or any portion thereof, or to make good and sufficient cattle guards where fences may cross said line of railroad, at such places and such times as the same may be necessary, no sum or price for such fences shall be included in the compensation or damages to be awarded by said commissioners; but such railroad company shall not be required to construct fences on the line of their railroad where the same passes through uninclosed tracts of lands, nor until inclosures shall be made abutting upon the property of said company; and such commissioners shall, on or before the time or times as ordered by said court, or Judge, file in said Clerk's office their report, signed by them, setting forth their proceedings in the premises, and they may include all of said tracts in one report, or they may make several reports, including one or more of said tracts of land, if the court, or Judge, shall so order, or if they shall deem it proper. In case there are adverse or conflicting claims to the compensation assessed for any tract of land, or any right, title, or interest therein, thus sought to be appropriated, the parties thus asserting such claims shall pre-

sent the same, by petition, to the court, or Judge, after the report of the commissioners shall have been filed, and the said court, or Judge, shall proceed to hear and determine the same; and in such case, said company may pay the amount of such compensation to the Clerk of said court, to abide the order of the court, or Judge in said proceeding, and said company shall not be liable for any of the costs caused by the adjudication of such conflicting claims.

EMINENT DOMAIN FOR RAILROAD—REPORT OF COMMISSIONERS—WHAT MUST SHOW. V. & T. R. Co. v. Lovejoy, 8 Nev. 100.

"COMPENSATION FOR LAND TAKEN" IS NOT MERE "MARKET VALUE." The statute providing for "compensation" and "damages" to be awarded for lands condemned for railroad purposes does not contemplate the giving of the mere "market value" of the land taken; and if it did, it would in that regard be unconstitutional. V. & T. R. Co. v. Henry, 8 Nev. 165.

MEANING OF "JUST COMPENSATION"—REPORT OF COMMISSIONERS—"GOOD CAUSE" TO SET ASIDE COMMISSIONERS' REPORT, ETC. Id.

New Trial—Report Set Aside.

1002. SEC. 31. The said company, or any of said defendants, if dissatisfied with the report may, within twenty days after the time for the filing of said report, and after ten days' notice to the parties interested, move to set aside the report, and to have a new trial as to any tract of land, upon good cause shown therefor; and the said court or Judge shall set aside the report as to such tract of land, and may recommit the matter to the same or to other commissioners, who shall be ordered to proceed in like manner as those first appointed; but such matter shall not be more than twice recommitted to commissioners.

Confirmation of Reports.

1003. SEC. 32. Upon the expiration of twenty days after the filing of said report or reports, or at such further time as may be appointed therefor, if the motion and notice shall not have been made and given, as aforesaid, and if the proceedings of said commissioners appear to have been correctly and properly done, the said court, or Judge, shall confirm each of said reports, and certify the same thereon.

Record of Reports—Costs.

1004. SEC. 33. Each of said reports, and the certificates thereon, upon the compensation therein named being paid, shall be recorded in the Recorder's office of said county by said company. The said court, or Judge, may make all such orders as may be necessary or proper in the special proceedings provided for in this Act, and shall cause the pleadings and proceedings to be amended whenever justice shall require it to be done, and shall direct the manner of the service of all orders and notices not herein specially provided for. Costs in such special proceedings shall be taxed by the Clerk at the rates prescribed in the fee bill for said county in civil actions, and shall be paid by said company, except in case where a defendant shall move for a new trial, and the compensation assessed by the commissioners shall not be increased more than ten per cent upon the previous assessment, in which case such defendant shall pay the cost.

Defective Titles—Proceedings Instituted.

1005. SEC. 34. If the title attempted to be acquired by virtue of the provisions of this Act, shall be found to be defective from any cause, such company may again institute proceedings to acquire the same, as in this Act prescribed; and at any stage of such new proceedings, or of any proceedings under this Act, the court, or Judge in chambers, may rule or order in their behalf made, authorize such company, if already in possession, to continue in the use and possession, and if not in possession, to take possession of, and use such premises during the pendency of, and until the final conclusion of such proceedings, and may stay all actions and proceedings against such company on account thereof; *provided*, such

company shall pay a sufficient sum in court, or give security, to be approved by such court, or Judge, to pay the compensation in that behalf when ascertained.

Passage of Title.

1006. SEC. 35. Upon the report of the commissioners being filed for record, as above provided for, and upon the payment or tender of the compensation and costs, as prescribed in this Act, the real estate, or the right, title, or interest therein, described in such report, shall become the property of said company for the purpose of its incorporation, and shall be deemed to be acquired for, and appropriated to, public use.

Payment or Tender.

1007. SEC. 36. Such company shall, within thirty days after the final confirmation of the report as aforesaid, pay or tender the sum of money ascertained and assessed by said commissioners as and for the compensation of each tract of land described in said report, of which the compensation was ordered by said court or Judge, to be ascertained and assessed as aforesaid; and said payment or tender may be made to the person or persons owning said tract of land, or having or holding any right, title, or interest therein, according to the amount or extent of the right, title, or interest, owned or held therein by such person or persons, or said payment may be made to the said Clerk for said persons, and the same shall be deemed and taken as a payment to such person or persons, and shall be as effectual for all purposes whatsoever as if the said sum of money had been personally paid to each and all of the persons entitled thereto.

Court to Order Payment.

1008. SEC. 37. The said court or Judge shall, at the time of the payment of the said sum of money to the said Clerk, or at such other time or times as may be ordered, direct and order the same to be paid over to the person or persons who shall, upon satisfactory proof, appear to be entitled thereto.

Definition of "Person."

1009. SEC. 38. In all the proceedings in relation to the sale or appropriation of real estate, and ascertaining and receiving the compensation therefor, for railroad purposes, as prescribed in this Act, the term "person" shall be deemed to include municipal or other incorporations.

Duties of Clerk of Court.

SECTION 1 amended, Stats. 1893, 43, and superseded by Stats. 1899, 17, Sec. 1233.

County Tax Fixed, How.

1078. SEC. 2. The Board of County Commissioners of each county shall, on or before the first Monday of March, of each year, fix the rate of county taxes for such year, designating the number of cents on each hundred dollars of property levied for each fund; and shall levy the state and county taxes upon the taxable property of the county.

See Sec. 1234.

1. STATE TAX NEED NOT BE LEVIED BY COUNTY COMMISSIONERS. The levy of state taxes by the Board of County Commissioners, though provided for in the revenue law, is an idle ceremony, for the reason that the levy is made by the legislature. *State v. Manhattan S. M. Co.*, 4 Nev. 318.
2. COUNTY TAXES MUST BE LEVIED BY COUNTY COMMISSIONERS. The amount of taxes for county purposes must be fixed and levied by the Board of County Commissioners; and without their action no county tax can be collected. *Id.*

taxes are levied in each year, on all property then in this state, and on all other property whenever it reaches the state, and shall not be satisfied or removed until all the taxes are paid, or the property has absolutely vested in the purchaser under a sale for taxes.

Special Tax a Lien.

1080. SEC. 4. All special taxes levied for city, town, school, road or other purposes throughout the different counties of this state, shall be a lien on the property so assessed, and shall be assessed and collected by the same officers, at the same time, and in the same manner as the state and county taxes are now or may hereafter be assessed and collected.

PROPERTY LIABLE TO TAXATION.

Property Exempt and Exceptions.

1081. SEC. 5. All property of every kind and nature whatsoever, within this state, shall be subject to taxation except:

First—All lands and other property owned by the state, or by the United States, or by any county, municipal corporation, town or village in this state, and all public school houses, with lots appurtenant thereto, owned by any legally created school district within the state; *provided*, that when any of the property mentioned in this subdivision is used for any other than public purposes, and a rent or valuable consideration is received for its use, the same shall be taxed.

Second—Mines and mining claims; *provided*, that nothing in this section shall be so construed as to exempt from taxation possessory claims to the public lands of the United States, or of this state, or the proceeds of the mines; *and provided*, further, that nothing herein shall be so construed as to interfere with the primary title to the lands belonging to the United States.

Third—Churches, chapels and other buildings used for religious worship, with their furniture and equipments, and the lots of ground on which they stand, used therewith and necessary thereto; *provided*, that the amount so exempt shall in no case exceed the sum of five thousand dollars for any one church, chapel or other building used exclusively for religious worship; *and provided*, further, that when any such property is used for any other than church purposes, and a rent or other valuable consideration is received for its use, the same shall be taxed.

Fourth—The funds, furniture, and paraphernalia and regalia owned by any lodge of the Order of Free and Accepted Masons, or of the Independent Order of Odd Fellows, or of any other similar charitable organization, or by any benevolent or charitable society, so long as the same shall be used exclusively for the legitimate purposes of such lodge or society, or for such charitable or benevolent purposes; *provided*, that such exemption shall in no case exceed the sum of five thousand dollars to any one lodge, society or organization.

Fifth—All cemeteries and graveyards set apart and used for and open to the public for the burial of the dead, when no charge is made for burial therein.

Sixth—The property of widows and orphan children, not to exceed the amount of one thousand dollars to any one family; *provided*, that no such exemption shall be allowed to any but actual *bona fide* residents of this state, and shall be allowed in but one county in this state to the same family, and the party or parties claiming such exemption, or some one in their behalf, shall make an affidavit before the County Assessor of such residence, and that such exemption has been claimed in no other county in this state for that year.

1. PROPERTY SUBJECT TO TAX. All tangible property within the State of Nevada is subject to one and only one annual tax. State v. Earl, 1 Nev. 394.

See H. & N. G. & S. M. Co. v. Storey Co., 1 Nev. 104; People v. Taylor, 1 Nev. 109.

2. MORTGAGE TAX—CHOSE IN ACTION. A tax on money at interest, secured by mortgage on land, is neither a tax on the pieces of money loaned, the land on which the mortgage security is taken, nor upon the paper upon which the promise to pay is written. But it is a tax on the chose in action, or right to collect the debt. State v. Earl, 1 Nev. 394.

3. **CHOSE IN ACTION BELONGING TO NON-RESIDENT NOT TAXABLE.** Chose in action follows the person of those having the right. When the holder of such right resides out of the State of Nevada, this state has no jurisdiction over the person nor over the thing proposed to be taxed, and cannot tax either. *Id.*
See *Bowman v. Boyd*, 21 Nev. 281.
 4. **NATIONAL BANKS—TAXATION.** National banks are only subject to taxation upon the shares of stock owned by the shareholders therein, and upon their real estate. Mortgages held by such banks are not subject to taxation. *Bank v. Kreig*, 21 Nev. 404.
 5. **DEBTS SECURED BY MORTGAGE TAXABLE.** A debt secured by mortgage is subject to taxation, although the mortgagee is indebted to an amount equal or exceeding the amount of his mortgage. *Drexler v. Tyrrell*, 15 Nev. 114; *State v. Carson Savings Bank*, 17 Nev. 146.
 6. **NOTES AND COUNTY WARRANTS** are property subject to taxation. *State v. Bank of Nevada*, 4 Nev. 348.
 7. **POSSESSORY RIGHTS TO PUBLIC LANDS ARE SUBJECT TO TAXATION.** *Wright v. Cradlebaugh*, 3 Nev. 341; *State v. C. P. R. R. Co.*, 21 Nev. 94; *State v. C. P. R. R. Co.*, 21 Nev. 247.
 8. **PROPERTY IN TRANSITU THROUGH A COUNTY NOT PROPERLY IN IT FOR TAXATION PURPOSES.** Where wood cut in California and belonging to a citizen of that state was thrown into the Carson river and simply passed through Douglas county to find a market in Ormsby county, for which it was destined: *Held*, that in so passing through Douglas county it was not properly in it for the purposes of taxation. *Conley v. Chedic*, 7 Nev. 336.
- WHAT PERSONAL "PROPERTY IN COUNTY" IS PROPERLY ASSESSABLE THEREIN.** To constitute goods properly in a particular county, so as to make it legally assessable therein within the meaning of the revenue laws, it must be in such a situation as to make it a part of the wealth of that county; it must belong in it and be incorporated with the other property of the county. *Id.* *Robinson v. Longley*, 18 Nev. 71.
9. **NATIONAL BANK NOTES, ETC., NOT TAXABLE BY STATES.** The notes, bills, bonds, etc., of the national banks are the commodity in which those banks deal in the ordinary course of their business. State taxes upon them are state taxes upon the business of the banks, and such taxes the state cannot impose. *State v. Bank of Nevada*, 4 Nev. 348.
 10. **TAXATION—UNSURVEYED PUBLIC LANDS.** Unsurveyed public lands acquired by the appellant under the Acts of Congress of July 1, 1862, and July 2, 1864, are exempted from taxation by the state. *State v. C. P. R. R. Co.*, 21 Nev. 94.
- DESCRIPTION OF UNSURVEYED LANDS.** A description of unsurveyed lands as certain odd numbered sections "as their designation will appear when the surveys of the government are extended over them" is insufficient for their identification for taxation and is not such a description as is required by the revenue laws of Nevada. This principle applies equally when it is only the possessory claim to the land that is assessed. *Id.*
See *State v. C. P. R. R. Co.*, 21 Nev. 260.

The term "full cash value" means the amount at which the property would be appraised if taken in payment of a just debt due from a solvent debtor.

ASSESSMENT OF PROPERTY.

County Commissioners to Furnish Books.

1083. SEC. 7. The Board of County Commissioners of each county shall, prior to the first Monday of March of each year, cause to be prepared, suitable and well-bound books for the use of the Assessor, in which the County Assessor shall enter his tax list and assessment roll, as hereinafter provided; and in which list and assessment roll shall be assessed and included all taxes levied by authority of law for county purposes. Said book shall contain suitable printed heads, and be ruled to conform with the form of the assessment roll, as provided by this Act. All property must be assessed at its full cash value.

Assessment by Assessor—Penalties for Neglect or Refusal to Make Statement—Unknown Owners, How Rated.

1084. SEC. 8. Between the date of the levy of taxes and the first Monday of September in each year, the County Assessor, except when otherwise required by special enactment, shall ascertain, by diligent inquiry and examination, all property in his county, real or personal, subject to taxation, and also the names of all persons, corporations, associations, companies, or firms, owning the same; and he shall then determine the true cash value of all such property, and he shall then list and assess the same to the person, firm, corporation, association, or company, owing [owning] it. For the purpose of enabling the Assessor to make such assessments, he shall demand from each person and firm, and from the President, Cashier, Treasurer, or managing agent of each corporation, association, or company, including all banking institutions, associations, or firms within his county, a statement under oath or affirmation of all the real estate or personal property within the county, owned or claimed by such persons, firm, corporation, association, or company. If any person, officer, or agent shall neglect, or refuse, on demand of the Assessor or his deputy to give, under oath or affirmation, the statement required by this section, or shall give a false name, or shall refuse to give his or her name, or shall refuse to swear or affirm, he or she shall be guilty of a misdemeanor, and shall be arrested upon complaint of the Assessor, or his deputy, and upon conviction before a Justice of the Peace of the county, he or she shall be punished by a fine of not less than ten dollars nor more than five hundred

dollars, or by imprisonment in the county jail for a term not less than ten days nor more than three months, or by both such fine and imprisonment, at the discretion of the court. If the owners of any property not listed by another person shall be absent or unknown, or fail to make the statement under oath or affirmation, as herein provided, within five days after demand is made therefor, the Assessor shall make an estimate of the value of such property and assess the same accordingly. If the name of such absent owner is known to the Assessor the property shall be assessed in his or her name; if unknown to the Assessor the property shall be assessed to unknown owners. It is hereby made the duty of the Assessor, at the end of each month to report to the District or Prosecuting Attorney of the county the names of all persons neglecting or refusing to give the statement as required by this section of this Act, and it is hereby made the duty of such District or Prosecuting Attorney to prosecute all persons so offending. *As amended, Stats. 1893, 44.*

1. **ASSESSORS MUST RECEIVE SWORN STATEMENTS, BUT ARE NOT BOUND BY THEM.** Sworn statement should be received by Assessor without dictation as to what value should be inserted, but, if he thinks it too low, it is his duty to raise it. *State v. Wright, 4 Nev. 51; State v. W. U. Tel. Co., 4 Nev. 338.*

2. **FRAUD IN ASSESSMENTS.** As the law requires an honest and just estimate of value to be placed upon property for the purposes of taxation, an excessive valuation made by an Assessor contrary to his official judgment and with intent to injure, is a fraud against which the law will afford relief. *State v. C. P. R. Co., 7 Nev. 88.*

FAILURE TO FURNISH STATEMENT—EXORBITANT VALUATION. The fact that a taxpayer fails to make a statement as required by law, does not authorize the Assessor to impose a valuation which he knows to be exorbitant and unjust. *Id.*

3. **VALUE OF ASSESSABLE PROPERTY, HOW ASCERTAINED.** In the absence of any statute upon the subject, the Assessor, in specifying the value of assessable property, must be guided by those general principles which everywhere determine the valuation of property independent of any statutory rules. *State v. C. P. R. Co., 10 Nev. 47.*

4. **ASSESSORS MUST EXERCISE THEIR OWN JUDGMENT, WHEN.** Where property is visible and open to inspection, the Assessor should exercise his own judgment in the valuation, and not be governed by the opinion of the taxpayer. *Id.*

See *State v. C. P. R. Co., 21 Nev. 75.*

5. **ASSESSMENT, WHEN VALID.** The statute does not require a separate assessment or valuation of lands and improvements where both belong to the same owner; nor does it require the value per acre to be given. Where the land is described by its common designation or name, it is not necessary to also give the metes and bounds. *State v. C. P. R. Co., 10 Nev. 47.*

6. **ASSESSMENT—SEPARATE AND DISTINCT PARCELS OF LAND.** Separate and distinct parcels of land must be valued and assessed separately, or the assessment will be void. *Peers v. Reed, 23 Nev. 404.*

See *Wright v. Cradlebaugh, 3 Nev. 341; State v. C. P. R. Co., 10 Nev. 47.*

7. **ASSESSMENT FOR TAXES—NAME OF OWNER.** A slight error in the name of the taxpayer made by the Assessor, when the property is correctly described and the owner is not misled by the name, will not avoid the owner's liability for the taxes, provided he can be identified by competent testimony. *State v. D. V. Stock and Land Co., 21 Nev. 88.*

DUTY OF TAXPAYER. It is the duty of a taxpayer to call the attention of the Assessor to any error or mistake appearing upon the face of the statement, which he observes, and if he fails to do so, he will not be permitted to take advantage of his own wrong. *Id.*

EXCESSIVE VALUATION. If a taxpayer, or his agent, fails or refuses to swear to the statement made by the Assessor of his taxable property, or to give to the Assessor his list of taxable property under oath, the Board of Equalization is prohibited by law from reducing the Assessor's valuation and the taxpayer cannot question such valuation in a court of law. *Id.*

8. **TAXES—SITUS OF CATTLE.** *Held*, that the *situs* of cattle for the purposes of taxation is not controlled by the mere residence of the owner. *Barnes v. Woodbury, 17 Nev. 383.*

9. **HOME RANCH.** *Held*, that the *situs* of cattle, for the purpose of taxation, was at the home ranch, where they belonged. *Id.*

10. **ASSESSMENT—SITUS OF TAXABLE PROPERTY.** Where cattle are bred, born, branded and raised in a certain county, their habitat is in such county, and they are assessable there, notwithstanding some of them occasionally wander into other counties, or are driven temporarily into other counties, and also notwithstanding the home ranch of their owner is situate in another county and they are managed and controlled from such home ranch. *State v. Shaw*, 21 Nev. 222.
11. **ASSESSOR'S DUTY—EXCESSIVE ASSESSMENT—PROPER REMEDY.** It is the duty of the Assessor to assess all property at its true cash value, but if he errs in this respect the taxpayer's proper remedy is that designated by law, and he cannot avoid payment of his taxes on the ground that his property was valued at a higher rate than that of other persons similarly situated. *State v. Sadler*, 21 Nev. 13.
12. **ASSESSMENT OF PERSONAL PROPERTY—ACTS OF ASSESSOR.** In assessing property not taxable the Assessor acts ministerially and not judicially, and is personally liable. *Ford v. McGregor*, 20 Nev. 448.
13. **REMEDY FOR EXCESSIVE VALUATION OF ASSESSOR.** If an owner is dissatisfied with the valuation placed upon property, by the Assessor, his remedy is by an application for reduction to the Board of Equalization. *State v. Wright*, 4 Nev. 251.
14. **WHEN OBLIGATION OF TAXPAYER BECOMES FIXED.** When an assessment for taxes is made, and the Board of Equalization has acted thereon, an obligation immediately arises to pay the state the amount of taxes fixed; and it is idle to inquire into irregularities in the conduct of officers after the liability of the taxpayer is thus determined. *State v. W. U. Tel. Co.*, 4 Nev. 338.

Assessor Liable for Taxes, When—Duties of Auditor—Duties of District Attorney—Neglect of Assessor, How Excused—Double Taxes Levied, When.

1085. SEC. 9. The Assessor and his sureties shall be, and they are hereby made liable for the taxes on all taxable property within the county, which is not assessed through the Assessor's willful or inexcusable neglect; and proof of the non-assessment of any taxable property within the county, shall be prima facie evidence of such neglect. It shall be the duty of the County Auditor and County Treasurer to inform the District Attorney of the county of the nature and value of all property not assessed, naming the owner or owners thereof, whenever they, or either of them, shall know or have good reason to believe any property within the county has not been assessed according to law.

It shall be the duty of the District Attorney of the several counties of this state, on the first Monday of January of each year, to report in writing to the Board of County Commissioners of his county, a list of all taxable property, real and personal in the county, unassessed, at which time the Assessor of such county may appear, and by testimony under oath or other sworn proof, explain to the board the reason of such non-assessment. If, after hearing such proofs, the said board shall be satisfied that such non-assessment was excusable in the Assessor, it shall cause an order to that effect to be entered upon the minutes, and if the said board shall be satisfied that any non-assessment was not excusable, then said board shall cause an order to that effect to be entered on its minutes, when it shall be the duty of the District Attorney of such county to demand of the Assessor thereof all the state and county taxes due and payable upon such property for the preceding year, and if the same shall not be paid by such Assessor within ten days from such demand, then said District Attorney shall forthwith commence an action in a court of competent jurisdiction against such Assessor and his sureties, for the collection, in one suit, of all sums payable by such Assessor as aforesaid; *provided, however*, if it can be proven that any non-assessment was caused by the refusal of the owner, agent or claimant of such property, or of the person or persons having it in possession or under his control or charge, to give a list of it to the Assessor, the Assessor shall not be liable; but the person or persons whose refusal to give the Assessor such list (and whose duty it was under the law to give such list) caused the omission, shall pay double the amount of the taxes that would have been imposed upon the property had it been assessed.

Lists Under Oath Shall Describe Property.

1086. SEC. 10. At the same time and in the same manner as other lists of property, herein required, are given, each and every person shall deliver, under oath or affirmation, to the Assessor, a similar list of all real estate, with the improvements thereon, and all personal property which he, and the firm of which he is a member, and the corporation of which he is President, Cashier, Treasurer, Secretary, Trustee or managing agent, owns, claims or has the charge, possession or control of, in any other county of the state, which he does not, of his own personal knowledge, know has been assessed in such other county for that year, which list shall particularly describe each tract of land and each city or town lot contained therein (so that the same may be found or known by such description), and all vessels, steamers and other water craft, and shall also specify each and all deposits, if any, and persons with whom such deposit or deposits are made, and the places in which the same may be found, unless he shall have included all such money, gold dust, gold and silver bars and bullion in the list of property in his county, which it shall be lawful to do; and shall also specify the kind and nature of all other personal property in such county belonging to or under the charge, control or in the possession of him or them.

Property in Other Counties.

1087. SEC. 11. Every Assessor, as soon as he shall have received a list of any property in another county, under the foregoing section, shall make out from the list delivered to him a list for each county in which any such taxable property may be, and shall transmit the same, by mail or express, to the Assessor of the proper county, who shall assess the same as other taxable property therein, if it has not been before assessed for the same year.

Property Assessed in Several Counties.

1088. SEC. 12. When real property is assessed by the County Assessors of two counties on territory claimed by both, the owner of the real estate assessed is hereby authorized to pay said taxes in either county that he may select, and in case of suit being brought for the non-payment of said taxes in the county in which said suit may be brought, the production of a tax receipt for the current year on said property, signed by the proper officer, although in an adjoining county claiming jurisdiction, of a date prior to the commencement of said action, shall entitle said taxpayer to a dismissal of said suit, free of cost.

ABOVE SECTION CONSTRUED. Humboldt Co. v. Lander Co., 24 Nev.

Property of Partnership and Incorporations—Estates of Deceased Persons, How Assessed.

1089. SEC. 13. The owner or holder of any stock, in any firm, incorporated company or association, the entire capital of which is invested in property which is assessed, or the capital of which is assessed, shall not be assessed individually for his stock in such company or association, nor shall any person having an interest in any partnership or firm be individually assessed for the partnership or firm property, if such property is assessed to the partnership or firm. The property of every firm, incorporated company or association shall be taxed in the county where the property is situated; *provided*, that whenever any portion of the property of any such company shall be assessed and taxed in the county wherein the same is located, then, upon presentation at the principal office of such company, of the certificate or receipt of the collector of said county, that such taxes have been paid in another county, the same shall be deducted at the principal office from the aggregate amount of taxes imposed upon, or paid by said company, for the same property, in the county wherein the principal office of said company is situated.

The undivided property of deceased and insane persons may be listed to the heirs, guardians, executors or administrators, as the case may be, and a payment of taxes made by either, shall bind all the parties in interest for their equal proportions. It is hereby made the duty of every District Judge, from time to time,

to direct each and every administrator, executor and guardian (which direction may be especially given in each case or by general order) to pay, out of the funds of the estate, all taxes that have attached or accrued against such estate after the passage of this Act; and no order or decree, for the distribution of any property of any decedent among the heirs or devisees, shall be made until the taxes which have been attached to or accrued against the estate shall have been paid.

Falsely Listing Property, Perjury.

1090. SEC. 14. If any person shall willfully make or give, under oath or affirmation, a false list of his, her or their taxable property, under his or her control, such person shall be deemed guilty of perjury, and, upon conviction thereof, shall be punished therefor as is by law provided for the punishment of perjury.

Mortgaged Personal Property.

1091. SEC. 15. When personal property is mortgaged or pledged it shall, for the purpose of taxation, be deemed the property of the person who has the possession thereof.

Assessors to Prepare List—Cost of Printing.

1092. SEC. 16. It shall be the duty of the Assessor in each of the respective counties of the state on or before the second Monday in September in each year to prepare a printed list of all the taxpayers in the county and the total valuation of property on which they severally pay taxes. A copy of said list shall be by the said Assessor delivered in person or mailed to each and every taxpayer in the county; *provided*, that the cost of printing the aforesaid list shall not exceed twenty cents for each name for as many copies as there are names on the list. The several Boards of County Commissioners in the state are authorized and empowered to allow the bill contracted by the Assessor under this section, and the several County Auditors are authorized to draw their warrants in payment for the same. *As amended, Stats. 1893, 44.*

It shall be the duty of the Assessor to prepare a tax list, or assessment roll, indexed or alphabetically arranged, in the book or books furnished by the Board of County Commissioners for that purpose, in which book or books shall be listed all the real estate, improvements on real estate, including improvements on public lands and other personal property within the limits of the county, and in said book or books there shall be set down in separate columns:

First—The names of the taxable inhabitants, firms, incorporated companies, or associations, in alphabetical order, if known; if unknown, the property shall be assessed to unknown owners, and if any person shall refuse to make a statement of his property under oath, as required by this Act, that fact shall be noted under his name.

Second—All real estate, including the ownership or claims to, or possession of, or right of possession to any land and improvements, taxable to each inhabitant, firm, incorporated company, or association, described by metes and bounds, or by common designation or name, if situated within the limits of any city or incorporated town, described by lots or fraction of lots; if without said limits, giving the number of acres, as near as can be conveniently ascertained, and the location and township where situated; all improvements on public lands, describing as nearly as possible the location of said improvements; *provided*, that when two or more parties claim, by description, the same land, it shall be assessed to each party making such claim or giving such description, according to the estimated value of the claims of each.

Third—The cash value of real estate, including the possessory claim to lands and the improvements thereon.

Fourth—The cash value of all improvements on real estate, including possessory

claims, where the same is assessed to a person other than the owner of said real estate.

Fifth—The cash value of all personal property except improvements on real estate or on public lands, taxable to each and exclusive of money and solvent debts.

Sixth—Amount of money and solvent debts.

Seventh—The total value of all property taxable to each. Assessor to Prepare Map.

1094. SEC. 18. The Assessor shall also, when directed by the Board of County Commissioners, in a book, make a map or plan of the various blocks within any incorporated city or town, and shall mark thereon the various subdivisions, as they are assessed; and in such subdivision he shall mark the names of persons to whom it is assessed.

Completion of Assessment Roll—Oath of Assessor.

1095. SEC. 19. On or before the second Monday of September in each year the Assessor shall complete his tax list or assessment roll, and he or his deputy, as the case may be, shall take and subscribe to an affidavit written therein to the effect that he has made diligent inquiry and examination to ascertain all the property within the county subject to taxation, and that he has assessed it on the assessment roll equally and uniformly, according to the best of his judgment, information and belief, at its full cash value; but the failure to take or subscribe to such affidavit shall not in any manner affect the validity of any assessment contained in said assessment roll. *As amended, Stats. 1893, 46.*

- 1. WHEN ASSESSMENT ROLL TO BE MADE.** The time prescribed by the revenue law within which the Assessor is to complete his assessment roll, is only for the convenience of other officers; if the Assessor is dilatory, he may render himself liable on his bond, but his dilatoriness furnishes no matter of which a taxpayer can complain, or on account of which he can defeat the tax. *State v. W. U. Tel. Co., 4 Nev. 338.*
- 2. CERTIFICATE OF ASSESSOR TO ASSESSMENT ROLL.** There is no particular form required for the certificate of the assessment roll, nor does it have to be a sworn certificate. *Id.*

3. **ASSESSMENT ROLL NOT TO BE ALTERED.** The Assessor has no authority to alter the assessment roll after it has passed out of his hands, not even to correct a mistake. *State v. Manhattan S. M. Co.*, 4 Nev. 318.
4. **ASSESSMENT ROLL—DUTY OF ASSESSOR—PRESUMPTION.** Under the provisions of sections 17 and 19, it is the duty of the Assessor, on or before the first Monday of September of each year, to complete the assessment roll, which must contain a list of all the property in the county, real and personal, subject to taxation. In the absence of a showing to the contrary, it will be presumed that the Assessor obeyed the law, in this respect, and that the property in question was properly listed upon the assessment roll. *State v. Meyers*, 23 Nev. 274.
5. **ASSESSMENT ROLL—TIME FOR COMPLETING IT DIRECTORY—DEFENSE WHEN TAXPAYER HAS BEEN INJURED.** The provisions of the statute, as to the time for completing the assessment roll is merely directory, and any irregularity in that respect is a defense in an action for the taxes only to the extent that the taxpayer, has been injured thereby. *State v. Northern Belle M. & M. Co.*, 15 Nev. 385.

Notice of Meeting of Board of Equalization.

1096. SEC. 20. As soon as completed, the assessment roll, together with the map book, and all statements made by taxpayers, shall be delivered to the Clerk of the Board of County Commissioners, who shall immediately give notice thereof, and of the time the Board of Equalization will meet to equalize assessments, by publication in one newspaper, if any be printed in the county, and if none, then in such manner as the Board of County Commissioners shall direct; and in the meantime the assessment roll shall remain in the office of said Clerk for public inspection.

NOTICE OF ASSESSMENT ROLL. If a party appear before the board, he cannot complain of the want of notice, or that no notice was given as required by law. *State v. W. U. Tel. Co.*, 4 Nev. 338.

Basis of Taxation.

1097. SEC. 21. The assessment made by the County Assessors, as apportioned by the Boards of County Commissioners, shall be the only basis of taxation for city, town, school, road, or other districts, in their respective counties. *As amended, Stats. 1893, 47.*

SEC. 22 repealed. *Stats. 1893, 47.*

COUNTY BOARDS OF EQUALIZATION.

Powers and Duties—Rights of Taxpayer When Valuation Has Been Added.

1098. SEC. 23. The Board of County Commissioners of each county shall constitute a Board of Equalization, of which board the Clerk of the Board of County Commissioners shall be Clerk. The Board of Equalization of each county shall meet on the third Monday in September in each year, and shall continue in session from time to time until the business of equalization presented to them is disposed of; *provided, however*, that they shall not sit after the first Monday of October, except as in this section provided. The board shall have power to determine the valuation of any property assessed, and may change and correct any valuation, either by adding thereto or deducting therefrom, such sum as shall be necessary to make it conform to the actual cash value of the property assessed, whether said valuation was fixed by the owner or Assessor; except that in case where the person complaining of the assessment has refused to give the Assessor his list under oath, as required by this Act, no reduction shall be made by the board in the assessment made by the Assessor. If the board find it necessary to add to the assessed valuation of any property on the assessment roll, they shall direct the Clerk to give notice to the person so interested, by letter deposited in the postoffice or express, or otherwise, naming the day when they shall act in that case, and allowing a reasonable time to appear. As soon as possible after the adjournment of the board in September its clerks shall make out a list of all persons who have not appeared before the board, the valuation of

whose property has been added to on the assessment roll, and shall state the amount so added, and list of all property, the valuation on which has been added to on the assessment roll, with the amounts so added, the owners of which have not appeared before the board; and the Board of County Commissioners shall cause the same to be published in one newspaper in the county, if there be any, and if not, then by posting one copy of the same in a public place in each election precinct in the county, and any person, to the assessed value of whose property there was an amount added, not appearing before the Board of Equalization in September, may appear before it in October, and upon making affidavit that he had no knowledge of such increased valuation of his property, he shall be given a hearing and the final judgment of the board, and the Clerk of the Board shall note all changes made and report the same to the Auditor, who shall make the changes required on the original assessment roll. The Assessor, either in person or by deputy, shall be present, also any deputy whose testimony may be required by the parties appealing to the board, and they shall have the right to make any statement touching such assessment and to produce evidence relating to questions before the board. The Recorder of the county shall be also present and attend on the board with an abstract of all unsatisfied mortgages and liens remaining on record in his office, arranged in alphabetical order, for which service he shall receive no compensation, and the Board of Equalization shall make use of such abstract and of all other information that they can procure from the Recorder in the Recorder's office or otherwise in equalizing the assessment roll of the county, and may require the Assessor to enter upon such assessment roll any mortgage or lien or other property which has not been assessed, and the assessment and equalization so made shall have the same force and effect as if made by the Assessor before the delivery of the assessment roll by him to the Clerk of the Board of County Commissioners. On the second Monday in October the Board of County Commissioners shall meet as a Board of Equalization to equalize the assessment roll and hear complaints in the excepted cases mentioned in this section. *As amended, Stats. 1893, 47.*

See Sec. 1227.

Quorum.

1099. SEC. 24. A quorum of the Board of County Commissioners shall be sufficient to constitute the Board of Equalization, and a majority of the members present shall determine the action of the board.

SEC. 25 repealed, Stats. 1893, 48.

1. **BOARDS OF EQUALIZATION—JURISDICTION AND POWERS.** Boards of Equalization can only exercise such powers as are expressly granted, and when the law prescribes the mode which they must pursue in the exercise of those powers, it excludes all other modes of procedure. *State v. C. P. R. R. Co., 21 Nev. 270.*
2. **BOARD OF EQUALIZATION—NO JURISDICTION TO RECONSIDER.** A Board of Equalization is of special and limited jurisdiction, having only such powers as are specially conferred upon it. The statute confers upon it the power to determine all complaints concerning the assessment of property, but after the determination of such complaints its action is final and it has no power to reconsider and change its action. *State v. C. P. R. R. Co., 21 Nev. 172.*

BOARD OF EQUALIZATION—ASSESSMENT—FRAUD. In the absence of fraud, the statute makes the action of a Board of Equalization in equalizing the valuation of property final, and an allegation of fraud upon the part of the Assessor in fixing values, when it is not claimed that the Board of Equalization acted fraudulently in confirming the Assessor's valuation, is no ground for disturbing the valuation. *Id.*

3. **BOARD OF EQUALIZATION OF SPECIAL AND LIMITED JURISDICTION.** The Board of Equalization is of special and limited jurisdiction, and its record must show affirmatively the necessary jurisdictional facts. *State v. Washoe Co., 5 Nev. 317.*

EQUALIZATION—REDUCTION OF ASSESSMENTS. Under the Revenue Act of 1866 (Stats. of 1866, 168, Sec. 15) the Board of Equalization has no power to reduce an assessment when the person complaining has refused to give the Assessor a statement under oath of his property. *Id.*

4. ALL PROPERTY TO BE EQUALIZED. Under section 23 of the revenue law, which provides that the Board of Equalization "shall have power to determine the valuation of any property assessed," the Board has power and jurisdiction to equalize all property, without qualification or condition. *State v. Meyers*, 23 Nev. 274.

BOARD OF EQUALIZATION—PERSONAL PROPERTY—JURISDICTION. Under section 23 above it is not necessary that a complaint should be made to give the board jurisdiction of the subject. *Id.*

5. EQUALIZATION—COMPLAINT, HOW MADE. A complaint made by any person to the Board of Equalization, orally or in writing, that an assessment is too high or too low, and asking that it be reduced or raised, is sufficient to authorize the board to act. *State v. Northern Belle M. Co.*, 12 Nev. 89.

NOTICE TO BE GIVEN. If the complaint is of undervaluation, the board must give reasonable notice to the party assessed when it will act upon the complaint. *Id.*

6. COUNTY COMMISSIONERS CANNOT COMPROMISE TAX SUITS. The Board of County Commissioners have no power to compromise and settle suits instituted by the state for the collection of delinquent taxes. *State v. C. P. R. R. Co.*, 9 Nev. 79.

POWERS OF COUNTY COMMISSIONERS SPECIAL AND LIMITED. Boards of County Commissioners are inferior tribunals of special and limited jurisdiction, and their action must affirmatively appear to be in conformity with some provision of law giving them power or it will be without authority. *Id.*

POWER TO REDUCE TAXES. The only authority giving County Commissioners power to reduce or in any manner change taxes as assessed is vested in them as Boards of Equalization; and when acting in that capacity they must comply literally with the plain provisions of the statute. *Id.*

COUNTY COMMISSIONERS CANNOT RELEASE LIEN OF TAXES. When taxes are levied they become a lien, and when the Board of Equalization has acted an obligation immediately arises on the part of the party taxed to pay the state the amount due; and thereafter County Commissioners can neither release the property from the lien nor discharge the party from his obligation. *Id.*

7. COUNTY COMMISSIONERS HAVE NO POWER TO RELEASE PROPERTY FROM TAXATION. County Commissioners have no power to discriminate as to the character of the property which should be subject to taxation. That is a question for the legislature, subject to the provisions of the constitution. *State v. Gracey*, 11 Nev. 223.

8. JURISDICTION OF BOARD OF EQUALIZATION TO RAISE ASSESSMENT—CERTIORARI. If the Board of Equalization acts without jurisdiction in raising an assessment, that is a good defense *pro tanto* in any suit for the tax, and in such a case the writ of certiorari ought not to be issued to review the action of the board. *State v. Washoe Co.*, 14 Nev. 140.

WRITTEN COMPLAINT NOT NECESSARY. The law does not require that a written complaint shall be filed in order to authorize the Board of Equalization to raise an assessment. *Id.*

PUBLICATION OF NAMES MERELY DIRECTORY. The law requiring a list of persons, the valuation of whose property has been raised by the Board of Equalization, is merely directory. It is not a defense in a tax suit unless it has actually injured the defendant. *Id.*

9. CONTINUANCE OF SESSIONS. Boards of Equalization are not required to remain in continuous session during the time fixed by law for hearing complaints against the Assessor's valuation of property, unless there is business before them to transact. *State v. C. P. R. R. Co.*, 21 Nev. 270.

CESSEATION OF POWERS AFTER ADJOURNMENT. When a Board of Equalization meets on the day fixed by law and, there being no business before it, adjourns until a day subsequent to the last day fixed by law for hearing complaints, its powers cease for the remainder of the year, except to examine the particular cases designated by the statute. *Id.*

10. REDUCTION OF ASSESSMENT BY BOARD OF EQUALIZATION—JURISDICTIONAL FACTS MUST BE AFFIRMATIVELY SHOWN. When a railroad company claims that its taxes, as assessed by the County Assessor, have been reduced, it must affirmatively show the jurisdictional facts that a complaint was made by it to the Board of Equalization of the Assessor's valuation of the property. *State v. C. P. R. R. Co.*, 17 Nev. 259.

RECORD MUST SHOW FACTS. Record must show complaint was made. Oral testimony of members of board inadmissible. *Id.*

11. NO EQUALIZATION OF TAXES NECESSARY WHERE NO INJUSTICE COMPLAINED OF. *State v. Manhattan S. M. Co.*, 4 Nev. 318.

12. SUBSEQUENT TAX ASSESSMENT—POWERS OF BOARD REGARDING—JURISDICTION—TIME FOR EQUALIZING, ETC. *State v. Ormsby Co.*, 6 Nev. 95; *V. & T. R. R. Co. v. Ormsby Co.*, 5 Nev. 341.

13. AUDITOR'S DUTIES AND LIABILITIES AS TO ASSESSMENTS FOR TAXES. *State v. Fish*, 4 Nev. 216.

Clerk to Enter Changes.

1100. SEC. 26. During the session, or within five days after the adjournment of the Board of Equalization, its Clerk shall enter upon the assessment roll all the changes and corrections made by the board, and shall immediately deliver said corrected roll, with his certificate attached, to the County Auditor. *As amended, Stats. 1893, 48.*

DUTIES OF AUDITORS IN RELATION TO REVENUE.

Auditor to Add Up Tax Roll.

1101. SEC. 27. The County Auditor, as soon as the assessment roll is delivered to him by the Clerk of the Board of Equalization, shall proceed to add up the valuations and to enter the total valuation of each kind of property and the total valuation of all property on the assessment roll, and he shall, on or before the fourth Monday in October of each year, deliver the same to the ex officio Tax Receiver, with his certificate attached, together with the maps or plat book. *As amended, Stats. 1893, 48.*

See Sec. 1229.

SECS. 28 and 29 repealed, Stats. 1893, 48.

Auditor to Charge Tax Receiver With Amount of Taxes.

1102. SEC. 30. On delivering the assessment roll to the ex officio Tax Receiver, the Auditor shall charge him with the full amount of the taxes levied, and he shall forthwith transmit by mail to the State Controller a statement showing the assessed valuation of all property in the county and the amount of taxes levied thereon for state and county purposes.

COLLECTION OF PROPERTY TAXES.

County Treasurers to Be Tax Receivers.

1103. SEC. 31. The several County Treasurers of this state shall be ex officio Tax Receivers, under the provisions of this Act, for their several counties, and they shall receive all taxes on real and personal property and receipt for the same.

Notice to Taxpayers, How Given—Taxes Delinquent.

1104. SEC. 32. Upon receiving the assessment roll from the Auditor, the ex officio Tax Receiver shall proceed to receive the taxes, and shall forthwith give notice by publication in some newspaper published in his county, and if none be so published, then by posting notices in three public and conspicuous places in the county, that taxes will be delinquent on the first Monday in December, and that unless paid prior thereto ten per cent will be added to the amount thereof; and he shall forward by mail a postal card to each taxpayer whose residence is outside of the county seat, if the postoffice address of such taxpayer is known to him, notifying him or them of the amount due.

Duties of Tax Receiver When Tax is Paid.

1105. SEC. 33. Whenever any tax is paid to the ex officio Tax Receiver he shall mark the word "paid" and the date of payment in the assessment roll opposite the name of the person or description of the property liable for such taxes,

and shall give a receipt therefor, specifying the amount of the assessment and the amount of the tax and a description of the property assessed. But no ex officio Tax Receiver shall receive any taxes for any portion less than the least subdivision entered upon the assessment roll; *provided, always*, that an owner of undivided real estate may pay the proportion of taxes due on his interest therein.

TAXES UPON SUBDIVISIONS. The law permits and the taxpayer has a right to pay the tax on subdivisions of his property without paying the taxes upon his entire property. *State v. C. P. R. R. Co.*, 21 Nev. 94.

TENDER—DUTY OF TAX RECEIVER. It is the duty of the Tax Receiver to receive the full taxes on the least subdivisions entered on the assessment roll, when properly tendered, and to give his receipt therefor. When a public officer has been clothed by statute with power to do an act which concerns the rights of third persons, the execution of the power may be insisted on, though the phraseology of the statute be permissive merely, and not peremptory. *Id.*

Taxes Delinquent—Delinquent Tax List—Notice to Be Given.

1106. SEC. 34. On the first Monday in December the ex officio Tax Receiver, at the close of his official business on that day, shall enter upon the assessment roll a statement that he has made a levy upon all the property therein assessed, the taxes upon which have not been paid, and shall immediately ascertain the total amount of taxes then delinquent, and file in the office of the Auditor the list of all persons, and property then owing taxes, verified by the oath of himself or deputy, which shall be completed by the second Monday in December and shall be known as the delinquent list; and the Auditor shall immediately cause said list to be published in at least one newspaper in his county for not less than one nor more than four weeks, and if no newspaper be published in the county, then a copy thereof shall be posted by the Auditor in at least five conspicuous places within the county; *provided*, that the cost of publication in each case shall be charged to the delinquent taxpayer and shall, in no case, be a charge against the state or county; *and provided, further*, that such publication shall be made at not more than legal rates.

1. STATUTE REQUIRING DELINQUENT LIST DIRECTORY. The provisions of the statute for a delinquent list are merely directory; the omissions to comply with them do not avail the defendant in a tax suit. *State v. C. P. R. R. Co.*, 10 Nev. 47.

2. IMPROPERLY VERIFIED TAX ROLL—DUTY OF TAXPAYER. An objection to the introduction of the delinquent tax roll in evidence, on the ground that it is not properly verified by the County Treasurer is immaterial, when the defendant, after his objection is overruled, cured the error, if any existed, by introducing the original assessment roll, which gives the true assessment of his property. There is no necessity of proving a delinquency, as it is the duty of the taxpayer, when his assessment is once properly made, to seek the proper officer and pay his taxes. *State v. Sadler*, 21 Nev. 13.

REPETITION OF DOLLAR MARK UNNECESSARY. The dollar mark placed at the head of columns of figures is sufficient and need not be repeated before each item. *Id.*

OMISSION OF DIRECTORY REQUIREMENTS—TAXPAYER NOT RELEASED. The acts required of officers "between the assessment and commencement of suit" are directory merely, and their omission will not release the taxpayer from his obligation to the state. *Id.*

3. State v. Eureka Con. M. Co., 8 Nev. 15; *State v. Northern Belle M. Co.*, 15 Nev. 385.

Money, How and When Apportioned.

1107. SEC. 35. The County Treasurer shall, on Monday in each week, apportion all the money that shall have come into his hands, as ex officio Tax Receiver, during the preceding week into the several funds, as provided by law, and shall make out a statement, under oath, of the same, and transmit said statement to the Auditor, to be by him filed in his office.

Assessment Roll Turned Over, When and How.

1108. SEC. 36. On the second Monday in December in each year, the ex officio Tax Receiver shall attend at the office of the County Auditor with the

assessment roll, and the Auditor shall then and there administer to the ex officio Tax Receiver an oath, which shall be written and subscribed on the assessment roll, to the effect that each person and all property assessed in said roll on which taxes have been paid to him has the word "paid" marked opposite the name of such person, or the description of such property, and the Auditor shall then foot up the amount of taxes remaining unpaid, and shall make a final settlement with the ex officio Tax Receiver of all taxes charged against him on account of said assessment roll.

Delinquent List Sent to Controller.

1109. SEC. 37. Within ten days after such final settlement, the Auditor shall transmit, by mail or otherwise, to the State Controller a statement, in such form as the Controller may require, of all and each particular kind of property delinquent, and the total amount of delinquent taxes.

See Sec. 1230.

Neglect of Treasurer, Penalty—Duty of District Attorney.

1110. SEC. 38. If any Treasurer and ex officio Tax Receiver shall refuse, for a period of five days, or willfully neglect to make the settlement with, and statement to the Auditor of his county, as in this Act required, he and his sureties shall be liable to pay the full amount of taxes charged upon the assessment roll, and the District or Prosecuting Attorney, of his own volition, or on being instructed to do so by the State Controller or the Board of County Commissioners, shall cause suit to be brought against said Treasurer and ex officio Tax Receiver and his sureties for the full amount due on the Auditor's books. And if such suit is commenced, no credit or allowance whatever shall be made to such refusing or neglecting Treasurer and ex officio Tax Receiver for the taxes outstanding.

When Notice of Sale Given and What to Specify—Civil Practice Act Applicable.

1111. SEC. 39. Immediately after the second Monday in December of each year, the County Treasurer and ex officio Tax Receiver shall advertise the property, upon which delinquent taxes are a lien, for sale, in all cases where the delinquent tax, exclusive of poll taxes and penalties, does not exceed the sum of three hundred dollars, such sale to be made at the court house door of the county, on the third Monday in January next succeeding. Such notice shall be published in a newspaper, if there be one in the county, at least once a week from the date thereof until the time of sale, and if there be no newspaper in the county, such notice shall be posted in at least three public places in each township where delinquent property is situated, such posting to be at least twenty days prior to the day of sale; *provided*, that the cost of such publication shall not exceed two dollars for each or any case of delinquency. Such notice shall specify and give:

First—The name of the owner, if known.

Second—The amount of taxes due from him, together with the penalty and costs.

Third—The description of the property on which such taxes are a lien and which will be sold for the payment thereof.

Fourth—And that ten per cent on such taxes and costs of advertising will be collected in addition to the original tax, or the property sold for all of said sums, specifying the time and place of said sale, and that such sale is subject to redemption within six months after the date of sale by payment of all of said sums with three per cent per month thereon from date of sale until paid; *provided*, that such redemption may be made in accordance with the provisions of the Civil Practice Act of this state in regard to real property sold under execution, except as to percentage of redemption as in this section provided. The bidding at tax sales under the provisions of this section shall be for the smallest quantity of property that will pay the taxes, penalty and costs.

1. COLLECTION OF TAXES BY SUMMARY PROCESS. The power of taxation carries with it the right and power of collecting taxes by summary process. *Gibson v. Mason*, 5 Nev. 283.

2. DELINQUENT TAXES—SUMMARY PROCESS FOR COLLECTION. The summary process provided by statute for the sale of property for delinquent taxes amounting to less than three hundred dollars does not deprive a person of property without due process of law. *Sawyer v. Dooley*, 21 Nev. 390.

ITEM—DUE PROCESS OF LAW—CLASSIFICATION OF TAXPAYERS. Such summary proceedings do not deprive a person owing less than three hundred dollars of the equal protection of the laws; although, where the amount is more than that sum, there must be a regular action in court for its collection. This is only a reasonable exercise by the legislature of the right to classify the taxpayers. *Id.*

3. NON-PAYMENT OF TAXES—NEGLECT OF OFFICER. One taxpayer cannot be allowed to escape payment of his taxes because the collector has improperly failed to collect from another from whom taxes are due. *State v. Eastabrook*, 3 Nev. 173.

4. TAXPAYER NOT IN DEFAULT. A taxpayer is not in default until he has an opportunity to pay the taxes assessed against him. *State v. W. U. Tel. Co.*, 4 Nev. 338.

What Certificate of Sale Shall Recite—Treasurer May Buy.

1112. SEC. 40. After receiving the amount of taxes, penalty and costs, the Treasurer shall make out in duplicate a certificate, dated on the day of sale, stating (when known) the name of the person assessed, a description of the land sold, the amount paid therefor, that it was sold for taxes, giving the amount and year of the assessment, and specifying the time when the purchaser will be entitled to a deed, if the land is not sooner redeemed; *provided*, that if no one else shall bid upon any piece of land at such sale, the Treasurer shall bid the same in for the benefit of the county and state, and file a certificate thereof with the County Recorder; and the same shall be subject to redemption from the Treasurer the same as from a private purchaser; and if not redeemed, the title thereto shall vest in the county for the benefit of the county and state, and may be disposed of as provided by law. One of the duplicate certificates of sale issued by the Treasurer, in case of a private purchaser, shall be filed in the office of the County Recorder.

SALE OF PROPERTY FOR TAXES. Where property is sold for taxes in a summary manner, without any regular proceedings in a court of justice, it is essential that all the requirements of the law should be strictly complied with. *Ward v. Carson River W. Co.*, 13 Nev. 44.

Treasurer's Deed to Recite What—Fee.

1113. SEC. 41. If the property is not redeemed within the time allowed by law for its redemption, the Treasurer, or his successor in office, must make to the purchaser, or his assignee, a deed of the property, reciting in the deed substantially the matters contained in the certificate of sale, and that no person has redeemed the property during the time allowed for its redemption. The Treasurer shall be allowed a fee of three dollars for making such deed, which, together with the cost of acknowledging the same, shall be paid by the purchaser; *provided*, that when the deed is made to the county as the purchaser, the Treasurer shall make the deed and the County Clerk shall take the acknowledgment without charge.

Wright v. Cradlebaugh, 3 Nev. 341; *Bolan v. Bolan*, 4 Nev. 150.

Delinquents May Pay, When and How.

1114. SEC. 42. At any time after the second Monday of December and before the institution of suit, as in this Act provided, where the amount of taxes exceeds three hundred dollars, and before the sale of property where the amount of taxes does not exceed three hundred dollars, any delinquent taxpayer, upon a certificate from the Auditor giving a description of the property and the taxes thereon, may pay to the ex officio Tax Receiver the taxes assessed against said delinquent, with ten per centum addition, by way of penalty thereon, taking from the ex officio Tax Receiver duplicate receipts for the amount paid, one of which shall be filed with the County Auditor and the other, in cases where the amount of taxes, exclusive of the penalty for delinquency and exclusive of poll tax, exceeds three

hundred dollars, shall be filed with the District or Prosecuting Attorney of the county.

District Attorney Not to Begin Suit, When.

1115. SEC. 43. After having been served by any person with the duplicate tax receipt of the ex officio Tax Receiver for the total amount of taxes due from such person or upon a piece of property, with ten per centum additional, the District or Prosecuting Attorney shall not commence the suit authorized by this Act against such person or property; *provided*, that if any person shall fail to serve said receipt, said person shall pay all costs that may result from his or her negligence.

Disposal of Penalty.

1116. SEC. 44. The additional ten per centum herein provided for shall be paid into the county treasury for the use of the county.

Duties of Auditor When Tax Exceeds Three Hundred Dollars—Notice, How Given.

1117. SEC. 45. The Auditor shall, within three days after receiving the delinquent list, make out and deliver to the District and Prosecuting Attorney of his county, a list duly certified to by him of all delinquencies, where the delinquent tax, exclusive of poll taxes and penalties, exceeds the sum of three hundred dollars, charging him therewith, and shall at the same time give notice by publication in some newspaper in the county, if there be any, and if not, then by posting notices in three public places in the county, that the said list has been deposited with the District or Prosecuting Attorney, and that unless the delinquent taxes therein specified are paid to the Treasurer, as ex officio Tax Receiver, within twenty days from the publication or posting of such notices, action will be commenced by the District or Prosecuting Attorney for the collection of said taxes and costs. The Auditor shall make, or procure and file with the District or Prosecuting Attorney, an affidavit stating the contents of said notice and the manner and time of such publication or posting as required by this section.

Additional Bonds of District Attorney.

1118. SEC. 46. The District or Prosecuting Attorney, before receiving the delinquent list, as provided in the preceding section, shall enter into such additional bonds as may be required by the Board of County Commissioners. The said delinquent list, or a copy thereof, certified by the County Auditor, and showing unpaid taxes against any person or property, shall be prima facie evidence in any court to prove the assessment, property assessed, the delinquency, the amount of taxes due and unpaid, and that all the forms of law in relation to the assessment and levy of such taxes have been complied with.

Suit for Delinquent Taxes May Be Begun, When—Jurisdiction of Court.

1119. SEC. 47. The District or Prosecuting Attorneys of the several counties of this state are hereby authorized and directed, immediately after the time specified in section forty-five of this Act, to commence action in the name of the State of Nevada against the person or persons so delinquent, and against the real estate and improvements assessed so delinquent, and against all owners known or unknown, to recover such delinquent taxes in all cases where the delinquency, exclusive of poll tax and penalties, exceeds the sum of three hundred dollars. Such actions may be commenced in the county where the assessment is made, before any court in said county having jurisdiction of the amount thereof, and such jurisdiction shall be determined solely by the amount of delinquent taxes, exclusive of poll taxes and penalties sued for, without regard to the location of the lands or other property as to townships, cities or districts, and without regard to the residence of the person or persons, or owner or owners, known or unknown.

DUTY OF DISTRICT ATTORNEY. The duty of bringing suits for the collection of delinquent taxes is specially imposed upon the District Attorney. *Drake v. Hobart*, 12 Nev. 406; *State v. Cal. M. Co.*, 13 Nev. 203.

Costs and Penalties.

1120. SEC. 48. In all suits brought for the collection of delinquent taxes, as provided for in the preceding section, the complaint and summons shall demand, and the judgment shall be entered for twenty-five per centum in addition to the tax of ten per centum thereon and costs; and such tax, penalty and costs shall not be discharged, nor shall the judgment therefor be satisfied except by the payment of the tax, original penalty, costs, and the additional penalty herein prescribed in full.

1. **COUNTY COMMISSIONERS CANNOT COMPROMISE TAX SUITS.** Neither the Board of County Commissioners nor the District Attorney have any authority to make any compromise or composition with delinquent taxpayers, or to release them from the payment of their taxes. *State v. C. P. R. R. Co.*, 10 Nev. 47.

2. **A JUDGMENT FOR DELINQUENT TAXES MUST INCLUDE THE PENALTY.** In a suit for delinquent taxes and penalties, the attorneys for the state, including the District Attorney, consented to withdraw the claim for penalties from the consideration of the court, and take judgment for the amount of the tax. The judgment was so entered: *Held*, error; that it was the duty of the court to include the amount of the penalties in the judgment. *State v. Cal. M. Co.*, 15 Nev. 234.

CONSENT OF ATTORNEY AND STATE OFFICERS VOID. Neither the District Attorney, other counsel for the state, nor any of the state officers, are clothed with any authority to give consent to a judgment for delinquent taxes without including the penalties. *Id.*

RIGHT OF APPEAL. As no consent could be given to the entry of the judgment; *Held*, that an appeal lies in favor of the state, from the judgment. *Id.*

3. **SUIT FOR DELINQUENT TAXES AND PENALTIES—SAME CAUSE OF ACTION—WHEN MAY BE SEVERED.** The complaint in this action shows that an action was commenced by the state to recover the delinquent taxes and penalties due on the proceeds of defendant's mine, and thereafter, while said suit was pending and undetermined, the plaintiff, at the instance and by the consent of the defendant, in open court withdrew from the consideration of the court the question of plaintiff's right to recover the penalties in addition to said tax, without prejudice to plaintiff's right to bring an action for said penalties; that thereafter plaintiff brought this suit to recover said penalties: *Held*, upon a demurrer to said complaint, that this action might, although a part of the same cause of action, under the special facts alleged, be maintained for the penalties. *State v. Cal. M. Co.*, 13 Nev. 289.

WITHDRAWAL OF PENALTIES NOT A DISMISSAL OF THE ACTION. *Held*, that the complaint in this action does not show that the former action was dismissed, and that the demurrer upon the ground that there is another action pending for the same cause of action is well taken. *Id.*

4. **SUITS FOR DELINQUENT TAXES.** The rule of strict compliance with every form of law, required in cases where property is sold for taxes without a judgment, is not applicable to suits for delinquent taxes in the courts where jurisdiction has been once acquired. *State v. C. P. R. Co.*, 10 Nev. 47.

5. **DIVISION OF TWENTY-FIVE PER CENTUM PENALTY.** *Hobart v. Huffaker*, 11 Nev. 300.

6. **DISTRICT ATTORNEY HAS NO AUTHORITY** to extend time for payment of penalties due in a suit for delinquent taxes. *State v. Cal. M. Co.*, 15 Nev. 308.

Form of Complaint.

1121. SEC. 49. The complaint in said action may be as follows in form:
State of Nevada, County of _____ [Title of Court.]

The State of Nevada v. A. B. & Co., and the real estate and improvements in [describing them]. The State of Nevada, by C. D., District or Prosecuting Attorney of the county of _____, complains of A. T., then and there being County Assessor of said county, did duly assess and put down on an assessment roll all the real and personal

property in said county subject to taxation, and that said assessment roll was afterward submitted to the Board of Equalization of said county, and was by said board duly equalized as provided by law; that said A. B. was then and there the owner of, and that there was duly assessed to him the above described real estate, improvements upon real estate and certain personal property, and that upon such property there has been duly levied for the fiscal year A. Wherefore, said plaintiff prays judgment against A. B. for the sum of _____ dollars [the whole of said tax], and a separate judgment against said real estate and improvements, for the sum of _____ dollars [the tax due on real estate, improvements and personal property], and the ten per cent damages for non-payment thereof at the time, as required by law, and the additional penalty of twenty-five per centum, also required by law, and for such other judgment as to justice belongs, and for all costs subsequent to the assessment of said taxes and of this action.

C. D., District or Prosecuting Attorney, County of _____.

If the property be assessed to an unknown owner, then any fictitious name may be inserted to represent such owner as defendant.

Additional Recitals in Complaint.

1122. SEC. 50. In all suits brought by the District or Prosecuting Attorney of his county, or the attorney of incorporated cities and towns, for delinquent taxes, the said District Attorney is hereby authorized and empowered to make, in the summons and complaint, additional and more certain description than that contained in the assessment roll of the real property assessed and upon which suit is brought for the taxes due thereon, as he may deem proper, whether the same is an estate in fee, possessory claims, or claim to or right of possession to any lands; and where such additional description is made, evidence may be introduced to prove that the property described in the summons and complaint is the same property as that described in the assessment roll; *provided*, that the complaint and summons shall aver such fact, and the judgment and execution, and all proceedings thereafter, shall follow the description given in the assessment roll, and the additional description given in the summons and complaint.

COMPLAINT—DESCRIPTION OF PROPERTY. When the complaint does not contradict the assessment, but merely gives a more particular description, it is proper to admit testimony to show the property described in the assessment roll and the complaint are identical
State v. R. D. M. M. Co., 1 Nev. 523.

Style of Process—Procedure—Notice to Delinquents, Form of—Fees—Summons.

1123. SEC. 51. Upon a complaint in a district court, a summons shall be issued as provided in other civil cases, except that it shall require the defendant and all owners of or claimants to any real estate or improvements described in the summons, known or unknown, to appear and answer the complaint filed in said court on a day certain, which day shall not be less than thirty, nor more than forty days from the date of the summons. The summons so issued shall be served by the Sheriff, as follows:

First—As to the personal defendant, by delivering to and leaving with him a copy of the summons if found within the county. If the personal defendant cannot, after diligent search, be found within the county, then service may be made upon such personal defendant by publishing a notice, substantially in the form hereinafter prescribed, in some newspaper published in the county, if there be one, once each week for three successive weeks; and in case no newspaper is published in the county, or in case a newspaper is published in the county, and, from any cause whatever, the proprietor, manager or chief clerk of such newspaper refuse to publish the same (such facts to be shown by affidavit of the officer serv-

ing said summons), then the notice hereinafter prescribed may be posted at the court house door of the county in which the said suit is commenced, for twenty-one days, and no order of court shall be necessary for such publication or posting, but it shall be the duty of the Sheriff to publish or post said notice as herein provided, when the personal defendant cannot be found within the county, and to return the manner of service on the summons.

Second—As to real estate and improvements thereon, or improvements when assessed to a person other than the owner of the real estate, and as to all owners of or claimants to the same, known or unknown, service of the summons may be made by posting a copy of the summons in some public place on the real estate, or improvements, when assessed separately, for twenty-one days, and also by publishing or posting a notice in the same manner and for the same time as required in cases where the personal defendant cannot be found in the county. The last publication of the notice, and the last day of the twenty-one days, which the copy of the summons is required to be posted, shall expire at least ten days before the return day named in the summons. No other or further service shall be required, and the return of the officer, showing a service of the summons as herein required, shall be conclusive evidence of the due service of the summons upon the defendant named, the real estate and improvements thereon, when assessed separately, and upon all owners of and claimants to the same, known or unknown. If, on the return day named in the summons, the personal defendant fail to appear and answer the complaint, his default may be entered and final judgment entered by the Clerk, as in other civil cases, for the amount of taxes with ten per cent, damages, twenty-five, per centum additional penalty and costs; and if, upon the return day, no person appear and answer for the real estate and improvements thereof [thereon], or for the improvements when assessed separately, then the default of the said real estate and improvements thereon, or of the improvements, when assessed separately, and of all owners of or claimants to the same, known or unknown, may be entered, and final judgment rendered as in other civil cases. The notice required to be published or posted shall be substantially in the following form, and may include any number of cases in which the return day of the summons shall be the same:

State of Nevada, County of _____; District or Prosecuting Attorney's Office.

Notice of suits commenced.—To the following named defendants, and to all owners of, or claimants to the real estate and improvements thereon, or improvements, when assessed separately, hereinafter described, known or unknown. You are hereby notified that suits have been commenced in the [name of court, where held, etc.] by the State of Nevada, plaintiff, against each of the defendants hereinafter named, and each of the following described tracts or parcels of land with the improvements thereon, and improvements when separately assessed, and all owners of, or claimants to the same, known or unknown, to recover the tax and delinquency assessed to said defendant against said property, for the fiscal year commencing _____, and ending _____, and that a summons has been duly issued in each case; and you are further notified that unless you appear and answer the complaint filed in said cause, on or before the _____ day of _____, 18__, judgment will be taken against you, and the real estate and improvements herein described, for the amount of tax and delinquency specified, and cost of suit. Tax and delinquency A. B., describe real estate and improvements as in summons, \$____. C. D., personal property, assessed at \$____.

C. D., District or Prosecuting Attorney, _____ County.

It shall be the duty of the District or Prosecuting Attorney to file in the office of the County Recorder a copy of each notice published or posted, with the affidavit of the publisher or foreman in the office, setting forth the date of each publication of the notice, the paper in which the same was published; and the officer shall file a copy of the notice posted, with an affidavit of the time and place of posting, which copies so filed as aforesaid, or certified copies thereof, shall

be prima facie evidence of all facts therein contained, or contained in the affidavit, in all courts in this state. The publisher shall be entitled to two dollars for each case for publishing said notice, including the making of the affidavit. The Recorder shall be entitled to fifty cents for filing each notice of publication, including affidavit; and said sums so allowed shall be taxed and collected as other costs in the case, from the defendant, and in no case shall they be a charge against or collected from the county or state.

Answer of Defendant, What May Set Up.

1124. SEC. 52. The defendant may answer, which answer shall be verified:

First—That the taxes have been paid before suit.

Second—That the taxes with costs have been paid since suit, or that such property is exempt from taxation under the provisions of section five of this Act.

Third—Denying all claim, title or interest in the property, assessed at the time of the assessment.

Fourth—That the land is situate in and has been duly assessed in another county, and the taxes thereon paid.

Fifth—Fraud in the assessment, or in failing to comply with the provisions of this Act; or that the assessment is out of proportion to and above the actual cash value of the property assessed; *provided, however*, that in such last mentioned case, where the defense is based upon the ground that the assessment is above the value of the property, the defense shall only be effectual as to the proportion of the tax based upon such excess of valuation, but in no such case shall an entire assessment be declared void. *As amended, Stats. 1895, 39.*

1. Humboldt Co. v. Lander Co., 24 Nev.; State v. V. & T. R. Co., 24 Nev.

2. DEFENSE TO SUIT FOR DELINQUENT TAXES. Prior to the amendment of section 52 of the general revenue law, the defense by a defendant, sued for delinquent taxes, "that the assessment is out of proportion to and above the actual cash value of the property assessed," could not have been made. State v. V. & T. R. Co., 23 Nev. 283.

See State v. V. & T. R. Co., 23 Nev. 432.

3. PAYMENT OF TAXES—WHEN A DEFENSE. Where property is claimed for taxation by two different counties, its regular assessment by one of the counties, and the payment of the taxes to that county prior to the commencement of the action for delinquent taxes in the other county, is a complete defense to the latter action. State v. C. P. R. Co., 21 Nev. 172.

4. TAX SUIT—EVASIVE ANSWER OF PAYMENT. In a suit to recover a certain amount of delinquent taxes, where defendant pleaded that he had paid plaintiff a certain less sum and that plaintiff had accepted and received the same in full satisfaction and discharge: *Held*, that the pleading did not amount to an answer that the taxes had been paid or constitute a defense to the action. State v. C. P. R. Co., 9 Nev. 79.

5. TAX SUIT—FRAUD IN ASSESSMENT AS MATTER OF DEFENSE. Where, in a suit against the Central Pacific Railroad Company to recover taxes under an assessment made in the absence of a legal statement, defendant set up in answer that the assessment was made by the Assessor, fraudulently and contrary to his official judgment, at a sum nearly three times greater than the fair value of the property: *Held*, that such answer stated good matter of defense and was not demurrable. State v. C. P. R. Co., 7 Nev. 89.

MEANING OF ALLEGATION OF "FAIR VALUATION." Where, in answer to a tax suit, the defense was fraud in the assessment, and it was alleged that in a certain statement furnished the Assessor, (but which was informal) the property was "set down as of the value of \$3,000 per mile, which was a fair valuation thereof, and so known and believed by the Assessor": *Held*, that this amounted to an allegation that \$3,000 per mile was a just and fair value, and consequently that an assessment of \$15,000 per mile was excessive. *Id.*

6. DEFENSE IN TAX SUIT—CIVIL PRACTICE ACT—DEMURRER. The defendant in a suit brought for the collection of delinquent taxes has a right to interpose a demurrer to the complaint upon any of the grounds set forth as a cause of demurrer in the Civil Practice Act. State v. Yellow Jacket S. M. Co., 14 Nev. 220.

7. INSUFFICIENCY OF ALLEGATION. An allegation that property was assessed "in an amount greatly in excess of that authorized by law" is not sufficient to raise any issue as to the true cash value of the property, and to raise such issue such value should be alleged. State v. Sadler, 21 Nev. 13.

STATUTORY PROVISION.—NECESSARY AVERMENT. The statute expressly provides that "where the person complaining of the assessment has refused to give the Assessor his list under oath, as required under this Act, no reduction shall be made by the Board of Equalization in the assessment made by the Assessor." *Held*, that an allegation that defendant made application to the Board of Equalization for a reduction of his assessment must include the averment that the sworn statement was furnished to the Assessor, or that no demand for it was made, in order to constitute a defense to an action for the taxes. *Id.*

8. SUFFICIENCY OF ANSWER. In an action to recover delinquent taxes and penalties an answer denying a possessory claim to the lands and stating facts showing that the rights claimed are untaxable, presents a good defense, although it does not deny all claim, title or interest in the property assessed. *State v. C. P. R. R.*, 21 Nev. 94.

Character of Judgment and How Entered—Taxes for Personal Property a Lien on Real Property—Answer—Costs and Penalties as Liquidated Damages.

1125. SEC. 53. In case judgment is rendered for the defendant, it shall be general, without costs, and may be entered in favor of some one or more of them, and against others, as in other civil cases; but when defendants have no claim or title to the property at the time of assessment, judgment may, notwithstanding, be entered against the property by continuing the suit, and summoning the owner, known or unknown, as provided in section fifty-one of this Act. In case judgment is rendered for plaintiff, it may be entered against such defendant, or defendants, as are found liable for the tax, and for such portions as he or they may be found liable for. Judgment may be entered against the real estate, improvements, and personal property, for the taxes and costs severally due thereon; and when it appears on the assessment roll, and is not disproved at the trial, that the real estate, improvements, and personal property belong [belonged] to the same person or persons at the time assessments were made, then the whole tax of such person or persons for that year may be recovered out of any of such real estate, improvements, or personal property, or out of any other property of the defendant or defendants, at the time of levy under execution; *provided*, that upon such real estate and improvements assessed, lien shall attach thereon for the taxes due upon the personal property, and shall not be released from such lien until all taxes are paid, as provided in section three of this Act. Such judgments shall be a lien as aforesaid, as in other civil cases where judgments are rendered in the district court. Such liens shall not be extinguished until the delinquent tax and cost of sale for the same shall have been paid. The Clerk of the district court may issue execution upon judgments rendered in his court as in other civil cases. Judgment may be rendered by default, for want of an answer, as in other civil cases. In case any person shall be sued for taxes on any lands or improvements, of which he was the owner, or in which he had a claim or interest at the time of the institution of suit, and shall be discharged from personal liability, under an answer in conformity with the third subdivision of section fifty-two of this Act, and such lands or improvements shall be sold under a judgment obtained against it, and shall thereafter be redeemed by such discharged defendant, or if he shall pay the taxes and costs to prevent a sale, then such personally discharged defendant shall have, and is hereby given, the right of recovery over against the owner at the time of the assessment, or any subsequent purchaser, for the full sum of taxes and costs, or redemption money paid. And in every case of such recovery, the judgment shall, in addition to the taxes and costs, or in addition to the redemption money paid, include twenty-five per centum of the amount of taxes and costs of redemption money as liquidated damages; and the receipt of the District or Prosecuting Attorney for taxes and costs, or of the ex officio Tax Receiver for the redemption money, shall be prima facie evidence of the debt and of its amount.

Possession of Property Obtained, How—Redemption—Property of Persons Under Legal Disability—Exceptions.

1126. SEC. 54. An Act to regulate proceedings in civil cases in the courts of justice in the State of Nevada, approved March 9, 1869, and the several amend-

ments thereto, or amendments which may hereafter be made thereto, or laws passed under the government of the State of Nevada, so far as the same are not inconsistent with the provisions of this Act, are hereby made applicable to the proceedings under this Act, and any deed derived from the sale of real property under this Act shall be conclusive evidence of the title, except as against actual frauds or the payment of the taxes, by one not a party to the action or judgment in or upon which such sale was made, and shall entitle the holder thereof to possession of such property, which possession may be obtained by action in a justice's court for the unlawful withholding thereof in the same manner as where tenants hold over after the expiration of their lease; *provided*, that the officer in selling such property shall only sell the smallest quantity that will pay the judgment and all costs. All sales of real estate sold for taxes shall be subject to redemption at any time within six months after date of sale, by the payment of all costs connected with the suit and sale, together with interest at the rate of three per cent per month from date of sale up to time of redemption. When property is sold belonging to minors, or persons under legal disability, they shall have until six months after such disability is removed to redeem such property, as in other civil cases, by paying the whole amount of the judgment and all subsequent taxes and interests paid by and due to the purchaser at such sale, and fifty per cent in addition thereto. But this provision shall not apply when the executor or administrator of the estate, or the father, or, in case of his death, the mother or guardian of such minor children, or insane person, has been personally served with process.

Treasurer May Buy as Trustee—No Fees for Services—How Sold.

1127. SEC. 55. It shall be the duty of the Treasurers of the several counties of this state to attend all sales of property for delinquent taxes, and in case there shall be no bidders for any parcel or parcels of property offered for sale, to pay such tax and costs thereon, then such Treasurers may bid for and buy in such parcel or parcels of property as others will not buy; and such Treasurers shall take certificates of sale, or deeds, for such property, as other private buyers, specifying the trust aforesaid; and such Treasurers, and their successors in office, shall hold the property so bought in by them in trust for the use and benefit of the state and county, and any officers having fees due them in such cases, subject to redemption provided for by law, and subject in all cases to the trust aforesaid. Redemption may be made from such Treasurers in the same manner and upon the same terms as from any private buyer. When the time allowed by law for redemption shall have expired, and no redemption shall have been made, the officer who made such sale shall execute and deliver to such Treasurer who bought in such property a deed of the same, in trust as aforesaid; and such Treasurer, and his successors in office, upon obtaining a deed of any property, in trust as aforesaid, under the provisions of this Act, shall hold such property in trust until the same is sold, when, upon an order entered upon the record of the proceedings of the Board of Commissioners of his county, such Treasurer, or his successor in office, for a consideration mentioned in such order, shall make, execute and deliver, upon the payment of such consideration to him, to any purchaser an absolute deed, discharged of any trust, of the property mentioned in such order of the Commissioners.

Property Held in Trust May Be Rented—Rents, How Apportioned—Treasurer to Make Statement.

1128. SEC. 56. While such property is held in trust, as in this Act provided, such Treasurer, or his successor in office, shall collect any rents arising from the property purchased by him, as other private persons do, during the time such property is subject to redemption; and after the time of redemption has expired, until such property can be sold, he may rent the same, with the approval of the Board of Commissioners, for a price to be fixed in their minutes. Such rents shall be paid out by the Treasurer, or his successor in office, as follows:

First—To the payment of the costs and taxes for which it was sold, with the percentage allowed for redemption.

Second—To the payment of any taxes afterward accruing upon such property.

Third—Any balance shall be paid into the general fund of his county. The price for which any property shall be sold shall be appropriated in the same manner as the rents are directed to be paid in this section. The Treasurer, or his successor in office, shall file in the office of the County Auditor a monthly statement, on the first Monday in each month, of the amount of property sold and rents collected during the past month; and upon any money being paid him for purchase or rent, shall give a statement of the amount thereof to the person, who shall file the same with the County Auditor; and such Auditor shall give the person paying such money a receipt for the same, as having been paid to the Treasurer, and expressing the purpose or consideration upon which such payment was made.

Property to Be Included in Certificate of Sale.

1129. SEC. 57. The officer selling any property to a County Treasurer, in trust, as provided in this Act, shall embrace in one certificate of sale all property bid off by such Treasurer in any one day; and, at the expiration of the time for redemption, shall in one deed convey, in trust, to the Treasurer who bought such property, or to his successor in office, all property sold to such Treasurer and remaining unredeemed at any time after the expiration of the time for redemption; and the Recorder of the county shall record such certificates and deeds without payment of his fees until such property shall be sold or rented to pay the same.

Property Held in Trust to Be Assessed—Taxes Paid from Rent, When.

1130. SEC. 58. During the time any property is held in trust, under the provisions of this Act, it shall be annually assessed to such Treasurer, and his successors in office, in the same manner that the taxable property of private persons is assessed, except that such assessment shall express that it is made against him as a trustee. But no proceedings shall be taken to enforce the collection of such taxes against the trustee. When the property is sold or rented for sufficient to pay the taxes and costs legally chargeable against such property, then the same shall be, by the trustee, fully paid; and in case any parcel of property shall not be of sufficient value to pay all the tax, costs and percentage legally chargeable against the same, then the Board of Commissioners, upon a sale of such property, may remit the balance of such taxes over and above its value.

Allowance to Treasurer—Redemption Money, How Distributed—No Fees from County.

1131. SEC. 59. The County Treasurer, for his services under this Act, shall be allowed, upon the sale of any parcel of property held by him in trust or out of its rents, a reasonable compensation for his trouble, to be fixed by the Board of Commissioners in each case; and out of the sale price or rents of any property of which he is trustee, the Treasurer shall pay the costs due any officer for the enforcement of the tax upon such parcel of property, and all taxes owing thereon; and upon the redemption of any property from him as trustee, shall pay the redemption money over to any officers having fees due them from such parcels of property, and pay the tax for which it was sold and redemption percentage according to the proportion such fees respectively bear to such tax. In no case shall any service rendered by any officer under this Act become or be allowed as a charge against the county, nor shall the sale price or rent, or redemption money of any one parcel of property be appropriated to pay any cost or tax upon any other parcel of property than that so sold, rented or redeemed; and after paying all the tax and costs upon any one parcel of property, any balance remaining in the hands of the trustee shall by him be paid into the general fund of the county.

Treasurer Liable on His Bond.

1132. SEC. 60. Every County Treasurer and his successor in office, becoming trustees under the provisions of this Act, shall be liable upon his and their official bond for any misfeasance, malfeasance, failure or neglect to perform faithfully all the duties of their trust.

Amount of Fees—Costs May Be Apportioned by Court—Fees, How Collected.

1133. SEC. 61. There shall be allowed to all officers, except District or Prosecuting Attorneys, the same fees as are allowed in other civil cases. All officers shall perform such services as may be required of them under this Act without the payment of fees in advance. All costs shall be taxed and entered in the judgment against the person and the real estate and the improvements, when the judgment is the same against all; but if the judgment against the person and the property is for different sums, then the costs may be apportioned by the court as the same may be deemed just; *provided*, that no fees or costs shall be paid to any officer unless the same be collected from the defendant, except when property sold for taxes is purchased by the county, in which case the said county shall pay all fees and costs properly charged or taxed against such property, and the Board of Commissioners shall allow the fees and costs provided for in this section, and direct the same to be paid out of the general fund of the county.

Fitch v. Elko Co., 8 Nev. 271.

COUNTY OFFICERS PREFERRED CREDITORS IN ASSESSMENT AND COLLECTION OF TAXES. Grimes v. Goodell, 3 Nev. 79.

Duties of District Attorney on Collection of Taxes.

1134. SEC. 62. The District or Prosecuting Attorney shall, on the receipt of any money for taxes, enter the same on his delinquent list, opposite the description of the property, and shall, on Monday in each week, after the time fixed in this Act for the commencement of actions against delinquent taxpayers, pay to the County Treasurer all moneys collected by him for taxes, taking duplicate receipts for the amounts so paid, one of which receipts he shall on the same day file with the Auditor, and shall at the same time file with said Auditor a list of all judgments obtained by him up to that date for taxes under the provisions of this Act, stating therein the names of the defendants, if known, or if unknown, a description of the property, the amount of each judgment and the name of the court in which said judgment was obtained. He shall, on the Saturday next preceding the first Monday in April in each year, pay to the County Treasurer all moneys received by him for taxes and not previously paid over, taking duplicate receipts therefor, one of which shall in like manner be filed with the Auditor, and shall at the same time file with the Auditor a list of all judgments obtained by him and not previously filed, as herein provided. He shall also, on the day last mentioned, make and file with the County Auditor an affidavit stating that he has paid to the County Treasurer all moneys collected by him for taxes prior to that date, and filed the receipts therefor, and that the several lists filed by him, as herein directed, contain all judgments obtained by him under the provisions of this Act.

District Attorney to Settle With Auditor—County Commissioners to Strike Off.

1135. SEC. 63. On the first Monday of April in each year, the District or Prosecuting Attorney shall attend at the office of the County Auditor with the delinquent list or lists, and the Auditor shall then carefully compare the same with the Treasurer's receipts and statements filed by the District or Prosecuting Attorney; and if the same shall be found to be correct, the Auditor shall give to the District or Prosecuting Attorney a receipt specifying the same. The District or Prosecuting Attorney shall at the same time deliver to the Auditor a written statement of all delinquent taxes upon said delinquent list or lists remaining uncollected, or for which suit has not been brought, with his reason in detail for not being able to collect the same, or for not bringing suit; and the

Auditor shall immediately file the said delinquent list or lists and statement with the Clerk of the Board of County Commissioners, and the Board of County Commissioners shall revise the same by striking off such taxes as cannot be collected. The delinquent list or lists shall then be returned to the Auditor, who shall note the changes made, and shall then return the same to the District or Prosecuting Attorney, taking his receipt therefor. The County Auditor shall, in his report to the State Controller, state the amounts stricken off the delinquent list or lists by the Board of County Commissioners.

ABOVE SECTION CONSTRUED. The object of the section authorizing the Board of Commissioners to strike off from the delinquent list such taxes as cannot be collected, is to provide a means of balancing the account between the Auditor and District Attorney; the delinquent taxpayer cannot claim any advantage from it. *State v. C. P. R. Co.*, 10 Nev. 87.

DISTRICT ATTORNEY AUTHORIZED TO COMMENCE SUIT. The District Attorney is authorized to commence suit for delinquent taxes stricken off the delinquent list by a void order of the Board of County Commissioners. *Id.*

Penalties for Failure of District Attorney to Pay Over.

1136. SEC. 64. If any District or Prosecuting Attorney shall fail or refuse to pay to the County Treasurer, as provided in this Act, any money collected by him for taxes, he shall forfeit his office, and be forthwith removed therefrom, and shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine in any sum not exceeding five thousand dollars, or by imprisonment in the county jail for a period not exceeding one year, or by both such fine and imprisonment.

Fee in Tax Suit.

1137. SEC. 65. The District or Prosecuting Attorney shall be entitled, on each suit for the collection of delinquent taxes, to a fee of five dollars, with five per cent on the amount delinquent. Said fee and percentage shall be taxed and collected as costs, but in no case to be charged against the county or state.

PERCENTAGE OF DISTRICT ATTORNEY. *Held*, that the District Attorney is entitled to five per cent on the tax and penalty. *State v. Cal. M. Co.*, 13 Nev. 289.

COLLECTION OF TAXES BY THE ASSESSOR ON CERTAIN PERSONAL PROPERTY.

Duties of Assessor as to Personal Property.

1138. SEC. 66. The County Assessor in the several counties in this state, when he assesses the property of any person or persons, company or corporation liable to taxation, who do not own real estate within the county of sufficient value, in the Assessor's judgment, to pay the taxes on both his or their real and personal property, shall proceed immediately to collect the taxes on the personal property so assessed; but the party paying such taxes shall not be thereby deprived of his right to have such assessment equalized, and if, upon such equalization, the value be reduced, the taxes paid shall be refunded to such party from the county treasury upon the order of the Board of County Commissioners, in proportion to the reduction of the value made.

UNIFORM AND EQUAL VALUATION—TRUE CASH VALUE—INSUFFICIENT SHOWING. An agreed statement that the Assessor made a uniform and equal valuation of the kind, character, and species of merchandise to which defendant's belonged, does not show that the valuation of defendant's property, as made by the Assessor, was uniform with other kinds of personal property on the assessment roll, or that it was not equalized by the board at its true cash value, and is, therefore, insufficient to show that the raised valuation made by the board was unjust. *State v. Meyers*, 23 Nev. 274.

Assessor May Sell on Summary Process—Certificate to Purchaser—Court May Issue Citation—Fees, How Collected—Unlawful Acts, Penalties For.

1139. SEC. 67. If the person or persons, company or corporation so assessed shall neglect or refuse to pay such taxes on demand of the Assessor, the Assessor, or his deputy, shall seize sufficient of the personal property of the person or persons, company or corporation so neglecting or refusing to pay, to satisfy the taxes

and costs, and shall post a notice of such seizure, with a description of the property, in three public places in the township or district where it is seized, and shall at the expiration of five days, proceed to sell, at public auction, at the time and place mentioned in the notice, to the highest bidder, for gold or silver coin of the United States, a sufficient quantity of said property to pay the taxes and expenses incurred; and for this service the Assessor shall be allowed from the delinquent party a fee of three dollars. Upon payment of the purchase money, he shall deliver to the purchaser of the property sold, with a certificate of the sale, the amount of taxes or assessment, and the expenses thereon, for which the property was sold, whereupon the title of the property so sold shall rest absolutely in the purchaser. If, in any instance, the County Assessor shall be unable to find, seize and sell sufficient of the property of such person, persons, company or corporation to pay such taxes and costs of sale; and such person, persons, company or corporation shall neglect or refuse, on request of the Assessor, to pay the same, or neglect and refuse to turn out to the Assessor property sufficient to pay such taxes and costs of sale, it shall be the duty of the Assessor, if the sum exceed three hundred dollars, to go before the district court or the Judge thereof, at chambers, and in cases of three hundred dollars and less sums, then before a Justice of the Peace of the township wherein such party may reside, and make affidavit of the fact of assessment, the amount of taxes, the inability to find and seize property sufficient to pay such taxes and costs of sale; also, the fact of neglect or refusal to pay the same, or turn out property sufficient to pay the same and costs of sale. And on the filing of such affidavit, the court or Judge, or Justice of the Peace, as the case may be, shall issue a citation, ordering the party to appear forthwith, or at a subsequent period not to exceed five days, before such court, Judge or Justice of the Peace to answer under oath concerning his property. Such citation may be served by the Assessor, Sheriff, or any Constable of the county, and shall be served by delivering a copy thereof to such party personally. On the examination, if it shall appear that such party or parties have any money, goods, chattels or effects, the Judge or Justice of the Peace shall order sufficient thereof to be turned out to the Assessor to satisfy such taxes and costs of sale, and also costs of proceeding on the citation; and in case of a willful neglect or refusal by such party either to obey the order of citation or the order to pay, or to turn out property aforesaid, such party or parties shall be deemed in contempt of such court, Judge or Justice of the Peace, and may be proceeded against as in other cases of contempt, in civil cases in the courts of justice in this state. For service under the provisions of this section, such fees shall be allowed as for similar services in civil cases, to be collected only from parties owing such taxes. In other respects than herein provided, the proceedings under this section shall be conducted as provided in the Civil Practice Act of this state regulating proceedings supplemental to executions; and in case it appears from the affidavit of the Assessor that such person or persons owing such taxes is about to abscond from the county, or is about to convey his property with intent fraudulently to evade the payment of such taxes, in such cases the citation herein mentioned may direct the officer serving the same, to arrest such party or parties and bring him, her or them before the court, Judge or Justice of the Peace issuing the same. It shall not be lawful for a party served with the citation mentioned in this section, to sell or transfer his, her or their property or effects, so as to defeat the collection of taxes mentioned, or costs, or any part thereof. And any person or persons so doing shall be deemed guilty of a misdemeanor, and on conviction thereof shall pay a fine not to exceed two hundred dollars; and should the said taxes fail to be collected by such process, then no future liability shall attach to said Assessor therefor.

Assessor to Pay Over.

1140. SEC. 68. The Assessor shall, on the first Monday of each month, return to the Auditor a list of all collections made under the provisions of the preceding

section, under oath, and shall, at the same time, return all the original schedules of assessment of such property made the previous month, which schedules, after comparing with the sworn list of collections, the Auditor shall file in his office, and shall enter upon the assessment roll of his county for that year, when the same shall have come into his hands, and mark the word "paid" opposite the name of each party whose taxes are so paid. It shall also be the duty of the Assessor, on the first Monday of each month, to pay over to the Treasurer of the county all moneys collected under the provisions of the preceding section, taking duplicate receipts from said Treasurer for the amount so paid, one of which receipts the Assessor shall file with the Auditor.

Penalty for Assessor's Neglect—Duties of District Attorney and Auditor.

1141. SEC. 69. Should the County Assessor neglect or refuse to make the monthly statement of his collections of movable personal property tax, as required by law, or to file the original schedules of his assessments of such property, he shall be guilty of a misdemeanor in office, and shall, on conviction, be liable to a fine of not less than one hundred dollars or more than five hundred dollars, and imprisonment in the county jail for not less than ten and not more than one hundred days, or both such fine and imprisonment, and shall be removed from office. In case of such neglect and refusal, the County Auditor shall immediately inform the District Attorney of his county of such facts, whose duty it is hereby made to commence proceedings against the Assessor under this section.

Controller to Prepare Blank Receipts.

1142. SEC. 70. It is made the duty of the State Controller to prepare suitable blank receipts, to be issued by the several County Assessors on the payment to them of the taxes on movable personal property. Such blank tax receipts shall be of the form selected by the Controller, and shall be consecutively numbered by him for each county, and shall be countersigned by the County Auditor.

Controller to Send Receipts to Auditor.

1143. SEC. 71. Before the first of March in each year, the State Controller shall transmit to the several County Auditors a sufficient number of said blank tax receipts for use in each county. The County Auditor, on receiving such tax receipts, shall receipt to the Controller for the number so received, and shall immediately countersign and deliver them to the County Assessor, taking his receipt for the number so delivered.

Penalties Imposed on Assessors.

1144. SEC. 72. Should the County Assessor give any other receipt on the payment to him of any tax on movable personal property than that provided for in this Act, he shall be guilty of a felony, and on conviction thereof shall be punished by imprisonment in the state prison for a term of not less than one year or more than five years, and shall be removed from office.

Penalties Imposed on County Auditors for Neglect—Controller May Bring Suit to Enforce.

1145. SEC. 73. The County Auditor shall be liable on his official bonds for double the amount of the loss that the state and county may sustain through the defalcation of the Assessor, or otherwise, in cases where he has not notified the District Attorney of the neglect or refusal of the Assessor to make his monthly statement, under oath, of collection of the tax on movable personal property, as required by law. The State Controller shall have direction and control of all suits brought against the County Auditor under this Act, and a copy of the statement of amount lost by the state and county, made out and certified by the Controller, with the official seal affixed thereto, shall be sufficient evidence to support an action in any court of competent jurisdiction for the amount of such loss, without proof of the signature or official character of such Controller, subject, however, to the right of the defendant to plead and give in evidence as in other

actions, all such matters as shall be legal and proper for his defense or discharge. All moneys recovered under such suit against the County Auditor shall go, one-half into the general fund of the state, and one-half into the general fund of the county.

Assessor to Return Unused Blanks.

1146. SEC. 74. On the first Monday in December of each year, the Assessor shall return to the County Auditor all blank receipts for taxes on movable personal property received by him and not used, and also all stubs of the receipts used; and the County Auditor, after comparing the stubs of the receipts used with the monthly sworn statement made by the Assessor, and the original schedules of assessment of movable personal property on file in his office, shall immediately return such unused receipts and said stubs to the State Controller.

TAXES ON PROCEEDS OF THE MINES.

Payments Quarterly Same Rate as Other Taxes.

1147. SEC. 75. All proceeds of mines, including ores, tailings, borax, soda and mineral-bearing material, of whatever character, shall be assessed for purposes of taxation, for state and county purposes quarterly in the manner following: From the gross yield returned, or value of all ores, tailings, borax, soda or mineral-bearing material of whatever character, there shall be deducted the actual cost of extracting said ores or mineral from the mine; the actual cost of saving said tailings; the actual cost of transportation to the place of reduction or sale, and the actual cost of reduction or sale; and the remainder shall be deemed the net proceeds, and shall be assessed and taxed at the same rate *ad valorem*, as other property is taxed, as provided in this Act; *provided*, that there shall be no allowance made for expenses incurred prior to the quarter for which the assessment is made, excepting tailings and mines producing not more than one ton of ore or mineral-bearing material per day, for which expenses may be deducted for the four consecutive quarters preceding the quarter for which the assessment is made; *and, provided further*, that the net proceeds shall not a second time be assessed for taxation so long as such proceeds, in the form produced, remain in the possession of the person, firm or corporation producing the same.

1. PROCEEDS OF MINES ARE PERSONAL PROPERTY, and as such are subject to taxation. *Virginia City v. Chollar-Potosi G. & S. M. Co.*, 2 Nev. 91.
2. MINES AND MINING INTERESTS FAVORED. The taxation of the proceeds of mines is more favorable than if taxes were imposed directly upon the mines. *State v. Kruttschnitt*, 4 Nev. 178.
3. TAX ON PROCEEDS OF MINES—COLLECTED QUARTERLY. How Railroads Are to Be Assessed.

1236. SECTION 1. In all cases where a railroad is located and is being or has been constructed in or through one or more counties of this state, the President, Secretary, General Superintendent or Managing Agent of the corporation, company or person owning the same, or managing agent thereof, within the county, shall within a reasonable time after demand by the City Assessor of any county in or through which such road is being or has been constructed, furnish to such Assessor a statement under oath or affirmation, which shall be in writing, duly subscribed and sworn to before some officer authorized by the laws of this state to administer oaths, setting forth the length of said road in such county and the value thereof, with a list of the property, real and personal [except rolling stock], pertaining thereto, also the whole length of said road within the state, and the number and value of all locomotives and cars, commonly known as rolling stock, used on said road within this state, and an apportionment of the value of such rolling stock to such county, the same to be estimated according to the proportion which the true portion in said county bears to the whole length of said railroad within the state. But in the event that any portion of the rolling stock or personal property of a railroad company, operated wholly within this state, shall not be used or employed in all the counties through or into which such railroad runs, then such portion of said rolling stock or personal property shall only be assessed in the county or counties where used or employed, and shall not be considered in any apportionment of the value of the rolling stock or personal property of such railroad in counties where not used or employed. The statement, however, shall not be conclusive, nor shall the value therein fixed bind the Assessor; but he shall, notwithstanding, proceed to value and assess said property according to his official judgment.

Definition of the Word "Railroad"—Personal Property Assessed, How.

1237. SEC. 2. The word "railroad" shall be held to include, in addition to the track of said railroad, including the rails, couplings, spikes, ties, bridges, culverts, tunnels, cuts, fills, embankments, and the land owned by the right of way of such railroad, all the structures, fixtures, improvements and buildings of said railroad owned thereon or used in connection therewith. The personal property belonging to said railroad, or used in connection therewith, and in operating the same, including the rolling stock, furniture, tools, implements, wood and coal, shall be valued and assessed separately from the track of said road, and shall be listed and entered on the assessment roll under the head of personal property; all buildings and superstructures belonging to or used in connection with said railroad, except such as form a part of the track of said road, including depots, storehouses, woodsheds, machine shops and round-houses, shall be assessed separately from the track and listed as real estate.

Portion to Be Assessed as Part of Whole.

1238. SEC. 3. In ascertaining, assessing and fixing the value of any railroad for taxation the Assessor shall assess it the same as other property, and shall consider, treat and assess the portion thereof at its value within his county as an integral part of a complete, continuous and operated line of railroad, and not as so much land covered by the right of way merely, nor as so many miles of track consisting of iron rails, ties and couplings.

Failure to Furnish Statement.

1239. SEC. 4. If any corporation, company, or person owning such railroad failing, neglecting, or refusing, after being notified, to furnish a statement for assessment and taxation, as provided in this Act, the County Assessor may proceed to make the assessment in the same manner as in other cases, and as pro-

vided in an Act to provide revenue for the support of the government of the State of Nevada, approved March twenty-three, eighteen hundred and ninety-one.

6. **RAILROAD COMPANIES—TAXATION OF SURVEYED, UNPATENTED LANDS.** Since the Act of Congress of July 10, 1886, the surveyed but unpatented lands within the grant to the Central Pacific railroad are no longer exempt from taxation by reason of the government lien thereon for the costs of surveying, etc. The conditions contained in that Act to the effect that the lien shall continue, and that the United States may become a preferred purchaser at any tax sale of such land, control such sales, and there is no necessity for a legislative acceptance by the states of the conditions of the Act. State v. C. P. R. Co., 21 Nev. 247.
7. **RAILROADS.** The cash value of a railroad is measured by the amount of cash required to procure it, provided its utility is commensurate with its cost; and the amount of cash required to procure a railroad is, the necessary cost of its construction. State v. C. P. R. Co., 10 Nev. 47.

8. **VALUE OF RAILROAD, HOW DETERMINED—NET INCOME, WHEN GOVERNS.** The actual cost of a railroad is *prima facie* its value; but if it appears that the actual cost was in excess of the necessary cost, the necessary cost is its proper standing. If it further appears that the net income of the road does not amount to current rates of interest on its necessary cost, and is not likely to do so, or if the business of the road is likely to be destroyed or impaired, by competition or other cause, or, in short, if the utility of the road is not equal to its cost, then its value is less than its cost, and must be determined by reference to its utility alone. 9. **OMISSION TO STATE NUMBER OF ACRES—WHEN IT DOES NOT INVALIDATE ASSESSMENT OF RAILROADS.** The omission of the Assessor to state the number of acres of land assessed to a railroad company where the number of miles of the road is stated—where it is not shown that the railroad company was injured by the failure to state the number of acres—does not make the assessment void. If any of the foregoing questions shall be answered in the negative, except the fifth, or that in the affirmative, the applicant shall not be registered; but if the applicant answer all the foregoing questions in the affirmative, except the fifth, and that in the negative, and the Registry Agent shall still believe from the answers to such further questions as he may be led by circumstances to ask, that the applicant is not a qualified elector, he shall refuse to register the name of said applicant. But such applicant may then apply to the district court of his district, or the Judge thereof, for a writ of mandamus to compel the proper registration of his name in such election district; and any elector may also apply to the district court of his district, or the Judge thereof, for a writ of mandamus to compel the Registry Agent to erase from the registered list of electors the name of any person therein registered whom the applicant may know and be able to prove is not a qualified elector; *provided*, that said Registry

Second—In what state, county, court, and year did you declare your intention to become a citizen? Third—In what state, county, court, and year were you finally admitted to citizenship? Fourth—Where did you last see your certificate of naturalization? The answer to the above questions shall be taken down in the form of an affidavit, which shall be subscribed and sworn to by the applicant and retained in possession by the Registry Agent, and by him handed over to his successor; *provided*, that no person shall be required to make the affidavit twice before the same Agent, or the successor of such Agent, having in his possession a former affidavit.

Such

objections to the right to vote shall be made only by a qualified elector in writing, setting forth the ground of objection or disqualification, and sworn to or affirmed to, to the best of his knowledge and belief. A copy of such written objections, with the name of the objector, together with a copy of notice, requiring the person objected to to appear before the Registry Agent at a time certain and specified therein, and answer under oath such questions as may be propounded to him by the Registry Agent touching his qualifications as an elector, shall be served on the person objected to, and such service shall be good when left at the place of residence of such person objected to, as the same shall appear in the official register, however general or indefinite may be the description of the same in said register; *provided*, that personal service shall be required when the objections are filed with the Registry Agent on the last day on which such objections are allowed; but such objections so filed on the last day may be heard and determined on the succeeding day. And no such objections shall be tried unless it shall appear by the return by an officer, or the sworn statement of an elector within the county, appended to such notice, that such objections and notice were by him duly served by copy, as in this section of this Act required. If the Registry Agent shall be satisfied, from the answers under oath of the person objected to, or other evidence, that he is not a qualified elector, as required by law, for the next ensuing election; or if such person, so notified as hereinbefore provided and required, shall fail to appear at the time set, or shall fail to show cause for his non-appearance, it shall be the duty of the Registry Agent to erase his name from the official register; *provided*, that any person whose name may have been so erased, may apply to the district court or the Judge thereof, as is provided in section six of this Act.

Said blank columns last mentioned shall have written "headings" made by the Registry Agents, showing what particular election the said "check lists" apply to, as for instance, "voted at general election, 1868," or "voted at city election, 1869." The copy of the official register, together with the "check list," for election district, as herein provided, shall be carefully prepared and duly certified to by the Registry Agent, and delivered to some one of the Inspectors of Election in each election district, at a time not later than the day next preceding that on which such election is to be held, and

such "check lists" shall be carefully preserved and transmitted by the Inspectors of Election to the Clerk of the Board of County Commissioners, in connection with and as a part of the "election returns," as provided by law.

"I, ----, Registry Agent for election districts numbers ---- and ----, in the county of ----, and State of Nevada, do solemnly swear (or affirm) that I will perform all the duties of Registry Agent in and for said election districts according to law and the best of my ability, and that in the discharge of my duties as such Registry Agent I will honestly endeavor to prevent fraud, deceit, or any other manner of abuse of the elective franchise, so help me God (or under the pains and penalties of perjury)." *As amended, Stats. 1881, 55.*

Inspectors of Election, shall be prima facie evidence of his right to vote; *provided*, that when the Inspectors of Election shall have good reason to believe, or when they shall be informed by a qualified elector, that the person offering to vote is not the person who was registered in that name, the vote of such person shall not be received until he shall have proved his identity as the person who was registered in that name.

and, upon opening the polls, one of the Clerks, under the direction of the Inspectors shall make proclamation of the same; and thirty minutes before closing of the polls, proclamation shall be made in like manner, that the polls will be closed in half an hour; but the board may, in their discretion, adjourn the polls for one hour at any time they may think proper during the day, before four o'clock in the afternoon, proclamation of the same being made.

Box, How Provided and Kept.

1595. SEC. 11. There shall be provided and kept by the County Commissioners of each county, at the expense of the county, a suitable ballot box, with a lock and key, and furnish the same to the Inspectors of each election precinct or district within their county.

Box, Form and Care Of.

1596. SEC. 12. There shall be an opening through the lid of each box of no larger size than shall be sufficient to admit a single folded ballot. Before opening the polls, the ballot box shall be carefully examined by the Inspectors of Election, that nothing may remain therein; it shall then be locked and the key thereof delivered to one of the Inspectors, to be designated by the majority thereof, and shall not be opened during the election except in the manner and for the purposes hereinafter mentioned.

Ballots; Form, Color, Size, etc.

1597. SEC. 13. Every elector shall, in full view, deliver to one of the Inspectors of the election a single ballot or piece of paper, on which shall be written or printed the names of the persons voted for, with a pertinent designation of the offices to which each person so named is intended by him to be chosen. Said ballot may be open or folded, as the voter may choose, and the said ballot shall, in color, size, form, and texture, conform to the requirements set forth in the proclamation of the County Commissioners of each county; and further, that said ballot or ticket shall be free from marks, characters, or device or thing that would enable any person to distinguish by the back, or when folded, from any other legal ticket or ballot.

Manner of Voting—Not on Register Not to Vote.

1598. SEC. 14. It shall be the duty of the Board of County Commissioners, at the time of issuing their election proclamation, as provided in section four of this Act, which shall be a part of the said proclamation, to designate fully the color, size, form, and texture of all ballots to be used at the ensuing election. Said ballot shall be of sufficient width to allow names to be written thereon. It shall be the duty of the Inspectors of Election at each poll, at every election, to have before them a certified copy of the register of voters of the precinct or district for which they are the Inspectors provided by law; and the Inspector to whom any ticket may be delivered, shall, upon receipt thereof, pronounce with an audible voice the name of the person offering to vote, and another one of the Inspectors shall examine the certified copy of the register; and if the name of the person is found thereon, his ticket shall immediately be put in the ballot box without being inspected, if it be a folded ballot. The name of the elector shall then be checked on the certified copy of the register, and the Clerks of Election shall enter his name and number in the poll book. No person shall be permitted to vote whose name is not on the register, and who shall refuse to comply with the requirements of section thirteen of this Act. Said register shall be to said Inspectors of Election conclusive evidence of the right of the person to vote whose name appears upon the same; *provided*, that said Inspectors of Election may require any person to give true answers under oath or affirmation, to all such questions as they may desire to ask touching the identity of the person with the name in or under which he may wish to vote; *provided*, that in all cases said ballots shall be printed on a good quality of white book paper.

Poll Lists to Correspond.

1599. SEC. 15. At each adjournment of the polls, the Clerks shall, in the presence of the Inspectors, compare their respective poll lists, compute and set down the number of votes, and correct all mistakes that may be discovered, according to the decision of a majority of the Inspectors, until such poll lists shall be made in all respects to correspond.

Care of Poll Books and Box.

1600. SEC. 16. The ballot box shall then be opened and the poll books placed therein; and such box shall then be locked, and a covering, which shall be indorsed by one of the Inspectors, sealed or pasted over the opening in the lid of the said box so as to entirely cover the same, and the key delivered to another of the Inspectors, and the box to a third, to be designated by a majority of the Inspectors.

Box and Key to Be Kept Separate.

1601. SEC. 17. The Inspector having the key shall keep it in his own possession, and deliver it again to the Board of Inspectors at the next opening of the polls; and the Inspector having the care of the box shall carefully keep it, without opening it or suffering it to be opened, or the seal thereof to be broken or removed, and shall publicly, in that condition, deliver it to the Board of Inspectors at the next opening of the polls, when the seal shall be broken and the box opened, the poll books taken out, and the box again locked.

Tickets Not to Be Exhibited.

1602. SEC. 18. No ticket or ballot shall on the day of election be given or delivered to, or received by, any person except the Inspector, or a Judge acting as Inspector, nor fold any ticket or unfold any ballot which he intends to use in voting, or exhibit to another in any manner by which the contents thereof may be known, or request another person to exhibit or disclose the contents of any ticket or ballot, within one hundred feet of the polling place; *provided*, that in case any elector voting an open ticket, the Inspector, or Judge acting as Inspector, may fold the same before placing it in the ballot box.

Names Rejected, When.

1603. SEC. 19. If the names of more persons are designated on any ballot found in the ballot box, for the same office, than are to be chosen for such office, then, except in the cases provided for in the next section, all the names designated for such office must be rejected; and the fact of such rejection, and the reason therefor, must, at the time of such rejection, be disposed of as provided in section twenty-six of this Act.

Written and Printed Names for Same Office, Which to Be Rejected.

1604. SEC. 20. When, upon a ballot being found in any ballot box, a printed name and a name written with ink or with pencil appears, and there are not so many persons to be chosen for the office, the printed name opposite the written name must be rejected, and the written one counted; or when, upon a ballot found in any ballot box, a name has been erased, and another one substituted therefor in any other manner than by the use of a lead pencil or common writing ink, the substituted name must be rejected, and the name erased, if it can be ascertained from an inspection of the ballot, must be counted, and the fact thereof noted, and the said ballots disposed of as provided in section twenty-six of this Act.

Legality of Ballots.

1605. SEC. 21. Whenever a question arises in the board as to the legality of a ballot, or any part thereof, and the board decide in favor of the legality, such action shall be taken as in case of a rejected ballot.

Betting on Election a Misdemeanor.

1606. SEC. 22. Every person who makes, offers, or accepts any wager or bet upon the result of any election, or upon the success or failure of any person or candidate, or upon the number of votes to be cast, either in the aggregate or for any particular candidate, or upon the vote to be cast by any person, is guilty of a misdemeanor.

Sheriff Authorized to Appoint Deputies at Precincts.

1607. SEC. 23. The Sheriffs of the several counties are hereby authorized to appoint one or more deputies, to serve at each election precinct, for the purpose of preserving order and making arrests, to be paid as other fees.

Challenges at Polls.

1608. SEC. 24. A person offering to vote may be orally challenged by any elector of the precinct, upon the ground that he is not the person entitled to vote as claimed, or has voted before on the same day, in which case the Inspector or one of the Judges shall tender him the following oath: "You do swear (or affirm) that you are the person whose name is entered upon the registry list of this precinct." In case such person refuse to take the oath so tendered, he shall not be allowed to vote, and the Clerk of the election shall write the word "Challenged" opposite the name of each person challenged upon the registry.

Public Canvass.

1609. SEC. 25. As soon as the polls of the election shall be finally closed the Inspectors shall immediately proceed to canvass the vote given at such election; and the canvass shall be public, and continue without adjournment until completed.

Manner of Canvass.

1610. SEC. 26. The canvass shall commence by a comparison of the poll lists from the commencement, and a correction of any mistake that may be found therein, until they shall be found to agree. The box shall then be opened, and the ballots contained therein taken out and counted by the Inspectors, and opened so far as to ascertain whether each ballot is single; and if two or more ballots shall be found so folded together as to present the appearance of a single ballot, they shall be laid aside until the count of the ballots is completed; and if, on comparison of the count with the poll lists and the appearance of such ballots, a majority of the Inspectors shall be of the opinion that the ballots thus folded together were voted by one elector, they shall be rejected, and carefully sealed up in an envelope, upon which shall be written the reason of their rejection, and shall be signed by the Inspectors, and placed back in the ballot box, to be retained with the other ballots, as provided in section twenty-nine of this Act.

Excess of Ballots.

1611. SEC. 27. If the ballots in the box shall be found to exceed in number the whole number of votes on the poll lists, they shall be replaced in the box after being purged as above, and one of the Inspectors, with his back turned to the box, shall publicly draw out and destroy therefrom so many ballots, unopened, as shall equal the excess.

Counting—Form of Returns.

1612. SEC. 28. The ballots and poll lists agreeing, or being made to agree, the board shall then proceed to count and ascertain the number of votes cast, and for whom cast, and when completed the Clerks shall set down in their poll books the name of every person voted for, written at full length, the office for which such person received such votes and the number he did receive, the number being expressed in writing at full length and also in figures; such entry to be made, as nearly as the circumstances will admit, in the following form, to wit:

The Board of County Commissioners shall provide, at each polling place within the county, a sufficient number of places, booths or compartments, in which voters may conveniently mark their ballots, so that in the marking thereof they may be screened from the observation of others, and a guard rail shall be so placed that only such persons as are inside said rail can approach within six feet of the ballot box, and of such booths or compartments. The arrangements shall be such that neither the ballot box nor the booths or compartments shall be hidden from the view of those just outside the guard rail. The number of such booths or compartments shall be not less than one for each fifty or fraction of fifty voters registered in the precinct. Each of said booths or compartments shall be kept provided with proper supplies and conveniences for marking ballots. Such marking shall be done only with a black lead pencil. Before leaving the booth or compartment the voter shall fold his ballot in such manner that the water-mark and the number of the ballot shall appear on the outside, without exposing the marks upon the ballot, and shall keep it so folded until he has voted. Having folded his ballot, the voter shall deliver it to the Inspector, who shall announce the name of the voter and the number of his ballot. The Clerk having the registry list in his charge, if he finds the number to agree with the number of the ballot delivered to the voter, shall repeat the name and number, and shall mark opposite the name the word "voted." The Inspector shall then separate the strip bearing the number from the ballot, and shall deposit the ballot in the ballot box. Said strip and number shall be immediately destroyed.

Occupation of Booth.

1713. SEC. 21. But one person shall occupy any one booth or compartment at one time, and no person shall remain in a booth or compartment longer than may be necessary to prepare his ballot, and in no case longer than ten minutes. *As amended, Stats. 1893, 114.*
